President's Message

by Bryan Cornet

Welcome to the 2024–2025 Evening with the Athletes. Tonight, we celebrate the accomplishments of some of the finest student-athletes, coaches, and leaders from across our community. Since 1968, the Santa Barbara Athletic Round Table has proudly recognized local excellence in athletics, academics, and character—on the field, in the pool, on the court, and far beyond. Many of tonight's honorees join a long tradition of SBART award winners who have gone on to achieve incredible things at the collegiate, Olympic, and professional levels.

Thank you to everyone in attendance for supporting our local student-athletes and their families, and for continuing to uplift the values of dedication, teamwork, and leadership that define athletic achievement in Santa Barbara. A special thank you to UCLA Health, our presenting sponsor, for their generous support of tonight's event.

I also want to recognize the incredible members of our SBART Board of Directors. This is a true working board—there are no paid staff members—just dedicated individuals who volunteer their time to keep this organization running year-round. Their commitment, along with the generosity of our sponsors and the continued support of our paid members, allows SBART to continue its mission more than five decades strong.

My sincere thanks to the Evening with the Athletes committee and volunteers—Gene Deering, Tim Nightingale, Rich Hanna, Matt McClenathen, Aaron Martinez, Jason Nelson, Ken Newendorp, and LaDeane Hansten—for their efforts behind the scenes to bring this event to life. Your time, leadership, and attention to detail make tonight truly special.

Over the past year, I've had the privilege of meeting many of these athletes and coaches at our Monday luncheons. Those weekly moments offer a glimpse into the drive, character, and sportsmanship that define tonight's honorees. I'm especially grateful to the coaches and athletic directors who regularly make the effort to get their athletes to those events—often adjusting their own schedules so we can properly recognize their teams. As a father of two small children, I'm constantly inspired by the role models we have in this community, and it gives me great pride to know my kids are growing up in a place that values excellence, humility, and hard work.

We are honored to recognize this year's outstanding group of student-athletes, coaches, and leaders at the 2025 Evening with the Athletes.

Sincerely,
Bryan Cornet

SBART Founders

2025

SBART Founders

More than five decades ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could help the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: The advancement and betterment of all sports and athletics in the greater Santa Barbara area.

The SBART got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting, and over 200 joined that evening as Charter Members.

The SBART's first annual banquet was held at Santa Barbara City College on June 22, 1968. Through membership dues, contributions, fundraising events and local foundations, the Round Table has raised more than \$2 million for local athletics.

Harry's Plaza Café was the site of the SBART's first press luncheon held on September 14, 1970. The luncheons, initiated by the new president, Bill Bertka, were similar to a "Monday Morning Quarterback Club." All area schools were represented by the head coaches of the sports in season. For over four decades the SBART luncheons have been held at Harry's every Monday, attended by standing-room-only crowds.

Since its first meeting back in 1968, the Santa Barbara Athletic Round Table has helped thousands of individuals and organizations by raising funds to support their athletic programs. The Round Table is proud to help student-athletes at all levels compete in events they would otherwise not have been able to attend.

It is with our deepest regards and warmest thanks that we acknowledge and celebrate the vision and hard work of our founders, Caesar Uyesaka, Jerry Harwin and Bill Bertka.

Mission Statement

The mission of the Santa Barbara Athletic Round Table is to recognize and support athletic participation as an important means of fostering discipline, teamwork, self-respect, personal responsibility, and camaraderie.

The SBART provides a public forum for area athletic coaches and athletes; grants financial support to organizations, teams, and individuals to further their participation in sports; and publicly honors athletic performance, scholastic achievement and exemplary ethical behavior.

Scholar Athletes of the Year

The Santa Barbara Athletic Round Table Scholar Athlete of the Year Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who also maintain strong academic and extra-curricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extra-curricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It is also a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present this year's recipients.

CARTER BATTLE

Carter Battle is a senior at Santa Barbara and plans to study kinesiology in college, inspired by his experience overcoming a torn ACL and discovering a passion for the human body's ability to heal and thrive. His recovery journey, supported by his coach, physical therapist, and trainer, ignited his goal of becoming a physical therapist to help others rediscover their strength. A committed athlete, Carter is a three-year varsity basketball captain and four-year varsity track athlete, earning recognition as Santa Barbara County High Jump Champion and placing in the state's top 10 as a sophomore. He is also a writer for *The Forge*, serving as Sports Editor for two of his four years on staff. Beyond sports and journalism, Carter is a member of the Black Student Union and a founding member of the Digital Detox Club, promoting healthier technology habits. With over 250 hours of community service, including leading AVID Summer Bridge programs and youth basketball camps, Carter is committed to making a positive impact through mentorship, education, and physical wellness.

