Santa Barbara
ATHLETIC ROUND TABLE'S
Twenty-Second Annual
HALL OF FAME BANQUET

MAY 16, 1989
FESS PARKER'S RED LION RESORT HOTEL
Co-sponsored by the Santa Barbara Recreation Department

Welcome

Dear Honorees, Families and the Athletic Community:

Welcome to the culminating event of our year. We are pleased you are here to be rewarded for your efforts or to help us honor those deserving.

I would like to briefly reflect on my tenure as president and recognize a few members of our board. Each week during our Press Luncheons, I have heard reports from coaches who, win or lose, find positives about an outstanding individual performance, improvement their team is making, or individuals who because of athletics have become solid students and citizens. In listening I have come to believe that victory can be, and often is, found in defeat.

Three board members deserve my "When the going gets tough, the tough get going" award for their contributions:

Larry Crandell for his on-going willingness to help sports in our community and to give a young buck like myself a chance and support.

Rath Shelton who always seems to be present when any job, large or small, needs to get done.

Stan Morrison who, in his short but dynamic stay, has truly made this community a better place to live.

There is no doubt in my mind that our organization will continue to grow to greater heights in the future under the leadership of Dick Mires, President-elect.

In conclusion, I would like to quote from George Sheehan's book, Running and Being. "Success is not something that can be measured or worn on a watch or hung on a wall. It is not the esteem of colleagues or the admiration of the community or the appreciation of patients. Success is a certain knowledge that you have become yourself, the person that you are meant to be from all times. Best of all is the fun while you are doing it."

Robert R. Huhn, President
Santa Barbara Athletic Round Table

Tonight's Program

Welcome

Robert R. Hubn

President, Santa Barbara Athletic Round Table

Master of Ceremonies

David James

Sports Director, KEYT-TV

Russ Morrison Memorial Scholarship

Russ Hargreaves Memorial Award

Louise Lowry Davis Award

Special Olympics Mayor's Trophy

Awards to Athletes of the Year

Awards to Coaches of the Year

R.F. MacFarland Memorial Trophy

Hall of Fame Inductees

Conclusion

Robert R. Hubn

We hope you will patronize our many business friends and sponsors listed in this program. Along with our guests this evening, their generosity helps to contribute to the development of our athletic community and to the lives of the athletes of today.

History of the Athletic Round Table

Twenty-two years ago at Caesar's Restaurant, Jerry Harwin and Caesar Uyesaka sat sipping coffee, talking about the need for a sports group in Santa Barbara that could pitch in and help out the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: *The advancement and betterment of all sports and athletics in the greater Santa Barbara area.*

The Round Table got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on Jan. 25, 1968 and was attended by hundreds of people, 200 of whom joined that evening as charter members.

The Round Table's first annual banquet was held at Santa Barbara City College on June 22, 1968. A number of outstanding athletes in a variety of sports were honored, and the evening's highlight was the induction of local athletes into the Round Table's Hall of Fame.

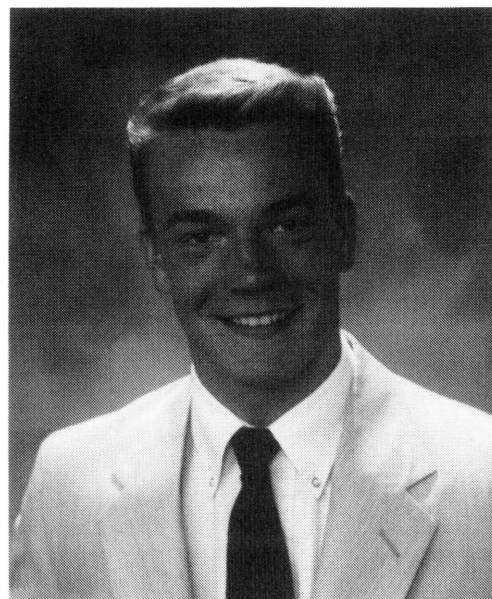

Harry's Plaza Cafe was the site of the Round Table's first press luncheon on Sept. 14, 1970, a program initiated by then new -president Bill Bertka. These weekly luncheons were something akin to a "Monday morning quarterback club." All nine area schools were usually represented by the head coaches of the sport in season. For 16 years, the Round Table's luncheons continued to be held at Harry's every Monday, attended by standing-room only crowds.

