## President's Message

Welcome to the 2025–2026 Evening with the Athletes. Tonight, we celebrate the accomplishments of some of the finest student-athletes, coaches, and leaders from across our community. Since 1968, the Santa Barbara Athletic Round Table has proudly recognized local excellence in athletics, academics, and character on the field, in the pool, on the court, and far beyond. Many of tonight's honorees join a long tradition of SBART award winners who have gone on to achieve incredible things at the collegiate, Olympic, and professional levels.

Thank you to everyone in attendance for supporting our local student-athletes and their families, and for continuing to uplift the values of dedication, teamwork, and leadership that define athletic achievement in Santa Barbara. A special thank you to UCLA Health and THE LAB, our title sponsors, for their generous support of tonight's event.

I also want to recognize the incredible members of our SBART Board of Directors. This is a true working board with no paid staff, just dedicated individuals who volunteer their time to keep this organization running year-round. Their commitment, along with the generosity of our sponsors and the continued support of our paid members, allows SBART to continue its mission more than five decades strong.

My sincere thanks to the Evening with the Athletes committee and volunteers: Gene Deering, Tim Nightingale, Jason Nelson, Alec Bruce, Cara Gamberdella, Kristin Wise, LaDeane Hansten, Aaron Martinez, Rick Wilson, David Monico, and Marcus Madrigal for their efforts behind the scenes to bring this event to life. Your time, leadership, and attention to detail make tonight truly special.

Throughout this school year, I've had the privilege of meeting many of these athletes and coaches at our Monday luncheons. Those weekly moments offer a glimpse into the drive, character, and sportsmanship that define tonight's honorees. I'm especially grateful to the coaches and athletic directors who regularly make the effort to get their athletes to those events, often adjusting their own schedules so we can properly recognize their teams. As a father of two small children, I'm constantly inspired by the role models we have in this community, and it gives me great pride to know my kids are growing up in a place that values excellence, humility, and hard work.

Tonight also marks the conclusion of my two-year term as President of SBART. It has truly been one of the greatest honors of my life to serve this organization and our community. I am excited to officially pass the torch to Gabe Grandcolas, who I know will continue to move SBART onward and upward in the years ahead.

We are proud to recognize this year's outstanding group of student-athletes, coaches, and leaders at the 2026 Evening with the Athletes.

Sincerely,

Bryan Cornet  
President, Santa Barbara Athletic Round Table

*President's Message*

# SBART Founders

2026

SBART Founders

More than five decades ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could help the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: The advancement and betterment of all sports and athletics in the greater Santa Barbara area.

The SBART got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting, and over 200 joined that evening as Charter Members.

The SBART's first annual banquet was held at Santa Barbara City College on June 22, 1968. Through membership dues, contributions, fundraising events and local foundations, the Round Table has raised more than \$2 million for local athletics.

Harry's Plaza Café was the site of the SBART's first press luncheon held on September 14, 1970. The luncheons, initiated by the new president, Bill Bertka, were similar to a "Monday Morning Quarterback Club." All area schools were represented by the head coaches of the sports in season. For over four decades the SBART luncheons have been held at Harry's every Monday, attended by standing-room-only crowds.

Since its first meeting back in 1968, the Santa Barbara Athletic Round Table has helped thousands of individuals and organizations by raising funds to support their athletic programs. The Round Table is proud to help student-athletes at all levels compete in events they would otherwise not have been able to attend.

It is with our deepest regards and warmest thanks that we acknowledge and celebrate the vision and hard work of our founders, Caesar Uyesaka, Jerry Harwin and Bill Bertka.

## Mission Statement

The mission of the Santa Barbara Athletic Round Table is to recognize and support athletic participation as an important means of fostering discipline, teamwork, self-respect, personal responsibility, and camaraderie.

The SBART provides a public forum for area athletic coaches and athletes; grants financial support to organizations, teams, and individuals to further their participation in sports; and publicly honors athletic performance, scholastic achievement and exemplary ethical behavior.

