

HALL OF FAME INDUCTION CEREMONY

The Santa Barbara Athletic Round Table is thrilled to host the
2019 Hall of Fame Banquet on Monday, October 14th.
It will be the 52st annual Hall of Fame ceremony.

SANTA BARBARA ATHLETIC ROUND TABLE

An Evening With The Athletes 2019

For over fifty years our organization has supported student athletes in the greater Santa Barbara area.

Each year we have been able to give more than 1,000 student athletes and coaches a well deserved pat on the back and extra encouragement to help them become better citizens. To this day we have no paid staff and no office. All your support goes directly to the student athletes.

Tonight's Program

President's Message

by Gene Deering

Welcome to the 2018-2019 Evening with the Athletes event where we honor some of our best and brightest athletes. For the last 51 years, the SBART has been recognizing student athletes in our community for their hard work and dedication both on the field of play and in the classroom.

Thank you to all of you in attendance tonight for showing your support for our local student-athletes, coaches, community leaders, sports media and the Santa Barbara Athletic Round Table.

I would like to take this opportunity to recognize all the hard-working members of the SBART Board of Directors. The SBART has no paid staff; we are truly a "working board" with countless committee meetings, luncheons and long hours spent, coupled with the financial generosity of our sponsors and members, to keep the SBART mission moving forward.

Hosting the last 60 weekly luncheons has provided me with an amazing appreciation for the coaches in our community. We are truly spoiled by the willingness of coaches in this community to dedicate their time to helping build better humans.

Last, but not least, a very hearty "thank you" to our local sports media for covering our luncheons, working together to honor our student-athletes with weekly and end-of-year awards and for publically sharing all of the great sports stories from our high schools and colleges each and every day.

Tonight's event marks the end of my two-year term as President of the Santa Barbara Athletic Round Table. These two years have been an incredible time in my life as my wife Jill and I welcomed our son Jett into the world. I hope one day Jett has the chance to participate in athletics, hopefully attend a luncheon, and give back when his playing days are over.

The SBART now welcomes Ken Newendorp as President of the Santa Barbara Athletic Round Table. Ken brings with him and incredibly complete knowledge of our local sports geography. Ken is a San Marcos graduate (and recent inductee into their Hall of Fame). To fully understand the college sports scene he decided to play soccer at SBCC, UCSB, and Westmont (there cannot be many, if anyone, who has done the same). Ken then coached soccer at San Marcos, UCSB and SBCC. Welcome Ken!

SBART Founders

2019

SBART
Founders

More than five decades ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could help the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: The advancement and betterment of all sports and athletics in the greater Santa Barbara area.

The SBART got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting, and over 200 joined that evening as Charter Members.

The SBART's first annual banquet was held at Santa Barbara City College on June 22, 1968. Through membership dues, contributions, fundraising events and local foundations, the Round Table has raised more than \$2 million for local athletics.

Harry's Plaza Café was the site of the SBART's first press luncheon held on September 14, 1970. The luncheons, initiated by the new president, Bill Bertka, were similar to a "Monday Morning Quarterback Club." All area schools were represented by the head coaches of the sports in season. For over four decades the SBART luncheons have been held at Harry's every Monday, attended by standing-room-only crowds.

Since its first meeting back in 1968, the Santa Barbara Athletic Round Table has helped thousands of individuals and organizations by raising funds to support their athletic programs. The Round Table is proud to help student-athletes at all levels compete in events they would otherwise not have been able to attend.

It is with our deepest regards and warmest thanks that we acknowledge and celebrate the vision and hard work of our founders, Caesar Uyesaka, Jerry Harwin and Bill Bertka.

Mission Statement

The mission of the Santa Barbara Athletic Round Table is to recognize and support athletic participation as an important means of fostering discipline, teamwork, self-respect, personal responsibility, and camaraderie.

The SBART provides a public forum for area athletic coaches and athletes; grants financial support to organizations, teams, and individuals to further their participation in sports; and publicly honors athletic performance, scholastic achievement and exemplary ethical behavior.

