# President's Message

by Alison Bernal

Welcome to the 2023-2024 Evening with the Athletes Event. Tonight, we have the privilege of honoring some of the best and brightest athletes in each of their respective sports. Since 1968, the Santa Barbara Athletic Roundtable has been recognizing athletes and athletic leaders in our community for their hard work and dedication – on the field, on the court, in the pool, and in the community. Past winners of Athlete of the Year and the SBART scholarships have gone on to win NCAA titles, Olympic Gold medals, Super Bowls, and nearly every college academic recognition possible.

Thank you to everyone in attendance tonight for supporting our local student-athletes, coaches, and the Santa Barbara Athletic Round Table. And a very special thank you to UCLA Health, who is our generous sponsor for tonight's event.

I want to recognize the hard-working members of the SBART Board of Directors. The SBART has no paid staff; every member generously donates his or her time to this organization. It is a true "working board," with countless board meetings, committee meetings, luncheons, and long hours spent. Through our board members' generosity of time, and the financial generosity of our sponsors, the SBART mission of honoring local Santa Barbara athletes has been able to continue these past 55 years.

I want to particularly thank past presidents Gene Deering and Ken Newendorp, as well as Tim Nightingale for organizing this event, and Matt McClenathen for preparing this program. They have worked tirelessly to ensure each winner is properly highlighted and that the event goes off perfectly. We truly appreciate their effort.

Over my past two years as president, I had the opportunity to meet hundreds of our local student athletes and coaches at the weekly Monday luncheons. I am continually amazed at the quality of athletes, students, and coaches that our community produces. It has been an incredible honor to hear their stories every week. Thank you as well to our local sports media who cover each of our luncheons, working together to honor our student athletes with weekly and end-of-year awards, and for publicly sharing all the great sports stories from our high schools, colleges, and beyond.

And thank you to the athletes' families for their support of their children on and off the field. I want to particularly thank my family – my husband Eric, and children Hannah (10), Linnea (9), and Bennett (5) who have been exceedingly patient with me as I juggle the SBART, work, and parenting. I hope one day my children get the opportunity to attend a luncheon and give back when their playing days are over.

We are excited to honor the diverse group of athletes, coaches, and community leaders who make up the 2023-2024 Evening with the Athletes.

Sincerely,

Alison Bernal

# SBART Founders

2024

SBART Founders

More than five decades ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could help the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: The advancement and betterment of all sports and athletics in the greater Santa Barbara area.

The SBART got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting, and over 200 joined that evening as Charter Members.

The SBART's first annual banquet was held at Santa Barbara City College on June 22, 1968. Through membership dues, contributions, fundraising events and local foundations, the Round Table has raised more than \$2 million for local athletics.

Harry's Plaza Café was the site of the SBART's first press luncheon held on September 14, 1970. The luncheons, initiated by the new president, Bill Bertka, were similar to a "Monday Morning Quarterback Club." All area schools were represented by the head coaches of the sports in season. For over four decades the SBART luncheons have been held at Harry's every Monday, attended by standing-room-only crowds.

Since its first meeting back in 1968, the Santa Barbara Athletic Round Table has helped thousands of individuals and organizations by raising funds to support their athletic programs. The Round Table is proud to help student-athletes at all levels compete in events they would otherwise not have been able to attend.

It is with our deepest regards and warmest thanks that we acknowledge and celebrate the vision and hard work of our founders, Caesar Uyesaka, Jerry Harwin and Bill Bertka.

## Mission Statement

The mission of the Santa Barbara Athletic Round Table is to recognize and support athletic participation as an important means of fostering discipline, teamwork, self-respect, personal responsibility, and camaraderie.

The SBART provides a public forum for area athletic coaches and athletes; grants financial support to organizations, teams, and individuals to further their participation in sports; and publicly honors athletic performance, scholastic achievement and exemplary ethical behavior.

# 2024

The Santa Barbara Athletic Round Table Scholar Athlete of the Year Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who also maintain strong academic and extra-curricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extra-curricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It is also a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present this year's recipients.

