President's Message

by Cara Gamberdella

Cara Gamberdella

Welcome to the Santa Barbara Athletic Round Table's 49th celebration of athletic accomplishment. Last year we shook things up a bit and divided this celebration into two events – the Hall of Fame Induction Ceremony, where we honor past athletes, coaches and community leaders, and An Evening with the Athletes, where we honor our current high school and college Athletes of the Year, scholarship recipients, special awards and Coaches of the Year. The attendees at both events, as well as our coaches, athletic directors and athlete families, were so happy with our format last year, as well as the more intimate environment of both events, that we are thrilled to continue these two special nights and a week of celebration now and for many years in the future.

The SBART is honored to welcome the 2016 SBART Hall of Fame class. We are inducting five outstanding athletes and one very deserving coach. The athletes represent a cross-section of sports and have excelled nationally on the collegiate and professional stages; and the coach has touched countless young athletes, including future Major Leaguers, in his over 43 years in the dugout and on the field.

The 2015-16 athletic year has been a great one. If you have attended any of our Monday Press Luncheons at Harry's, you know that our high school and college student-athletes and coaches have been celebrating great successes both on and off the field all year. The SBART would like to extend a special "Congratulations" to the Laguna Blanca Girls' Volleyball team on their CIF Championship and State Championship appearance and to the Santa Barbara High School Boys' Basketball Team on their CIF Championship. We also honor all of our teams and individuals who made it to the playoffs and beyond.

I am honored to have served the first of a two-year appointment as the SBART Board President. I extend a very sincere "thank you" to all of our very generous sponsors and members. Additionally, deep appreciation for all of the hard-working members of the SBART Board of Directors. The SBART has no paid staff; we are truly a "working board" with countless committee meetings, luncheons and long hours spent, coupled with the financial generosity of our sponsors and members, to keep the SBART mission moving forward. Last, but not least, a very hearty "thank you" to our local sports media for covering our luncheons, working together to honor our student-athletes with weekly and end-of-year awards and for publically sharing all of the great sports stories from our high schools and colleges each and every day.

As a former high school teacher, I know that student-athletes learn lessons on the field and on the court that translate into academic success, social confidence and lifelong skills in teamwork, discipline, organization and goal-setting. The Round Table plays an important part in reminding all of these students that they are doing the right thing. Additionally, the camaraderie the SBART helps build among our local coaches, athletes, press and community encourages many of our athletes to give back to the athletic community for many years after their playing years are over.

Thank you to all of you in attendance tonight for showing your support for our local student-athletes, coaches, community leaders, sports media and the Santa Barbara Athletic Round Table.

2016

President's Message

2016

SBART *Founders*

Almost five decades ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could help the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: The advancement and betterment of all sports and athletics in the greater Santa Barbara area.

The SBART got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting, and over 200 joined that evening as Charter Members.

The SBART's first annual banquet was held at Santa Barbara City College on June 22, 1968. Through membership dues, contributions, fundraising events and local foundations, the Round Table has raised more than \$2 million for local athletics.

Harry's Plaza Café was the site of the SBART's first press luncheon held on September 14, 1970. The luncheons, initiated by the new president, Bill Bertka, were similar to a "Monday Morning Quarterback Club." All area schools were represented by the head coaches of the sports in season. For over four decades the SBART luncheons have been held at Harry's every Monday, attended by standing-room-only crowds.

Since its first meeting back in 1968, the Santa Barbara Athletic Round Table has helped thousands of individuals and organizations by raising funds to support their athletic programs. The Round Table is proud to help student-athletes at all levels compete in events they would otherwise not have been able to attend.

It is with our deepest regards and warmest thanks that we acknowledge and celebrate the vision and hard work of our founders, Caesar Uyesaka, Jerry Harwin and Bill Bertka.

Mission Statement

The mission of the Santa Barbara Athletic Round Table is to recognize and support athletic participation as an important means of fostering discipline, teamwork, self-respect, personal responsibility, and camaraderie.

The SBART provides a public forum for area athletic coaches and athletes; grants financial support to organizations, teams, and individuals to further their participation in sports; and publicly honors athletic performance, scholastic achievement and exemplary ethical behavior.

Hall of Fame

KELLY SCHMANDT FERGUSON

Outstanding Athlete

In a community noted for producing top tennis talent, Kelly Schmandt was “the player” when she played at San Marcos High from 1996-2000.