2018-19 Athletic Highlights

by Barry Punzal, Editor, Noozhawk Sports

It was a year of change in local sports.

The make-up of high school leagues changed, and the prep calendar started earlier than ever.

In addition, the most rainfall the area has received in years caused several schedule changes during the early part of the spring season. Teams eventually got all their games in.

Santa Barbara received some national attention as it became the center of men's college soccer. UCSB hosted the NCAA College Cup for second time. Maryland, Indiana, Michigan State and Akron enjoyed some nice weather during their stay in early December and Maryland was crowned national champion.

In the fall, Dos Pueblos, Santa Barbara High and Bishop Diego all made it to the CIF football playoffs and went out in the first round. In 8-man football, Cate reached the quarterfinals and had to deal with the Woolsey Fire in L.A. County before eventually finishing the second half of the game against Windward on a Monday in Newport Beach.

Santa Barbara High's boys' water polo had a nice playoff run, advancing to the CIF semifinals.

In prep cross country, Dos Pueblos junior Joseph Pearlman qualified for the CIF State Meet.

Yuka Perera of the San Marcos girls' tennis team won her third Channel League singles title and advanced to the CIF quarterfinals.

In golf, Grace Hay of Bishop Diego won the CIF-SS Northern Regional title with a 1-under 69 at Los Robles Golf Course in Thousand Oaks.

Westmont's women's volleyball team enjoyed another successful season and advanced to the NAIA National Tournament.

Westmont cross country runner Michael Oldach placed eighth at the NAIA Nationals and earned All-American honors.

SBCC women's soccer just missed a third straight trip to the State Final Four, losing the regional final in overtime.

The defending state champion SBCC women's water polo team fell in the state semifinals and the Vaquero women's golf squad took fourth in the state.

The UCSB men's basketball team enjoyed a second straight 20-win season under coach Joe Pasternack. It was the first time the Gauchos (22-10) had back-to-back 20-win seasons since 1989-90 and they did it with five new starters. UCSB went 11-3 in the Big West and reached the conference tournament semifinals.

The Westmont men's and women's basketball teams returned to the NAIA Tournament.

Coach Kirsten Moore's women's team advanced to the nationals after becoming the first team to win the Golden State Athletic Conference Tournament in four straight years. Making the feat more impressive, Moore's team was primarily made up of freshmen.

Coach John Moore's men's team set a school record by appearing in its fifth straight national tournament.

High school basketball saw the Santa Barbara High and Carpinteria boys advance to the CIF semifinals. Santa Barbara rallied from an 18-point deficit to win its quarterfinal game. Carpinteria fought off crosstown rival Cate in its playoff run.

In soccer, the Bishop Diego boys celebrated their best season in school history, advancing to the CIF semifinals and making their first CIF Regional Tournament.

The San Marcos and Dos Pueblos boys' soccer teams reached the CIF quarterfinals.

Santa Barbara High's girls' water polo team made it to the CIF Division 2 semifinals and the Dos Pueblos girls won the consolation title in the eight-team Division 1 tournament.

Dos Pueblos ruled the Channel League again in wrestling and reached the CIF semifinals. Individually, senior Kade Uyesaka advanced to the State Meet.

DP fielded a girls' wrestling team and it won the league dual meet title in its first season.

The spring season has seen UCSB baseball go on a tear, winning more than 30 games before May and setting a program-record 13-game winning streak.

The Gauchos, who two years ago advanced to the College World Series for the first time, are seeking to win their first Big West title.