GABRIELA GOMEZ

Gabriela Gomez is a senior at Orcutt Academy Charter and will attend Cal Poly San Luis Obispo to major in Business Administration with a focus on marketing. Known affectionately as “D1 Yapper” in her yearbook, Gabby has always had a love for talking—but it wasn’t always that way. As one of the few Latina girls in her hometown, she often felt like an outsider and silenced herself to avoid standing out. Moving to Santa Maria and finding a strong Latino-American community helped her reclaim her voice and

inspired her to pursue a career in marketing and design. She aims to tell the stories behind brands, believing that each product holds a unique narrative, just like her own. Gabriela is deeply motivated by her father’s sacrifices—leaving behind everything in Guatemala to give her new opportunities. To her, this scholarship is more than financial aid; it’s a symbol that his sacrifices were meaningful. “College is not only about earning a degree,” she says. “It is also about proving that his struggles were worth it.”

Larry Crandell Memorial Scholarship

ADAIR ROSAS

Adair Rosas is a senior at Santa Barbara High and will attend the University of Oregon to major in Business, with plans to pursue a career in sports management or open a resale store in his hometown. Inspired by the lack of local resale shops, he hopes to create a space that sells shoes, clothes, and more. Another path he’s passionate about is becoming an equipment manager for a college or professional sports team, a role he’s already gained experience in through his high school football program. In addition to football, Adair has participated in baseball and wrestling and now serves

as an equipment manager for the football team. He is also president of the Don Riders, a student club that sells school merchandise and supports campus events. Outside of school, he works at the Santa Barbara Zoo as a Guest Service Ambassador, assisting with tickets, parking, and customer service. “This scholarship means everything to me and my mom,” Adair says. “She’s a single parent, and this helps relieve the stress we’ve felt about college. I’m truly grateful.”

SBART Founders Scholarship

GIANNA MANDARINO

Gianna Mandarino is a senior at San Marcos High School and will attend the University of Colorado Boulder to study Business Management. Inspired by her father's hard work building a property management company, Gianna is driven to create her own business that blends entrepreneurship with environmental activism. She dreams of designing sustainable outdoor apparel and gear, following the example of companies like Patagonia. As a leader on her varsity basketball team, Gianna motivates her teammates and pushes herself to improve. She earned MVP as a freshman, most inspirational as a sophomore, and has served as team captain in both her junior and senior years. Basketball taught her resilience and leadership, shaping who she is today.

"I'm honored to receive this scholarship," Gianna says. "It lifts the financial burden of attending my dream school and makes all my hard work feel worthwhile."

Jim Ranta Memorial Scholarship

FRANCESCA COURT

Francesca Court is a senior at Dos Pueblos High School and will attend California Lutheran University to major in Human Sciences, aiming to become a physical therapist. Her passion for kinesiology and sports medicine drives her desire to help others heal and reach their full potential. Francesca balances academic excellence with a commitment to supporting those around her.

She has played water polo for nine years with the Santa Barbara 805 Water Polo Club and serves as a team captain at Dos Pueblos. Francesca also founded *Fuel for Athletes*, a club promoting healthy eating and body positivity. Her community service includes teaching ocean safety and swim lessons through UCSB's Jr Lifeguard Program.

"This scholarship lets me focus on my dreams while easing the financial strain on my parents, who have worked hard to support me," Francesca says.

ARLETTE GODGES

Arlette Godges is a lifelong athlete who started swimming at a young age in her hometown in Switzerland and quickly fell in love with being in the pool and training. When presented the opportunity to continue to swim and go to University she jumped at the chance and decided on UCSB. After graduation, she continued to swim for fun on various Masters Teams. The love for competing and the joy of the community has sustained her swimming and led to a 40-year post college swim resume.

Arlette has been an active member of United States Masters Swimming for 25-years who returned to active competition in 2003 when asked to join her fellow UCSB alumni at a Masters Nationals swim meet. Most years she has competed at Nationals in both short course yards and long course meters and has attended 4 World Aquatics Masters Championships. A few other fun local meets round out the yearly calendar which also serve as great opportunities to connect with friends and be challenged while amassing countless top ten rankings, national championship and all-American patches that are represented in a fun array of colorful medals. Arlette has been an essential part of 10 World record relays over the years, 5 of those were swam last year with her competition team, Team Redbird. Although sprint butterfly and freestyle are her favorite events, she most recently won the 50m fly and 100m freestyle and placed 2 nd in the 100m fly and 50m freestyle and placing 4 th in the 50m breaststroke during the World Aquatic Masters Championships in Doha, Qatar. For 2025, the team is set to earn 3 more world records in Singapore.

Arlette loves training as it is a reset from busy days. She enjoys times with friends and teammates in and around the pool deck. Arlette is a Physical Therapist in Santa Barbara and can be found on Instagram@ageupwell and is part of the coaching team for the Santa Barbara Master's program which is inspiring and fun and provides a way of giving back to a sport she loves. She feels grateful to have a passion that keeps her fit, represents a lifestyle and is accessible for all decades of life!

This award was established and endowed by Louise Lowry Davis to encourage the continued participation in competitive sports, regardless of age. It is given for achievement by an athlete over the age of 40 years.

An Evening
with the Athletes

Be sure to visit us on our website at

www.sbart.org

For over fifty years our organization has supported student athletes in the greater Santa Barbara area.

Each year we have been able to give more than 1,000 student athletes and coaches a well deserved pat on the back and extra encouragement to help them become better citizens. To this day we have no paid staff and no office. All your support goes directly to the student athletes.