Schmandt was named MVP all four years for the Royals and was a three-time Channel League champion in singles. She was twice honored as the Round Table High School Tennis Player of the Year and was named San Marcos' Scholar-Athlete of the Year for 1999-2000.

Her academic and athletic prowess helped her earn her a scholarship to Vanderbilt University, where she played four years and helped the Commodores reach their first NCAA Final in 2000, advance to the semifinals in 2004 and earn a No. 2 national ranking at the end of the year.

Her honors on the court for Vandy include: three-time First Team All-Southeastern Conference in doubles, All-American in doubles in 2004, No. 2 NCAA ranking in doubles (2004), ranked in top 50 in singles (2004), NCAA doubles semifinalist (2004) All-American Tournament doubles champion (2003) and a member of the SEC Good Works Team in 2004.

She owns three Vanderbilt records: best singles win percentage for a career (82 percent), singles win percentage for a year (85 percent in 2003) and most doubles wins in a season (32 in 2004).

A highlight in her tennis career came as a freshman at Vanderbilt. She won the clinching match in the semifinals of the NCAA Tournament to help the Commodores reach their first NCAA Final in any sport.

Another great moment was winning the All-American tournament with her doubles partner, great friend, and fellow senior Aleke Tsoubanos.

In a brief pro career, Schmandt won three Challenger-level doubles titles.

She returned to Santa Barbara and worked as an assistant coach with the Santa Barbara High boys and girls tennis teams and with the UCSB women's team.

Schmandt has a Bachelor of Science degree in Public Policy from Vanderbilt and a master's degree in Environmental Science and Management from UCSB's Bren School.

She is the Environmental Director for the Santa Ynez Band of Chumash Indians.

Kelly and her husband, Scott Ferguson, live in Santa Barbara.

She joins her older sister, Cindy Schmandt Scannella, in the Hall of Fame.

2016

Hall of Fame

2016

Hall of Fame

CHRIS GOCONG

Outstanding Athlete

It's a long, long way from Carpinteria Valley Memorial Stadium to the NFL.

Chris Gocong put in the work and made his way down that long, difficult road to reach the big time. He played seven years in the NFL as a linebacker for the Philadelphia Eagles and the Cleveland Browns.

A quarterback and linebacker for the Warriors, Gocong made Carpinteria proud when he was taken by the Philadelphia Eagles in the third round of the 2006 NFL Draft. After missing the '06 season due to an injury, he made his debut on Sept. 9, 2007. He played three seasons with the Eagles before being traded to Cleveland. He ended his career with the Browns in 2012 after rupturing his Achilles tendon.

Gocong was a force on the field and in the weight room at Carpinteria.

"Chris's natural strength and explosiveness were phenomenal," said Carpinteria assistant football coach and head track coach Van Latham. "Our weight room has never seen the amount of weight moved as when Chris and teammate Noah Bryant were here. It was a treat."

Gocong earned All-CIF honors in football and track in 2000 and 2001 and was named All-State in football in 2001.

He won a CIF-Southern Section title in the discus.

"With Chris's strength and explosiveness, throwing heavy objects was also a natural for him. He didn't start throwing until his sophomore year but it was only a year later he became a CIF champion," said Latham.

He played college football at Cal Poly and developed into an outstanding defensive player. In 2005, he was named a unanimous All-American and was recipient of the Buck Buchanan Award as college football's best I-AA defensive player. In his college career, he recorded 212 tackles and set a NCAA career-record with 42 sacks for minus 284 yards. His 61.5 stops for losses of 330 yards rank fourth in Division I-AA history.

Next stop, the NFL.

"His ability to combine his great athletic ability and work ethic to maximize his potential and reach the highest level of sport is very gratifying as a coach," Latham said. "It is a rare combination. You often get athletes who possess one or the other of these qualities but not both the way Chris did. It is also very satisfying that he graduated from Cal Poly with a degree in engineering."

Gocong resides in Carpinteria with his wife, Amanda, and daughter, Layla.

2016

GARY PEARCE

Outstanding Athlete

Gary Pearce was a force at the net for the UCSB volleyball team in the late 1970s, early 1980s.

In his senior year for the Gauchos in 1980, he was named team captain, voted team MVP and earned second-team All-American honors. He also received the "Gaucha Award" as the most inspirational player, voted on by his teammates.

Pearce turned in one of the greatest individual performances in UCSB history during his senior year, hitting a perfect 1.000 percent, with 25 kills on 25 attempts, in a three-set sweep at San Diego State.