Since their first meeting back in 1968, the Santa Barbara Athletic Round Table has helped hundreds of individuals and organizations by raising funds to support their athletic programs. Through membership dues, contributions and fundraisers, the Round Table has raised more than \$100,000!

Funds are distributed according to need, and the Round Table is proud that it has been able to help athletes at all levels compete in events they would otherwise not have been able to attend. With continued community support, the Round Table is confident Santa Barbara's sports opportunities will continue to grow with each new season.

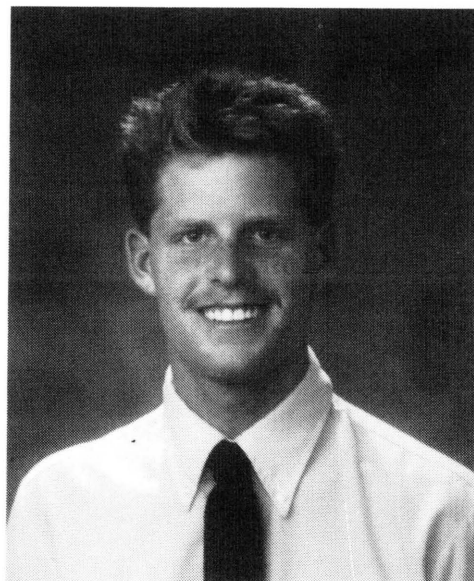

Russ Morrison Memorial Scholarship

Russ Morrison Jr. lost part of a leg due to cancer, but his determination was not subdued and he continued to play golf. Funds for this scholarship are raised by the annual Russ Morrison Memorial Golf Tourney. The recipient must be a academic- athlete-golfer.

Stephen Erickson

Stephen has been playing golf since the 5th grade and entering golf tournaments for seven years. He is a senior at San Marcos High School with a 3.68 grade point. His other interest include Karate, which he has been studying for 3 years, spear fishing and mountain biking. He is president of the Mountain Bike Club at San Marcos. He is undecided about his major, but is most interested in biology, medicine and law. He plans to attend UCSB in the fall.

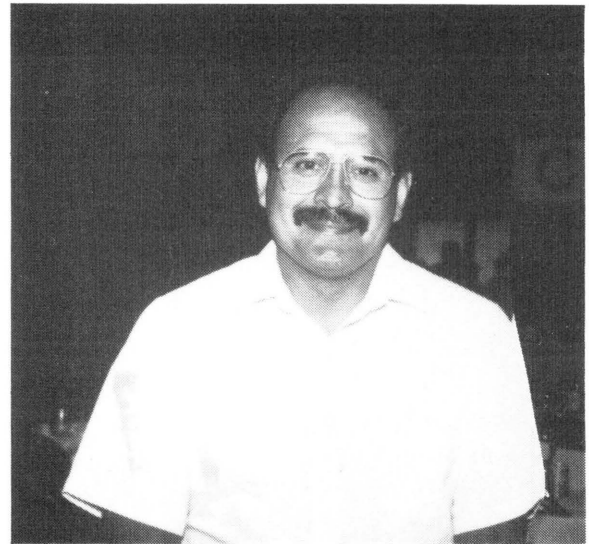

William Holmes

William will be majoring in math and physics at Westmont College in the fall. He is a varsity golf player at Santa Barbara High School where he played on the team for three years. He earned a 4.26 GPA at Santa Barbara High and was on the Student Council. He has worked in the library and at the bookstore at Westmont College.

Russ Hargreaves Memorial Award

Russ Hargreaves was a dedicated member of the Santa Barbara Recreation Department. He loved jogging and was committed to total body fitness. This award is given to a person in the Recreation Dept. who is a leader in maintaining quality sports programs.

Sal Rodriguez

When Sal Rodriguez joined the Boys Club in downtown Santa Barbara in 1955, dues were 50 cents a year and Sal was 12 years old. At the time, Sal lived on Haley Street with his parents, brother and sister. His association with the Boys Club and local athletics has been a long and positive one.