# Scholar Athletes of the Year

Generously Sponsored by  
Marc Gamberdella of the Gamberdella-Spruill Group at Merrill Lynch

2026

The Santa Barbara Athletic Round Table Scholar Athlete of the Year Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who also maintain strong academic and extra-curricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extra-curricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It is also a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present this year's recipients.

## 2025-26 Scholar Athlete of the Year Awards

Jaymi Coronado	Bishop Diego
Dane Polchin	Santa Barbara
Rio Chesluk	San Marcos
Jae Wykoff	Cate
Annika Haugen	Providence
Vivian Huskins	Carpinteria

## Phil Womble Memorial Ethics in Sports Scholarship

**CHARLOTTE COONEY**

My goal is to study sports medicine in college and hope to become an athletic trainer. The study of human anatomy has really inspired me to be more interested in school this past year. Academics has not come as easily to me, but I was greatly surprised to find that I would actually be excited to go to my anatomy class every day. As an athlete, I found it fascinating to learn how the body works together to perform daily tasks or more complicated movements. I realized that I could tie my love for sports into a career.

Outside the classroom, I am a four-sport varsity athlete, playing tennis, basketball, soccer, and baseball at Carpinteria High School. My dad is a baseball coach, so growing up, I spent a lot of time at the field. I'm also on the Carpinteria Surf Team and like to spend as much time as I can in the water.

This scholarship means the world to me. This makes it possible for me to help my parents send me to college and represent Carpinteria in a new environment. I look forward to the opportunity to learn more and connect my academic and athletic interests into a degree and potential future career.

# Russ Morrison Memorial Golf Scholarship

## DUKE PARKER

Academically, my goal is to learn new things about business ownership through higher education. I want to push myself to learn and grow as much as possible, so when I graduate, I will be set up for success. Whether I start my own business or pursue a career in the field of business management, I will be proud to have financial stability and a career that interests me.

A few ways I like to spend my time outside of the classroom are golfing and skating. Last summer, I got back into golf because many of my friends encouraged me to, and I'm happy they did. I golf almost every day. I even made the golf team this year with all of my friends. I have also been skating on and off since I was young. I love seeing younger kids out at the skate parks because I feel like I can be a good influence on them.

This scholarship means a lot to me. It will take the pressure off my parents and me so that I can focus on my classes and work without feeling so stressed about money. This scholarship means that I can take this big step towards being independent.

# Larry Crandell Memorial Scholarship

## BRYSEN MARTINEZ-STILES

Growing up, the thought of college never crossed my mind. It wasn't until my freshman year of high school that I knew I wanted to apply. Now, it is my goal to attend a four-year college not only to further my education but also to make a difference in the world. I would like to major in business marketing, and I aspire to work at a nonprofit organization, where I can help people, especially those in need.

During the last four years at Bishop Garcia Diego High School, I had the pleasure of playing soccer, baseball, track, and football. Being a student athlete has taught me about being a man with integrity and respect. One of the most meaningful experiences I had was volunteering at Cottage Hospital. This experience gave me a sense of compassion and helped me further understand what I want to do in the future.

This scholarship means more than words can explain. It means people believe in my future just as much as I do.

# Jim Ranta Memorial Scholarship

## MICAH SMITH

My goals are to complete high school with a 4.0 unweighted GPA. Then, I plan to attend a four-year undergraduate school to obtain a bachelor's degree, followed by four years of medical school. This will lead to a hospital residency and, ultimately, a career as an anesthesiologist. As an anesthesiologist, I can apply my scientific knowledge and interests to helping people in need.

Outside of the classroom, I am a varsity player for my school's water polo, basketball, and baseball teams. These sports teams mean the most to me out of all my extracurricular activities because they allow me to stay physically fit and build lasting, meaningful relationships with my teammates. This will be extremely important in a hospital environment, where I will be working with a team of doctors during procedures or surgeries. I also work as a lifeguard at the Carpinteria Community Pool.

Thank you so much for this scholarship, which supports me as I take a step toward my future. I have always wanted to attend Westmont College.

### MILES EVANS

Born and raised in Santa Barbara, Miles went to Dos Pueblos High School where he first started playing volleyball. After graduating from DPHS, he attended Santa Barbara City College where he became the State leader in kills during 2010 before transferring to UCSB to finish out his college career.