### TELEIOS ZERMENO

Teleios Zermeno is currently a senior at Providence with a 4.5 GPA and plans to go to Rennselaer Polytechnic Institute. He aims to pursue a bachelor’s degree in engineering, driven by his fascination with how the world works and his desire to create effective designs that positively impact lives. Teleios has a deep love for sports, actively participating in ice hockey, volleyball, rock climbing, mountain biking, running, and swimming. He also dedicates his time to coaching at the ice rink, where he runs drills and encourages younger kids in the sport he loves. He values education highly, inspired by his mother’s sacrifices to provide the best for him and his sister. Teleios writes, “I pursue excellence because I value doing my best to serve others in the world; this is my motivation for success.”

# Russ Morrison Memorial Golf Scholarship

## JASMINE ZUKOR

Jasmine Zukor is a senior at Santa Barbara High School and is set to attend Chapman University to major in graphic design, aiming for a career in visual communications and design. A passionate artist, Jasmine excels in various forms, from painting and ceramics to music and dance. She is captain of her high school girls' golf team and has been on the varsity team since freshman year. Jasmine also babysits, works at an after-school program, and serves as a summer camp counselor. As the board president of the Keiki Paddle, she organizes fundraising events for children with life-threatening illnesses. Jasmine looks forward to collaborating with other creatives, utilizing new technologies, and making lasting connections in college. "Art has always been a crucial way for me to express myself and connect with others," she says.

# Larry Crandell Memorial Scholarship

## AIDEN KNEAFSEY

Aiden Kneafsey is a senior at Santa Barbara High School and will be attending Cal Poly, San Luis Obispo, to major in business marketing. His interest in communication and media was nurtured through the Media Arts and Design Academy at his high school, where he took courses in film, art, and digital design. Aiden's dedication extends beyond academics. He earned the rank of Eagle Scout, serving as a Senior Patrol Leader and embracing the Scout Oath as part of his personal code of conduct. As a dyslexic student, Aiden values the support that has helped him succeed academically. This scholarship will enable him to focus on his studies without the need to work 20 hours a week, allowing him to fully embrace the college experience. "This scholarship represents more than the finances; it also shows community support that means the world to me," he says.

## SBART Founders Scholarship

### BROOKLYN GURON

Brooklyn Guron, a 2023 graduate of Bishop Diego High School, is currently in his first year at American University, majoring in psychology with plans to become a lawyer. He achieved a 3.82 GPA in his first semester in the fall and remains dedicated to his academic pursuits. Inspired by his professors, including former Army prosecutor Kevin Boyle and DOJ Assistant Director Vince Shuler, Brooklyn is passionate about his studies and aims to make a meaningful impact in the field of law. He also contributes to character development and leadership skills among young boys from diverse backgrounds through his work at an afterschool program, Life Pieces to Masterpieces. Reflecting on his educational journey, he says, "I'm very grateful because so far, my college education has been fascinating; giving me new perspectives and being able to explore topics I'm passionate about."

## Jim Ranta Memorial Scholarship

### ARLENE MIGUEL

Arlene Miguel, a senior at Dos Pueblos High School, is passionate about biomedical engineering, and will attend UC Merced in the fall. She aims to make a difference in people's lives through innovative prosthetic technology. Inspired by her first experience crafting a prosthetic arm from recycled materials, Arlene is determined to pursue a PhD in biomedical engineering, with a focus on tissue engineering to develop more effective prosthetics. Beyond her academic pursuits, Arlene actively engages in her community through volunteering with organizations such as the Santa Barbara Trust for Historic Preservation and the Dos Pueblos Engineering Academy, where she shares her passion for science and engineering with Spanish-speaking families. "This scholarship will allow me to focus more on my studies than if I had to work a full-time job to pay tuition and it will allow me to give back to my community when I become a biomedical engineer."

## TED AND NEVIN PALLAD

In the summer of 2016, Ted and Nevin Pallad and their four children decided to relocate from Palos Verdes, California, to Santa Barbara. Their primary motivation was to live closer to family and to introduce their children to the superior quality of life that Santa Barbara offers. Nevin was born and raised in Santa Barbara, and she is delighted to return and introduce Flag Football League (FNL) to her friends and family. Ted played tackle football for four years while growing up in Orange County. He is excited for his children to play football without the concern of potential head injuries associated with contact sports. FNL provides a safe, fun, and exciting environment for children of all ages to enjoy. Family is the foundation of FNL, and we strive to provide everyone with unforgettable memories.