Sal attended San Marcos High School where he played varsity basketball and baseball. During his high school years, he was active in the Boys Club camping, arts and crafts, and recreation programs. He says that the club's physical education director, Donnie Yee, was an important role model for him.

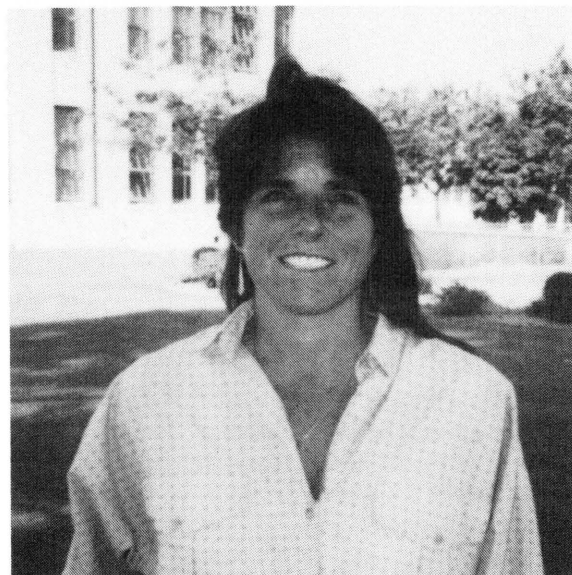

After graduation from San Marcos in 1962, Sal attended SBCC and then transferred to Fresno State College where he received a B.S. degree in recreation.

In 1975 he became the Director of the Goleta Boys Club, a position that he holds today. Sal coordinates sports, recreation, arts and crafts, and counseling programs. He is also active in the fund raising activities. After busy seasons of basketball, soccer and baseball, Sal "takes a break" during the summer and takes youngsters on camping and backpacking trips in the High Sierras and National Parks.

Sal was Head Coach of Varsity Basketball at Dos Pueblos during the 1988-89 season and has also coached girls basketball at San Marcos. He lives in Goleta with his wife, Amy, daughter, Pamela and son, Bo. When asked why he likes working with young people, Sal says: "I like their energy and I enjoy seeing boys and girls grow up. It's a great satisfaction to me when they come back to the Boys Club when they are older and have become lawyers or teachers. Then you know you've done a good job!"

Louise Lowry Davis Award

Louise Lowry Davis was Supervisor of the S.B. Recreation Dept. for over 30 years before retirement in 1966. As director of the Women's Sports League, she made women's sports activities one of the biggest draws in town in the 1930's and 40's. The softball award is given in her honor.