Pearce is a homegrown product. He attended Dos Pueblos High and Santa Barbara City College before moving on to UCSB. At DP, he was a driving force in organizing the volleyball program with coach Don Volpi.

Pearce earned All-CIF honors in 1974 and 1975, and was named the Santa Barbara Athletic Round Table High School Volleyball Player of the Year in 1975. In his freshman season at SBCC, he earned All-Western State Conference honors as a setter and outside hitter.

Pearce was a big man blessed with all-around volleyball skills, which served him well in the beach game. He was one of Karch Kiraly's early partners, and they won the 1977 Hermosa Beach "A" and took ninth in the Santa Barbara Open.

He picked up the nickname "Bam Bam" because of his booming left-handed blasts

Pearce continued to excel in beach volleyball later in life. He won the Santa Barbara Masters Men's Tournament in 1993 and 1995.

One the highlights of his volleyball career was representing his country in international competition. In 1978, Pearce played for the USA Junior National Team at the Junior World Games in Brazil.

Pearce graduated from UCSB with a bachelor's degree in ergonomics and earned a bachelor's in physical therapy from Cal State Northridge.

In his professional life, he is the assistant director of Rehabilitation Services at Community Memorial Hospital in Ventura and a practicing physical therapist, specializing in orthopedics, vertigo and vestibular disorders.

Pearce and his wife, Shannon, live in Santa Barbara. They have two sons, Cody (27) and Austen (18).

Hall of Fame

2016

Hall of Fame

SCOTT RANDALL

Outstanding Athlete

Scott Randall lived the dream of many local kids that play youth baseball. He started playing in Dos Pueblos Little League and made it all to the Major Leagues.

In between, he pitched Dos Pueblos High to the CIF Finals in 1993 and played for SBCC and UCSB before being taken by the Colorado Rockies in the 11th round of the 1995 amateur baseball draft. He made his major league debut with the Cincinnati Reds in 2003, playing on a team that included future Hall of Famers Barry Larkin and Ken Griffey Jr., and Adam Dunn and Sean Casey.

Randall, a right-hander, appeared in 15 games for the Reds, with two starts and two wins. Among his highlights are striking out Albert Pujols of the St. Louis Cardinals in both of his at-bats against him, and getting Sammy Sosa of the Chicago Cubs on a groundout in a key game at Wrigley Field during a race for a playoff spot.

He also had a big moment at the plate, getting a hit in his first major-league at bat and breaking up a perfect game in the sixth inning.

Randall played 11 years of professional baseball with the Rockies, Minnesota Twins, Montreal Expos, Texas Rangers, Kansas Royals and Reds organizations.

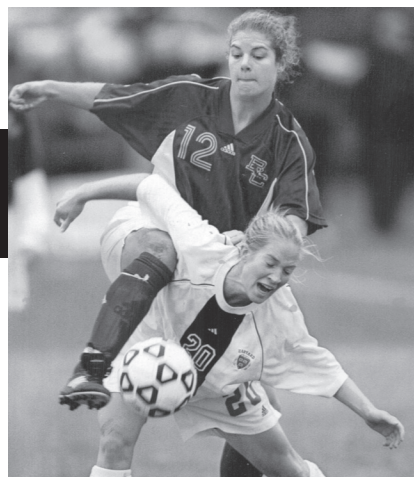

On his way up to the big leagues, he threw three no-hitters in the minors, including an 11-inning no-no with the Rockies' affiliate in Asheville, N.C; was named to the AAA All-Star Team while with the New Haven Rockies; went 14-0 in the Twins organization and added four more wins the following year for 18 straight wins; was named the best right-handed starter in the AAA Pacific Coast League; won the PCL championship with the Edmonton Trappers and was honored as the best pitcher in Trapper history; was named the best pitcher for the AAA Louisville Bats in 2003.

At Dos Pueblos, he played for the legendary Scott O'Leary and earned All-CIF honors and was named All-Santa Barbara County Co-MVP and All-Channel League Co-Player of the Year in 1993. He went 14-3 during the Chargers' run to the '93 CIF Finals at Anaheim Stadium and pitched all nine innings in the 3-2 championship game loss against Lompoc.

The son of Ralph and Sandee Randall, Scott lives in Colorado Springs with his wife, Andy, and their daughter, Sydney.

MEGHAN MOORE REARDON

Outstanding Athlete

Meghan Moore Reardon was a powerhouse soccer player at Santa Barbara High.