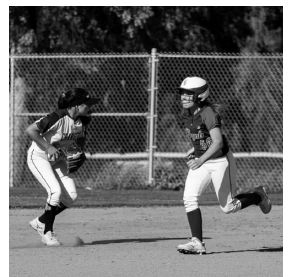

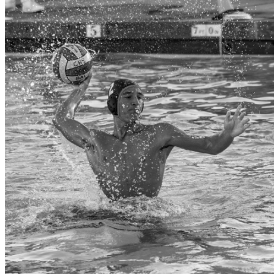

Santa Barbara High boys' volleyball won its Karch Kiraly Tournament of Champions for the first time since 2005 and went undefeated in the Channel League.

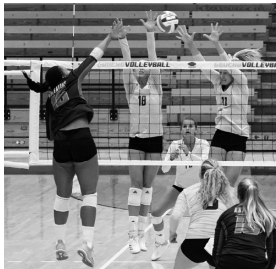

Also winning titles with unbeaten records were the San Marcos boys' tennis and lacrosse teams, Dos Pueblos softball and girls lacrosse teams and Santa Barbara High boys golf team.

Beau Allen of San Marcos made history, becoming the first prep in Santa Barbara County to high jump 7 feet. He is the state leader and is headed to Duke University.

Allen is one of several high school and college spring sports athletes and teams looking to make long runs in postseason competition.

Good luck to everyone.

Special Olympics Mayor's Trophy Athlete of the Year

2019

SAMUEL JAUREGUI

Samuel (Sam) Jauregui is a true leader in the Special Olympics community in Santa Barbara County as an athlete and volunteer. Sam has been an athlete for over 20 years competing in virtually every sport we offer and always strives to grow and do more. Sam Jauregui is currently a member of the Santa Barbara Special Olympics Swim and Bocce teams and recently won 2 medals at the Santa Maria Regional Swim meet. Sam was a key defender on his floor hockey team and helped lead the Santa Barbara Dolphins to a 3rd place finish at the Floor Hockey Championship this past March in Bakersfield.

Sam is a year-round athlete who also competes in tennis and bowling. In describing Sam Jauregui, tennis coach Liz Frech said, "...we call him "Sam Sam." He is our comforter, who does his best to make us all laugh. We know that in sports (as in life), there are frustrating moments and a little levity and kind words go a long way. He has matured a lot in his tennis and attitude over the years. He is always grateful for each day and says thank you after each practice."

In addition to Sam's athletic abilities, he is a key contributor to the Special Olympics programs and in the office. Sam recently used his strength to help our office move and has completed several mailings. Sam is always eager to help with our Tip A Cop events, ran with law enforcement officers in the Torch Run, and participated in the Annual Give-A-Palooza fundraising event. As a Global Messenger, he has also assisted with the Fired Up for Special Olympics Dinner and Sam can regularly be found in the Special Olympics office making phone calls to thank volunteers and supporters.

According to Dan Weiner, "Sam and I have worked together in the Special Olympics office doing a variety of jobs. Sam is always ready and willing to do whatever is asked of him. He has a great attitude and it is a pleasure working with him." Sam is a very vocal advocate on behalf of Special Olympics and serves on the Athlete Input Council which strives to provide guidance and leadership to the athletes and programs.

Sam will continue his season by taking his swimming skills to Long Beach to compete in the Special Olympics Southern California Summer Games in June.

2019

Scholar Athletes of the Year

The Santa Barbara Athletic Round Table Scholar Athlete of the Year Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who also maintain strong academic and extra-curricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extra-curricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It is also a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present this year's recipients.

JOSEPHINE MORALES

Josephine Morales is currently a senior at Dos Pueblos High School (DPHS) with a 4.61 GPA and plans to go to Colorado College as a mathematics major in order to become a math teacher as her profession. She has participated in many sports clubs including soccer and cross country which also ties into her volunteering as an assistant counselor for "Junior Lifeguards." Some of her duties consist of organizing beach equipment and ensuring the lifeguards' safety on the beach. Josephine was very much inspired by the teachers at DPHS when she was thinking about her future career. She writes in her essay, "I realized they are there to help and guide students in and outside of the classroom...the teachers and coaches I experienced believed in me and believed I could do anything I set my mind to."