Jennifer Moreland

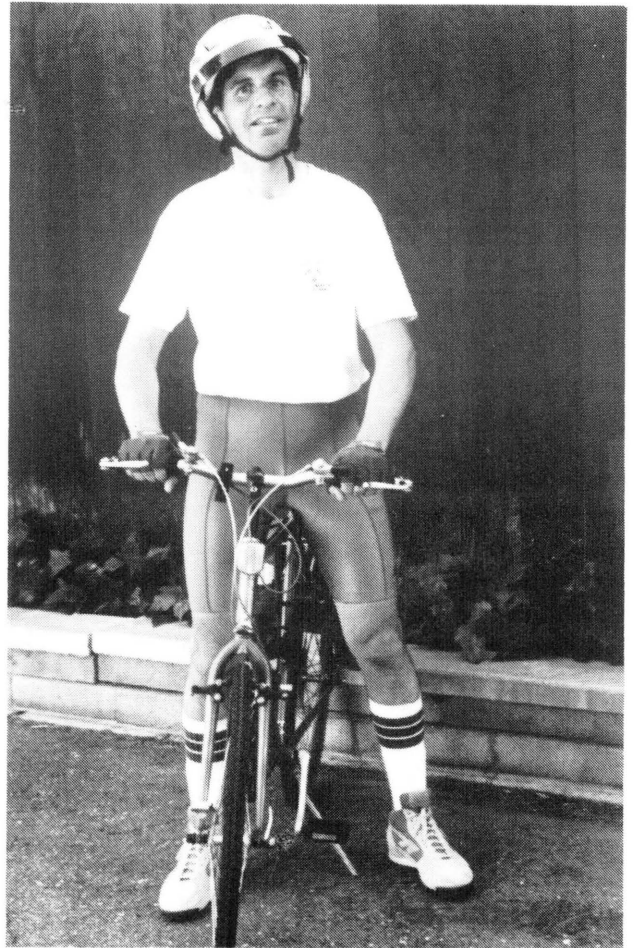

Jennifer has been involved in softball for as long as she can remember. She played high school softball and from there attended UCSB where she competed for 4 years. Since then she has competed in Santa Barbara City League Women's Softball for 15 years along with Co-Ed Softball for the past 8 years. In 1986 their team won the Southern California Softball Association Championship; in 1987 their team competed against 96 teams to win the USSSA Tournament in Las Vegas becoming the World Champions. In 1987 she was honored by the Athletic Round Table as "Softball Player of the Year" in the Open Division.

Jennifer has contributed a great deal to softball not only as a player, but also as a Coach. She was assistant coach at UCSB from 1974 to 1979. In 1978 she accepted the position of Head Softball Coach at Dos Pueblos High School where she is still coaching. As Head Coach at Dos Pueblos, she and her teams have won 5 League Championships.

Jennifer serves as an official for the City League softball games. When she has extra time, Jennifer conducts coaching clinics for the Girls Club of Santa Barbara. She has served on the selection committee for the Southern Section CIF-4A which selects the Top-Ten rankings each week.

Special Olympics Mayor's Trophy

This award was first established by Mayor David Shiffman. It is presented annually to a Special Olympic Athlete.

Grant Looker

Grant is 26 years old and has been a participant in the Special Olympics for over six years. He has been selected as the Special Olympics Athlete of the Year for 1989.

Grant has played baseball for ten years and when he joined the softball team last year he became an irreplaceable team member. After recovering from back surgery, he conditioned himself in a short time to compete at the Southern California Softball Clinic in San Diego. He also enjoys bowling.

Everyday Grant bikes to the Alpha Training Center where he is employed as a part-time custodian. He is very close to his big family of seven members and loves playing with the new young ones.

Ken Preston

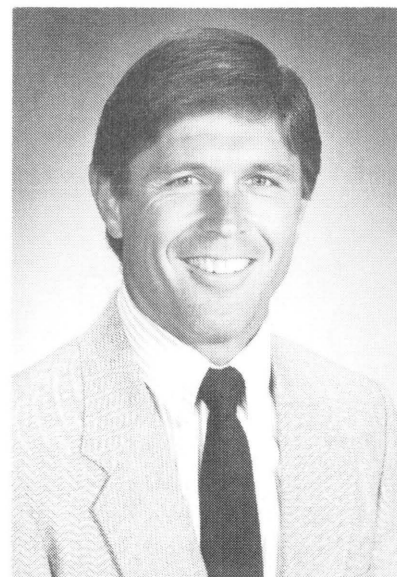

UCSB

It took 13 years, but Ken Preston put the UCSB men's volleyball team back in the high rent district in 1988.

Overcoming heavy odds, Preston guided the Gauchos to the NCAA national championship where they were unfortunately defeated by USC in a 5 game match at Fort Wayne, Indiana. It was the first time in 13 seasons the Gauchos, who finished with a 28-11 record, had made it to the Final Four.

The 1988 campaign was significant for another reason. Preston became the first coach in UCSB history to win 200 matches. His record is now up to 251-121 after the conclusion of his 11th season a few weeks ago.

While the recently concluded 1989 season didn't quite reach the success of a year ago, the Preston-led Gauchos still had a great year, making it to the NCAA Regionals where they were upended by the University of Hawaii.

