# Welcome

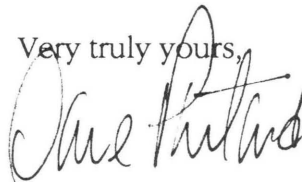

*Dear Honorees, Families and Athletic Community:*

Welcome to the 26th Annual Hall of Fame Banquet, co-sponsored by the Santa Barbara Athletic Round Table and the City of Santa Barbara Recreation Department. As you entered the Red Lion Inn tonight, you were greeted by the many volunteers who make these events possible. Many thanks to Paul Menzel, Chairman, and his committee for organizing tonight's event. Countless hours of hard work, research, and organization is the only formula that makes tonight's event successful, and we all owe those involved a great deal of gratitude. Tonight's event honors the amateur athletes who have demonstrated that the best of their abilities are superior to others in their respective field of competition. We are pleased to induct four individuals into the Hall of Fame for their accomplishments and contributions in amateur athletics.

Tonight is also a reunion for the many athletes who chose this event to renew acquaintances and relive fond memories. Through athletics we all have developed relationships and memories that last a lifetime. It is our hope that this banquet continues to provide that forum while acknowledging the hard work and determination of the champions from within our community.

Thank you to all the banquet sponsors that assist us financially to underwrite this event. Their contributions allow student-athletes to attend at a more affordable price in addition to the cost of the many awards. I encourage your patronage of these fine local businesses who support amateur athletics in our community.

Very truly yours,

A handwritten signature in dark ink, appearing to read "David C. Pintard". The signature is fluid and cursive, with the first name "David" being the most prominent.

## ***Mariana de Seña***

Mariana de Seña has dedicated her personal and professional life to opening the world of recreation and sport to those with disabilities. Her lifetime commitment to helping athletes "adapt" to sports was inspired by her volunteer experience with the Special Olympics over 15 years ago. Since then, Mariana has developed into a nationally recognized professional in the rapidly growing field of adaptive recreation.

Mariana earned her Bachelor's Degree in Health Studies and Physical Therapy from UCSB and advanced credentials in Therapeutic Recreation at Cal State Northridge. Joining the Santa Barbara Parks & Recreation Department in 1980, de Seña currently serves as Recreation Supervisor for all adaptive programs offered to the physically disabled in our community.

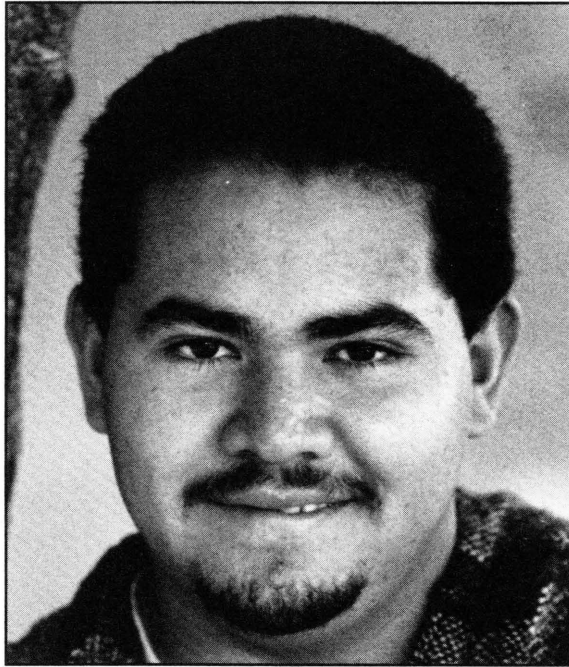

Despite depleting funding for adaptive programs, de Seña pursues her professional goals with the same drive and competitive spirit that is the trademark of the special athletes she serves. Between fund-raising to maintain adaptive programming, Mariana volunteers for the Special Olympics, Easter Seals Society, Coalition for Community Access and the Multiple Sclerosis Society. She works part time in the Head Injury Program at the Rehabilitation Institute and has given speeches, published articles and produced a video on creating opportunities for the disabled athlete to enjoy the rewards of recreation that we often take for granted.