Russ Morrison Memorial Golf Scholarship

JACQUELINE MORENO

Jacqueline Moreno is a senior at San Marcos High School and plans to study biological science at UC Los Angeles in the fall. Jacqueline is an AP Scholar and a member of the California Scholarship Foundation and National Honor Society. She participated on the school's track and field team and was captain of the golf team. In addition, she is a member of the Red Cross Club and HOSA Club. Beyond school, Jacqueline has done a plentiful amount of community service, including mentoring children and hosting events for geriatric patients. She has done volunteer work and internships at local health care facilities and

also participated in a Certified Nursing Assistant Program where she learned how to apply classroom skills in a clinical environment. With a passion for the health field, she plans to go to medical school so she can beneficially impact the lives of many and help them live a more advantageous life.

Larry Crandell Memorial Scholarship

KIANA SINA

Kiana Sinaki is a senior at Dos Pueblos High School (DPHS) who plans to attend UC Los Angeles in the fall. She is inspired to major in environmental engineering because many of her family members are engineers. She is a member of the Engineering Academy at DPHS in which she builds interactive projects with other students. Combining her passion for engineering and her concern for the environment, Kiana's goal is to develop a product that will preserve biodiversity and slow the degradation of ecosystems. She is an Advanced Placement Scholar and a member of the National Honor Society with a GPA of 4.71.

As well as volunteering in her community, Kiana enjoys skiing and has won first place in competitions with the Big Bear Ski Team. She is also on the DPHS track and field team as well as the captain of the varsity soccer team and the coastal valley soccer club.

SBART Founders Scholarship

DYLAN STREETT

Dylan Streett graduated from Bishop Garcia Diego High School (BGDHS) in 2018. He is completing his first year at Willamette University (WU) in Oregon where he is studying economics. His ultimate goal is to become a financial advisor. He is a member of the National Honor Society and the California Scholarship Federation. He currently plays on the men's basketball team at WU. At BGDHS, Dylan was a member of the Fellowship of Christian Athletes and served as a school ambassador. Dylan says he is excited to explore new areas of study throughout college. As a student-athlete, he has found a balance between his daily practice schedule and rigorous course load in economics.

Jim Ranta Memorial Scholarship

SHAYE GRANT

Shaye Grant is a 4 year water polo player who attended Santa Barbara High School. Shaye was a leader on Junior Varsity for three years and moved up to Varsity her senior year. Shaye used her time on Junior Varsity to learn the sport, and practice teamwork, patience, and building confidence. Her hard work and dedication to the sport helped contribute to her team making it to the Division II finals her junior year, and Division II semifinals her senior year. Shaye's inspiring work ethic and athletic ability will be continued on as she joins the rowing team at Western Washington University where she plans on studying Environmental Studies and Engineering.

Russell Hargreaves Award

OSCAR GARCÍA, REVOLUTION YOUTH SOCCER LEAGUE

The Revolution Soccer League creates a positive impact on the youth and families in the Santa Barbara community by developing and fostering a connection to the City, neighborhoods and local families through sports. Local youth now can participate in a year-round organized soccer league that is affordable to working parents. Most of the players participating in the Revolution Soccer League are underrepresented youth from lower income families that cannot afford soccer club fees.

Started in 2015, the league has grown to 3 seasons per year. Each season has over 60 teams and 600 youth participants and volunteer coaches. Although mostly boy participants, the league is considered coed with 20-30 girls participating each weekend. League matches are officiated by trained officials and played on weekends at Ortega and Dwight Murphy parks.

Oscar García has always had a love for soccer. He did not have the opportunity to play on a soccer team, much less in a tournament, as a youth due to the fees associated with playing in organized sports. As a father, Oscar was interested in providing his son and other youth passionate about soccer the opportunity to play locally in Santa Barbara.