Scott O'Leary

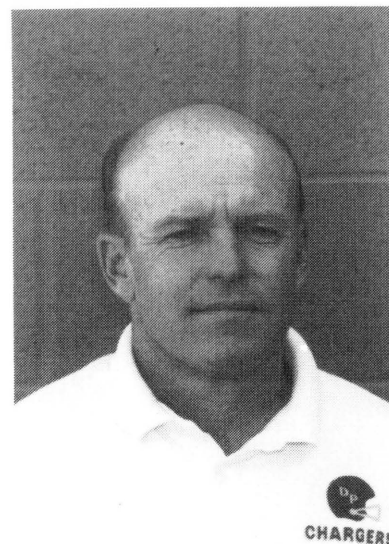

Dos Pueblos

A good coaching effort isn't always based on a team's win-loss record. Sometimes a good coaching job is based on how much a coach gets out of his players and what odds the coach has to overcome.

Scott O'Leary faced probably more challenges than any other coach in the area this past year. Besides being burdened with the possibility of his school's closure and serving as athletic director, the Dos Pueblos High football and baseball coach guided the Chargers to respectability in 1988-89.

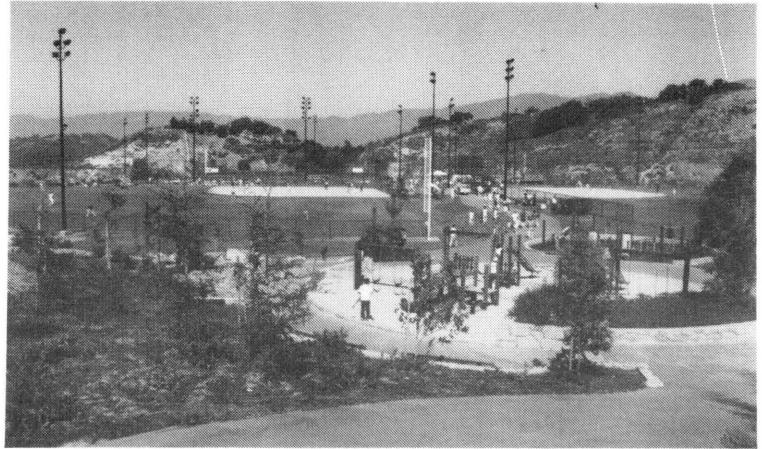

In football, the Chargers posted a 6-4-1 overall record, a third-place finish in the Channel League with a 4-2-1 record despite having the smallest enrollment of any school in the league; and a berth in the CIF playoffs.

In baseball, O'Leary coached a team lacking tremendous talent. Still, going into the final weeks of the season, the Chargers were in contention for a CIF playoff spot.

R.F. MacFarland Memorial Trophy

R.F. MacFarland was one of the founders of Semana Nautica in 1936. This award is made annually to the person or organization who best exemplifies community leadership in the area of sports and athletics. It is sponsored by the Elks Club, Recreation Dept., local media, & the Semana Nautica Assn.

The Las Positas Park Foundation

The Semana Nautica Association recognizes the Las Positas Park Foundation with the 1989 R.F. MacFarland Memorial Award for extraordinary achievement and leadership in completing the planned recreation facility improvements for Phase II of the Park. This outstanding accomplishment, culminated by the completion of the softball field complex, will have a profound and everlasting impact on leisure time opportunities for south coast area residents.

The original concept of the Park was born out of a need for more public softball fields in the south coast area, and this goal was achieved when 3 night-lighted fields were dedicated and opened for play by the Las Positas Park Foundation in the fall of 1988. These fields will accommodate up to 90 additional teams for City League play and also provide opportunities for youth leagues, special tournaments, college and university level use.

The Park, officially opened in 1985, has 6 tennis courts, 2 soccer fields, a children's day camp, a 350 person picnic grove and amphitheater, 2 children's play areas, a fitness court, numerous overlooks, barbecue/picnic units, restrooms, parking lots and the recently completed softball complex. Over \$7 million has been contributed or pledged to build and maintain this facility.

The Semana Nautica Association, with this "Sportsman of the Year Award," recognizes the Board of Directors of the Las Positas Park Foundation for their dedication, perseverance and hard work. This outstanding community foundation has raised the nearly \$1 million necessary to complete the softball complex which will benefit thousands of players of all ages and abilities annually.