Russ Hargreaves was a dedicated member of the Santa Barbara Recreation Department. He spent a lifetime creating opportunities for others to enjoy the benefits of recreational activities. He loved jogging and was committed to total body fitness. He knew that a healthy mind and body were the first steps to a happy and productive life. This award is given to a person recognized by the Parks & Recreation Department as a leader in maintaining quality sports programs

# Master Athlete Award

## MAGGIE MASON

Maggie Mason became a long-distance runner by accident. In a bid to shed some weight and become more fit, she began commuting by bicycle to her job as an English teacher at Dos Pueblos High school, making the 24-mile round trip every day. With her usual resolve and determination, when faced with 50 MPH Santa Ana winds about four months into her program, Maggie soldiered on, never missing a day, but blowing out both knees in the process. After she recovered, her doctor told her to change her exercise routine, so she started running. Unschooled in the different energy demands of biking and running, Maggie thought she needed to run the same number of minutes as she formerly biked each day, so she started out her running program with 50-mile weeks. She fell in love with distance running, and ran her first marathon in March of 1998, finishing in 4:42. When she crossed the finish line, her first thought was, "I can do better than this!"

That was over 25 years ago. Since then, Maggie has ran 28 marathons, including 9 Boston Marathons, two National Masters Marathon Championships where she placed 2nd in her age division, and winning or placing in her age category in 11 marathons to date. For over a decade, Maggie has been running national-class times in both local and national races, and she recently clocked a world-class time in the Ventura Half Marathon in February. Other highlights were finishing 3rd overall/ 1st Masters at the Avenue of the Giants Marathon; running her personal best time of 3:16 at age 51; breaking the course record for her age division in the California International Marathon at age 60; and coming in 6th in her AG at Boston during the worst weather in the history of the race, in 2018.

Now retired from teaching, Maggie lives with her husband Jeff and her 19-year old cat, Zoe—another long hauler! Running has given her a profound connection to life, vibrancy and friendship in her running community, as well as instilling resilience and endurance, which spills over into daily life lessons—she's learned to be more comfortable with discomfort, to ride out the bad patches, to hunker down for the miles ahead. Maggie attributes her longevity as a consistently high performer to her own inherent stubbornness and drive; to the wisdom of her coaches, Mike Swan and Rusty Snow; to the camaraderie and shared commitment of so many of her fellow runners in Santa Barbara Running and Racing; and to her willingness to back off when she feels flat or strained. "Whenever running becomes drudgery instead of joy, it's time to regroup. I always come back stronger and more exuberant."

This award was established and endowed by Louise Lowry Davis to encourage the continued participation in competitive sports, regardless of age. It is given for achievement by an athlete over the age of 40 years.

## OLIVIA PERDICES

### Santa Barbara High School Cross Country

Coach Perdices guided the Dons to their best cross country season in program history, winning the CIF-SS championship over a stacked field. They followed that up by winning their first ever CIF state title. As a result, she was named the CCA State Cross Country Coach of the Year. She has also helped lead the Dons to a strong Track & Field season where several individual athletes reached the CIF Masters Meet.

## BRIAN CHUCKIE ROTH

### Santa Barbara City College Women's Water Polo & Swimming

Coach Chuckie led Santa Barbara City College to its best season in the pool in school history across two sports this school year. In the fall with women's water polo, the Vaqueros finished with a record-breaking 37-1 record and a 3C2A State Title. This spring, he coached many of the same student-athletes to a 3C2A State Title in Girls Swimming, the program's first state championship.

An Evening  
with the Athletes

Be sure to visit us on our website at

[www.sbart.org](http://www.sbart.org)

For over fifty years our organization has supported student athletes in the greater Santa Barbara area.

Each year we have been able to give more than 1,000 student athletes and coaches a well deserved pat on the back and extra encouragement to help them become better citizens. To this day we have no paid staff and no office. All your support goes directly to the student athletes.