In her four years on the pitch for the Dons, she poured in 88 goals and dished off 64 assists; she was twice named the Channel League MVP and was honored as the Santa Barbara County Player of the Year in 1997 and 1998.

She earned All-CIF honors in three seasons and was recognized as the Girls High School Player of the Decade by the Santa Barbara News-Press.

Moore's great footwork and athleticism in soccer worked for her on the tennis court, too. She twice was named all-league in tennis.

Her tremendous soccer skills earned her a scholarship to Boston College, where she started all four years. BC was one of the top women's programs in the country.

In her career with the Eagles, she totaled 26 points on 26 goals and 31 assists. She twice was named BC Offensive MVP, earned first-team All-Big East honors in 2000 and was named to the Northeast Regional All-American third team.

Moore was named team captain in 2001 and was selected to the New England Intercollegiate Soccer Association First Team.

Another prestigious award she earned at BC was the Tom McElroy Memorial Scholarship, which is awarded to an athlete for excellence, moral courage and fortitude.

Twice in her collegiate career, Moore and the Eagles advanced to NCAA Tournament Sweet 16. One of her proudest moments was beating a top-10 ranked Harvard squad to reach the Sweet 16.

"It was a total team effort and it felt so good," she says of the in-state rival.

Alison Foley, her coach at BC, called Moore "one of the best, if not the best, right midfielder we have ever had. Her blend of speed and fitness coupled with a right-footed service and rocket of a shot is of the highest quality. She can change a game on a dime. She is the epitome of a student-athlete whose excellence on the field was matched in the classroom. She is a wonderful person and leader."

Moore played semi-pro soccer with the Boston Renegades of the United Soccer League's W-League and won national championships in 2001 and 2002.

She earned all-tournament team honors in 2002.

Today, Moore lives in Bend, Ore., with her husband, Tim Reardon, and their two daughters: Hannah, 3, and Sadie, 8 months.

2016

Hall of Fame

2016

Fall of Fame

FRED WARRECKER

Coach Inductee

Fred Warrecker is Santa Barbara's Mr. Baseball.

For 43 years, he ran the Santa Barbara High baseball program, producing five Major League players, countless collegiate players and, more importantly, respectful, disciplined young men.

Respect is Warrecker's mantra. The kids who played for him learned how to respect the game. They also learned the value of hard work and keeping things in balance. One of his favorite sayings is "Rock Steady." When things are going great, or rockin,' it's important to keep an even keel, or be steady, and not let the success go to your head.

His youngest son, Donny, who took over the reins of the Dons baseball program this season, follows that same approach.

Baseball has played a big part in Warrecker's family. Eldest son Wes is Donny's assistant at SBHS, and Teddy, the second youngest, is an assistant at Cal Poly after 10 years of being head coach at SBCC. Willy, the second oldest, is an orthopedic surgeon for the Oakland A's and Cal-Berkeley athletics.

Fred Warrecker started his baseball and coaching life in Santa Barbara in the mid-1950s at UCSB. He was named the team MVP as a senior. He also played for the Santa Barbara Foresters from 1957-60.

After a stint in the U.S. Army, he returned to Santa Barbara and earned a second degree at UCSB in English Literature – his first is in Physical Education "because the line was shorter to register," he jokes.

Warrecker started his teaching and coaching career at Dolores School before moving to Bishop Diego, where he coached football, basketball and baseball. Santa Barbara High principal Gene Snyder hired him in 1970, and he coached alongside local legends Sam Cathcart, Mike Moropoulos, Chuck Sylvester, Lito Garcia and Craig Moropoulos. He had a 41-game winning streak as the freshman football coach for the Dons.

He was part of Sylvester's staff with the baseball team and was handed the head coaching reins in 1972. His teams won 615 games, 13 Channel League titles and made 22 CIF playoff appearances in more than four decades of wearing the Dons uniform. He guided the Dons to the CIF Finals in 2000.

Players from his program who made it to the Major Leagues include Jesse Orosco, Ryan Spilborghs, Virgil "Matt" Vasquez, Dylan Axelrod and Cord Phelps.

Fred and his wife Marcia are the proud parents of six sons: Wes, Willy, Jonathan, Tony, Teddy and Donny.

Russ Hargreaves Memorial Award

LITO GARCIA

Lito Garcia, Principal of Santa Barbara Junior High School, is recognized for his ongoing efforts to provide organized, after-school sports programs in Santa Barbara junior high schools, where for the past three years he has overseen the SB Unified School District Junior High After-School Sports Program.