1989 HALL OF FAME INDUCTEES

RUSTY FAIRLY
Outstanding Coach

"It's hard to imagine anyone who has contributed as much or as long to coaching in our community as Rusty," offers Dick Mires, a former high school coach and president-elect of the Athletic Round Table, in reference to Harold "Rusty" Fairly."

After stints at coaching high school football in Denver and serving as an assistant coach at the University of Denver from 1955 through 1961, Fairly moved to Santa Barbara where he became an assistant football coach at UCSB from 1961 through 1965.

It was in 1965 that Fairly was hired by Santa Barbara City College to serve as an assistant football coach and head baseball coach.

In football, Fairly served under a handful of head coaches. It was under head coach Bob Dinaberg that Fairly helped the Vaqueros win four-out-of-five Western State Conference championships. He retired from serving as an assistant football coach after the 1974 season.

Fairly, however, will probably be remembered more as the head baseball coach at SBCC. He guided the Vaqueros to a 255-160 record from 1965-1981 for a .614 winning percentage.

The highlight year for the baseball Vaqueros came in 1972 when they won the Western State Conference title.

During Fairly's baseball coaching career at SBCC, he saw 37 of his players sign pro contracts. Several of them have gone on to make names for themselves in the major leagues, including Jesse Orosco, Gary Woods, Earl Miller and Mark Silva.

Fairly says there are two key elements for success in his philosophy for coaching: 1. respect and 2. discipline. "I also tried to challenge every young man to live up to his potential," he adds.

Although Fairly retired from coaching after the 1981 baseball season, he is still active at SBCC and in the community. He has served as division chair-

man for Health, Recreation, Physical Education and Athletics at SBCC from 1978-86 and president of the Academic Senate from 1985-86. He is currently a Santa Barbara City Councilman.

BILL BERTKA
Community Leader

It doesn't matter how old you are or what you do, if you're active in sports or some form of recreational activity in the city, the odds are good that Bill Bertka has had an influence on your life.

Who is Bill Bertka?

Most new arrivals to Santa Barbara may know him as a current assistant basketball coach for the Los Angeles Lakers. But before that, Bertka, who still makes his home in Santa Barbara, was director of recreation for the city from 1961-72.

1989 HALL OF FAME INDUCTEES

While many others helped, Bertka had a hand in the development of Shoreline Park where thousands of local citizens annually enjoy their leisure time; he was one of the leaders in the planning of Las Positas Park where youngsters and adults alike can enjoy a variety of recreational activities today; he was the founder of the Round Table's weekly press luncheons where hundreds of the area's athletes and coaches are honored yearly; he was instrumental in starting up one of the nation's first city-sponsored fitness programs for all ages and he was a leader in getting the city and Santa Barbara City College to work out a joint-usage program for the facilities at Pershing Park.

And if that wasn't enough, Bertka helped promote local sports through his weekly award-winning radio and television sports show. He was also on the ground floor in the development of the Athletic Round Table.

KEN KELLOGG
Special Achievement

If Nick Carter had been a football, basketball or baseball coach, Ken Kellogg might have a nice little financial nest egg today. Instead, Carter was a track coach at UCSB when he saw Ken sitting in the stands at a track meet and asked him to be one of the officials at the meet.

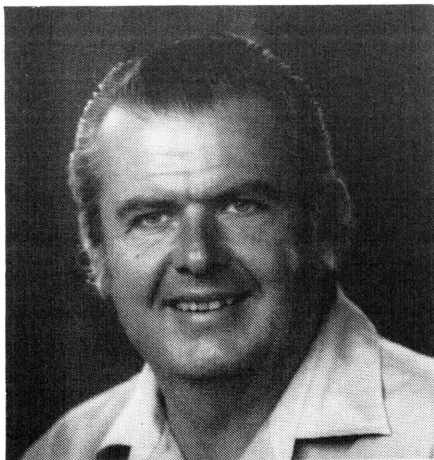

That was back in 1957 and Kellogg, a retired KEYT-TV employee, has been donating his services as a track official ever since.