Starting a new league in Santa Barbara was not an easy task, requiring money and the ability to hurdle lots of challenges. A very important supporter was David Mora. David was very interested in Oscar's idea and asked Oscar to make a list of what he needed for the league. When Oscar provided the list, David delivered his support. Oscar's goal is to ensure opportunities for our local youth to play in affordable soccer programs continues to be offered and grow.

Russ Hargreaves was a dedicated member of the Santa Barbara Recreation Department. He spent a lifetime creating opportunities for others to enjoy the benefits of recreational activities. He loved jogging and was committed to total body fitness. He knew that a healthy mind and body were the first steps to a happy and productive life. This award is given to a person recognized by the Parks & Recreation Department as a leader in maintaining quality sports programs

R.F. MacFarland Memorial Award

JANE CAIRNS, REEF AND RUN

Ocean swimming is Jane Cairns' passion, and, with the Pacific as her backyard, she wanted a way to share that passion with the community. When the idea of a weekly ocean swim was hatched 11 years ago, Cairns launched Reef and Run, a premiere weekly ocean swim race series on the South Coast. Cairns, with the help of an all-volunteer support network, orchestrates the Reef and Run series that offers three swim race lengths, 500m, 1000m (1k), and 1-mile. On occasion, a biathlon consisting of a 1k swim and 3k beach run is offered. Each season concludes with the extremely popular one-mile Boat to Beach swim, and an awards ceremony.

What started with 40 swimmers has grown to weekly average of 200, with more than 2500 athletes participating over the 13-week summer series on Thursday evenings at East Beach. Every Thursday, athletes ranging from 7 to 75 years of age line up to participate in one of the three race distances and then stay after to watch the sunset while enjoying food, drinks, live music, and camaraderie.

Cairns and the Reef and Run Committee are committed to supporting the next generation of ocean-loving swimmers and have raised over \$22,000 to support the Santa Barbara Junior Lifeguard Program and the Nick Johnson Scholarship Fund. If the Reef and Run series is not enough, Jane continues to pursue her passion by hosting the annual Semana Nautica 6-Mile Ocean Swim for the past 20 years, and serves as a board member and observer for the Santa Barbara Channel Swimming Association, helping swimmers safely cross the channel from the mainland to the islands.

R.F. MacFarland was one of the founders of Semana Nautica in 1936. This award is given annually to the person or organization who best exemplifies community leadership in the area of sports and athletics. It is sponsored by The City of Santa Barbara Parks and Recreation Department, local media and the Semana Nautica Association.

Master Athlete Award

2019

RON BOEHM

Racing in the 2008 Nationals off of Angel Island on SF Bay.

Sailing at the competitive level is physically and mentally challenging. Competing at the elite level requires the sailors to be highly fit and agile, as well as tactically and mechanically aware. To compete at this level for any length of time takes commitment – to compete at this level for over 46 years, makes you a “master of the sport.” Ron Boehm learned to sail locally with the Sea Shells program - starting when he was 8 years old. And he has been raising the sail ever since! A Santa Barbara local since 1960, Ron attended Wooster College where he was the team captain of the sailing team in 1974/75.

After Wooster, he attended Cal where he received his MBA and then went on to Hastings for his JD....no doubt finding time to test his skills in the waters of the San Francisco Bay.

He has represented the SB Yacht Club in competitions for 52 years – and has raced International 14's for over 46 years including 18 World Championships from 1985 to 2018 - the most of any 14 sailor. His list of titles is long and impressive and includes being the National Champion in 1990 and 2004 and the Santa Cruz 27 National Champion in 2014. He also received the Santa Barbara Yacht Club – Outstanding Out-of-Town Result in 2004 and 2014. He crewed the Pacific Cup SF – Hawaii in 1984 taking 1st. He completed the Transpac LA – Hawaii in 1985.

When asked what his greatest accomplishment in sailing might be – Ron responded, “I’ve been blessed to have had more than forty years sailing a really fun high-performance boat, while competing against great friends from around the world who include Olympians, and world champions. I’ve had the chance to compete at the highest level in our class in fantastic destinations in England, Germany, Canada, Japan, New Zealand, and Australia.”