After completing as a successful high school and collegiate athlete, Miles moved to Hermosa Beach to pursue a beach volleyball career and after winning his first National Volleyball League title in 2015, he went on to qualify for his first professional event in 2016 where took 5th place. Miles continued to have success while playing in professional and international events but had aspirations for representing the USA during the Olympics. Miles partnered with Chase

Budinger in 2023 and qualified to represent USA in beach volleyball for the 2024 Paris Olympics where they placed 9th. Building on their international and olympic success they returned and won the Association of Volleyball Professionals (AVP), the premier professional beach volleyball league at Manhattan Beach in 2025 and solidified their names on the pier for the rest of time with all the beach volleyball greats. Miles continues to compete in AVP and international events with the goal of qualifying for and representing the USA during the 2028 Olympics in Los Angeles.

## Master Athlete Award

### DAYNE GINGRICH

Dayne Gingrich is a senior professional pickleball player, mental performance coach, and best-selling author known for his intensity, strategic mindset, and passion for helping others perform at their highest level. A Dos Pueblos HS graduate, Santa Barbara City College All-American tennis player, and recent inductee into the SBCC Hall of Fame, Dayne transitioned from elite tennis competition into professional pickleball, where he has won over 70 senior pro gold medals, including 8 National Championships and 8 US Open Championships.

Beyond competition, Dayne is dedicated to teaching the mental side of performance — helping athletes develop focus, resilience, discipline, and decision-making under pressure. His coaching philosophy is built on the belief that matches are won not simply by the shots we hit, but by the strategic and psychological puzzle we solve. Through his coaching, writing, and speaking, Dayne inspires athletes and teams to think bigger, push beyond perceived limits, and perform at their best, both on and off the court.

---

This award was established and endowed by Louise Lowry Davis to encourage the continued participation in competitive sports, regardless of age. It is given for achievement by an athlete over the age of 40 years.

---

## DILLAN BENNETT

### Bishop Diego Boys & Girls Volleyball, Girls Soccer

Coach Bennett was a busy man this past school year, serving as the head coach for the Bishop Diego girls volleyball, girls soccer and boys volleyball teams. Not only did he coach them, but he coached them to plenty of success. In the fall, he led the Cardinal girls volleyball team to a share of the Tri-Valley League championship and to a CIF playoff game win. In the winter, he took on the role of girls soccer head coach for the first time and was at the helm of a team that placed second in the Frontier League and reached the playoffs for the first time since 2022. He rounded out the year this spring with a CIF Division 5 championship for the boys volleyball team, its first in program history. That team went 28-8 and undefeated in league play on its way to a Tri-Valley League championship as well.

# 2026

## JEFF WALKER

**Santa Barbara City College  
Baseball**

Coach Walker led the Vaquero baseball team to one of its best seasons in program history, and it ended with them being ranked as the 9th-best team in California. While their final ranking was ninth, Walker and SBCC were one of the final eight junior college baseball teams left standing at the end of the season as they reached the Southern California Regional Finals for the fourth time ever. After a strong regular season showing, the Vaqueros won the Riverside Regional to begin the postseason and followed that up with a sweep of rival Allan Hancock College in the Super Regionals. SBCC then took top-seeded Palomar to a winner-take-all game in the SoCal Finals to cap off a strong campaign.

# SBART MEMBERSHIP

## ABOUT SBART

For over five decades, the Santa Barbara Athletic Round Table has championed local student-athletes, recognizing their achievements and supporting their growth as both athletes and future leaders. Each year, with the backing of our members, we celebrate more than 1,000 student-athletes and coaches with recognition, encouragement, and scholarships to help them excel both on and off the field.

Please consider becoming a member today!

An Evening  
with the Athletes

Be sure to visit us on our website at

[www.sbart.org](http://www.sbart.org)

For over fifty years our organization has supported student athletes in the greater Santa Barbara area.

Each year we have been able to give more than 1,000 student athletes and coaches a well deserved pat on the back and extra encouragement to help them become better citizens. To this day we have no paid staff and no office. All your support goes directly to the student athletes.