Under Garcia's leadership, the Santa Barbara School District provides after school sports for students at Goleta, La Cumbre, La Colina and Santa Barbara Junior High Schools. Over 850 youth participate annually in six sports including: basketball, soccer, volleyball, flag football, lacrosse, track and field and board games. The SBUSD Junior High After-School Sports Program is a collaboration among the SBUSD, the City of Santa Barbara Parks and Recreation Department and the City of Goleta.

Garcia's passion is working with junior high school age youth, understanding it is a critical time in their lives. He enjoys helping students decide who they want to become and directing them in their path. Although at a slower pace, you may still find Garcia jumping into the occasional lunch time or P.E. class dodge ball, soccer or basketball game.

Garcia has worked for the Santa Barbara Unified School District for 22 years – six years as a teacher, 11 years as an Assistant Principal and the past five years as Principal.

Russ Hargreaves was a dedicated member of the Santa Barbara Recreation Department. He spent a lifetime creating opportunities for others to enjoy the benefits of recreational activities. He loved jogging and was committed to total body fitness. He knew that a healthy mind and body were the first steps to a happy and productive life. This award is given to a person recognized by the Parks & Recreation Department as a leader in maintaining quality sports programs

R.F. MacFarland Memorial Trophy

JOHN DVORAK

John Dvorak co-founded Presidio Sports with Blake Dorfman in 2008 and operated the Santa Barbara sports website for nearly eight years. The site posted more than 22,000 local sports articles, 5,000 images, and 500 videos during its lifespan.

He moved with his family from Newport Beach to Santa Barbara at age 3 and was soon playing in local AYSO, PONY Baseball, and Santa Barbara Boys & Girls Club basketball leagues. He attended Montecito Union Elementary School and Cate School.

Dvorak studied print journalism at New York University, witnessing the World Trade Center fall on 9/11, which was the first day of school during his senior year.

After living in both Vail, Colo. and on the Hawaiian island of Kauai, he returned to Santa Barbara and worked in the sports department of the Santa Barbara News-Press from 2006 to 2008 before launching his internet business.

"Even though we had zero business experience, Blake and I felt like we could create a better way to deliver local sports news to Santa Barbara in the form of a website," Dvorak said. "More stories, more photos, video highlights, reader interaction, scores the same night instead of having to wait until next morning.

"We were able to do that with a tiny, tiny budget in large part because of the financial sacrifice made by Blake, myself and Barry Punzal."

R.F. MacFarland was one of the founders of Semana Nautica in 1936. This award is given annually to the person or organization who best exemplifies community leadership in the area of sports and athletics. It is sponsored by The City of Santa Barbara Parks and Recreation Department, local media and the Semana Nautica Association.

2016

Special Awards

2016

Special Awards

Master Athlete Award

SUE McDONALD

Sue McDonald earned the Silver Medal in the W50 high jump in the 2015 Masters World Athletics Championships in Lyon, France. She is currently the American Record Holder in the high jump (W50) and her 2013 mark of 1.58m still stands as the top jump in the world.

After a stand-out collegiate career as an All-American high jumper at Cal State Northridge, McDonald saw multiple top-15 finishes in the USA National Championships in the high jump. After retiring from the high jump to have a baby girl in 1993, she picked up the pole vault and became one of the top pioneer female pole-vaulters in the United States. In 1996, McDonald was ranked 7th in the US and qualified as a finalist in the first-ever women's pole vault in the

1996 Olympic Trials in Atlanta. In 1999, McDonald made an attempt at qualifying for Olympic Trials in the high jump at age 37. After narrowly missing the qualifying height for the Trials, she decided to try other sports like triathlons, road races, and cycling competitions.

The owner of McDonald Fitness, Sue has held various positions in Santa Barbara such as a personal trainer at an athletic club, part-time coach for a local triathlon training group, a Realtor for Village Properties and in 2009, she and her husband, Michael, opened up a drive-thru coffee shop business called Zizzo's Coffee in Goleta. Their third shop is due to open this spring.

McDonald and Michael have been married for nearly 14 years. They reside in Santa Barbara with their two sons, Nicholas (12) and Cruz (10). Her daughter Chiara (22) is finishing up her senior year in college on a basketball scholarship.

This award was established and endowed by Louise Lowry Davis to encourage the continued participation in competitive sports, regardless of age. It is given for achievement by an athlete over the age of 40 years.