And what keeps him committed to his sport after so many years? “What I love most about sailing is the variety. No two races are alike. The wind, waves, and current vary constantly, there is no track to follow as you move around the course, and you constantly have to strategize and outsmart your opponents. Sailing a two-hour race is both physical and mental.”

Congratulations to this year’s MASTER ATHLETE, Ron Boehm!

This award was established and endowed by Louise Lowry Davis to encourage the continued participation in competitive sports, regardless of age. It is given for achievement by an athlete over the age of 40 years.

DAVID BREGANTE

SB High School - Boys Basketball Coach

Long before he started coaching at Santa Barbara High, Dave Bregante played basketball there and graduated in 1961. He went on to SBCC where he played for Coach Weist. Then he moved across town to Westmont and played

basketball under Coach Tom Byron. He graduated with a degree in history and obtained a teaching credential and began his coaching career there in 1969. He would go on to teach and coach at SBJHS and Rio Mesa until he retired in 2007.

When Bregante's son, Joe started playing basketball as a freshman at SBHS, Dave returned to SBHS to help coach the frosh/soph team. After a handful of successful years with that team, he was asked to take over the varsity team in 2011. Along the way, his whole family got involved – son, Joe, as an assistant coach; wife, Davey keeping statistics; and daughter, Leah working the video camera. And the records his team accomplished in the past 8 years speak for themselves:

- 3 Straight CIF Semifinals (School Record, County Record)
- 4 CIF Semifinal appearances in 8 years (School Record, County Record)
- 4 Straight Channel League Championships (School Record)
- Most points scored in a single game (School Record)
- Highest per game scoring average for a whole season (School Record)
- Most total points scored in season (School Record, County Record)
- Most 3-pointers made in a single game (School Record, County Record)
- 5 Channel League Championships in an 8 year span (Tied School Record)
- Most League Games won over an 8 years span (School Record)
- Most Consecutive Channel League Victories (School Record)
- Longest time period between Channel League losses (School Record)
- Streak of 39 wins in 40 league contests (School Record)
- Most Channel League MVP's in an 8 year span (School Record)
- Most All-Channel League 1st Team Selections over an 8 year span (School Record, League Record)
- Most All-Channel League 2nd Team Selections over an 8 year span (School Record, League Record)
- Most Channel League Coach of the Year Awards over an 8 year span (School Record, League Record)
- 2016 CIF State Coach of the Year (1st in School History)
- Most CIF STATE Playoff games won over an 8 year span (4) (School Record, County Record)
- Most tournaments won in a single season (School Record)
- Most games won in a single season (School Record)

College Coach of the Year

2019

ANDREW CHECKETTS

UCSB - Men's Baseball Coach

Andrew Checketts is in his eighth season as the head coach of the UCSB baseball program. He has an all-time record of 262-172-4 with UCSB and is the program's all-time leader in overall winning percentage (.603).

The 2019 season has been phenomenal for Checketts and his Gauchos – as of April 24th, their record is 31-5. And they are ranked No. 6 in the nation (highest ever was No. 5 in 1986). Under Checketts' leadership the Gauchos are currently riding a 13-game win streak which sets a new program record for UCSB. They had a 12-game winning streak earlier in the season which tied the record.

As the season heads towards the final few weeks, the Gauchos are in first place in the Big West with an 8-1 conference record – and will be seeking their first conference title since 1986 with a record of 20-1 record at home, 11-4 on the road 11-0 in series openers. They have won all eight, three-game series they have played -including six sweeps.

During his tenure, UCSB has had 39 Major League Baseball draftees, four All-America selections (Brett Vertigan in 2012, Joey Epperson in 2014, Dillon Tate in 2015, Shane Bieber in 2016), six Freshman All-America picks, the 2015 Big West Co-Field Player of the Year (Cameron Newell), and 44 All-Big West honorees.
