History — S.B. Athletic Round Table

In the spring of 1968 two of Santa Barbara's leading sports enthusiasts, Jerry Harwin and Caesar Uyesaka, recognizing the need for an organization dedicated to the assistance and recognition of all sporting activities and athletes in the greater Santa Barbara area, decided on the formation of such an organization. During a period of just three months the Round Table grew to an astounding membership of over 300 citizens also dedicated to the same goals and ideals.

With funds derived from dues, contributions and fund-raising events, the Round Table has contributed over \$8,000 to help support sports in the area. Besides its assistance to sports, athletes and athletic groups, the Round Table through the efforts of its second president, Bill Bertka, established the highly successful and popular weekly "Press Luncheons" that bring news media, prominent athletic personalities, coaches, athletes, and interested supporters together. These luncheons are presided over by the "one and only" master of ceremonies, Larry Crandell, the present president of the Round Table.

The Round Table also established the Annual Hall of Fame Banquet, honoring the outstanding athletes of the year and inducting new members into the Athletic Hall of Fame.

Today, the Round Table numbers nearly 400 members with yearly dues of only \$2.00 and has become the leading organization in the community for the promotion and publicity of all sporting events and assistance to all sports in general.

RUN OVER FOR DINNER.