"I kid Nick that if he had been a football, basketball or baseball coach and wanted me to be an official, I would have made some good money over the years," quipped Kellogg. "Track officials are one of the few officials who volunteer their services rather than get paid."

Despite officiating at all those track meets, Kellogg says he seldom sees much of the action. "I officiate at the discus and shot putt events and most of the time all I see is an athlete's feet to make sure he doesn't go over the line. Once in a while, I may look up in time to see where the discus or shot putt landed."

Kellogg's contributions to the local sports community go beyond working as a track official. He served as president of the Semana Nautica Association's Summer Sports Festival for three years, 1976-77-78. Again, he volunteered his services.

1989 HALL OF FAME INDUCTEES

GENE BOWMAN
Outstanding Athlete

Santa Barbara High fans who were around in the late 1940's will remember Gene Bowman as not only an accurate passer in the Dons' football single-wing offense, but as one of the top pitchers to come out of the local high school.

In the 26 games Bowman guided the Dons during his three-year career, he threw a total of 35 touchdown passes and ran for 10 more. Of his 35 TD passes, 9 of them went to his cousin, Eddie Mathews, who went on to be a Major League Baseball Hall of Famer. Mathews is also in the Santa Barbara Hall of Fame.

During his junior season in 1948, Bowman was selected to the All-CIF first team as a quarterback as he guided the Dons to a 11-0-1 overall record and the CIF championship game against St. Anthony's of Long Beach. Although the final score ended in a 7-7 tie, St. Anthony's won the game on more first downs.

Bowman, who threw a total of 23 touchdown passes in 1948, had his biggest game that year when he threw four TD passes and kicked four PATs in a 28-6 win over East Bakersfield.

During the 1949 season, Bowman started off strong, including throwing 3 TDS and scoring 3 PATs in a victory over Ventura. He completed 28 of 34 passes for 383 yards in the game.

His high school football career, however, was cut short when he broke his wrist early in the season. He watched from the sidelines as the Dons went on to post a 10-2-0 record and lost to Compton 19-13 in the CIF finals.

Although Bowman lettered two years as a guard on the basketball team, he excelled on the baseball diamond as well as the football field.

During his varsity baseball career, the right-hander posted a 23-4 record and was voted to the All-CIF first team his senior year in 1950. He also pitched the Dons to the CIF finals in 1949 and 1950. He lost to San Diego Hoover 10-3 in 1949 and to Long Beach Wilson 4-3 in 12 innings in 1950.

Following graduation, Bowman went to the University of Georgia on a football and baseball scholarship but he hurt his shoulder his freshman year and never went back.

Bowman's athletic career, however, wasn't over. He was signed by the Boston Braves and played in the Braves' minor league system from 1951 to 1954. He posted a 12-12 career record as a relief pitcher.

Bowman still makes his home with his family in Santa Barbara.

1988-89 Sportsperson of the Month

Scholar Athletes

The Santa Barbara Athletic Round Table Scholar Athlete of the Month Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who at the same time maintain strong academic and extracurricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level, and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extracurricular activities and outstanding aptitude test scores for high school.

Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table members.

The Athletic Round Table feels that the significance of this award goes beyond simply recognizing those individual students who have outstanding academic and athletic records. It should also serve as a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement.

We are proud to present the 1988-89 Scholar Athlete Awards to the following Students:

<i>Bob Ream</i>	<i>WEST</i>
<i>Fred Josue</i>	<i>SBCC</i>
<i>Anna Donnelly</i>	<i>UCSB</i>
<i>Mike Fink</i>	<i>BDHS</i>
<i>Jeff Reed</i>	<i>SMHS</i>
<i>Shannon Kelley</i>	<i>CARP</i>
<i>John Rydell</i>	<i>SBHS</i>
<i>Jonathan Green</i>	<i>DPHS</i>
<i>Calysta Drake</i>	<i>CATE</i>

Athletes of the Week

*Sponsored by the Santa Barbara News-Press
Presented at the Round Table's Weekly Press Luncheon*

Paul Perkins	Football	SBHS
Dan Gallegos	Football	SMHS
Sean Bevan	Football	DPHS