# ***Special Olympics Mayor's Trophy***

## ***Diego Sandoval***

Diego Sandoval, the 1993 Santa Barbara Special Olympics Athlete of the Year, is a resident of the Devereux Foundation, where he first started participating in Special Olympics in 1991. He quickly became involved by joining the basketball and softball teams. He was the starting pitcher on the 1991 Devereux team that went to the Special Olympics State Games at UCLA. Jim Haberay, the Devereux golf coach, noticed Diego's excellent swing and asked him to join the golf team. Diego proved to be such a quick study that he played in the first annual Special Olympics Golf tournament at Sandpiper Golf Course. Later in 1991, Diego found his true love in power lifting. He trains 4 days a week for 3+ hours through a 3 month membership donated by Gold's gym in Goleta.

Mitch Torina, Diego's lifting coach says, "The sport has given Diego a strong sense of accomplishment and self-esteem; his personality has grown as he has gotten confidence through Special Olympics." Diego explains, "There is trouble all over. I love doing Special Olympics and body building. I love the way it makes my body feel and look. One of my dreams is to get big and muscular.

Diego is an accomplished artist. He has sold some of his free-hand drawings. After he graduates from Devereux and learns to drive, Diego would like to get a job perhaps with Special Olympics. He would also like to coach and help other athletes in power lifting.

# ***History of the Athletic Round Table***

**T**wenty-six years ago, Jerry Harwin and Caesar Uyesaka sat sipping coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could pitch in and help out the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: *The advancement and betterment of all sports and athletics in the greater Santa Barbara area.*

The Round Table got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting and over 200 joined that evening as Charter Members.

The Round Table's first annual banquet was held at Santa Barbara City College on June 22, 1968. A number of outstanding athletes in a variety of sports were honored and the evening's highlight was the induction of local athletes into the Round Table's *Hall of Fame*.

Harry's Plaza Cafe was the site of the Round Table's first press luncheon held on September 14, 1970. This program was initiated by the new-president, Bill Bertka. These weekly luncheons were similar to a "Monday Morning Quarterback Club." All nine area schools were represented by the head coaches of the sport in season. For 24 years, the Round Table luncheons have continued to be held at Harry's every Monday, attended by standing-room only crowds.

Since their first meeting back in 1968, the Santa Barbara Athletic Round Table has helped hundreds of individuals and organizations by raising funds to support their athletic programs. Through membership dues, contributions, fund-raisers, and grant applications, the Round Table has raised more than \$1,500,000!

Funds are distributed according to need. The Round Table is proud that it has been able to help athletes at all levels compete in events they would otherwise not have been able to attend. With continued community support, the Round Table is confident Santa Barbara's sports opportunities will continue to grow with each new season.

## ***Louise Lowry Davis Award***

*Louise Lowry Davis was Supervisor of the S.B. Recreation Dept. for over 30 years before retirement in 1966. As director of the Women's Sports League, she made women's sports activities one of the biggest draws in town in the 1930's and 40's. This award is given to a woman recognized as a player, coach or sponsor who excels in leadership and sportsmanship.*

### *Past Recipients*

1989 Jennifer Moreland  
1990 Joan Serrano  
1991 Kathy Gregory  
1992 Alice Henry

### ***Kathleen O'Conner***

The 'Women in Sports' movement has gained tremendous momentum in the last decade. The Athletic Round Table is proud to recognize one of the true pioneers in establishing athletic opportunity for the female athlete. Kathleen O'Conner, a Santa Barbara native, received her education locally at Carpinteria High, SBCC, and UCSB. After graduating in 1968, she established the first full-time Girls' Physical Education program at Laguna Blanca school and coached four sports. She taught P.E. and science at Goleta Valley Junior High before moving on to the Santa Barbara City College Physical Education Department.

Kathleen developed and implemented the first Women's Athletic Program at SBCC, which included volleyball and tennis. As Health, Physical Education and Recreation instructor, she turned her professional concern to an even more contemporary challenge – drug abuse in athletics.

O'Conner co-founded the Student Athlete Assistance Program at SBCC. This program has been used and recognized as a model for substance abuse prevention throughout California. Kathy is also the first Academic Advisor for SBCC athletes, both men and women. She has stayed close to her favorite sport by volunteering as the statistician for both the men's and women's basketball teams at SBCC for the past 15 years.

As a woman establishing many "firsts" in athletic programing, Kathleen epitomizes the leadership qualities of this award's founder.

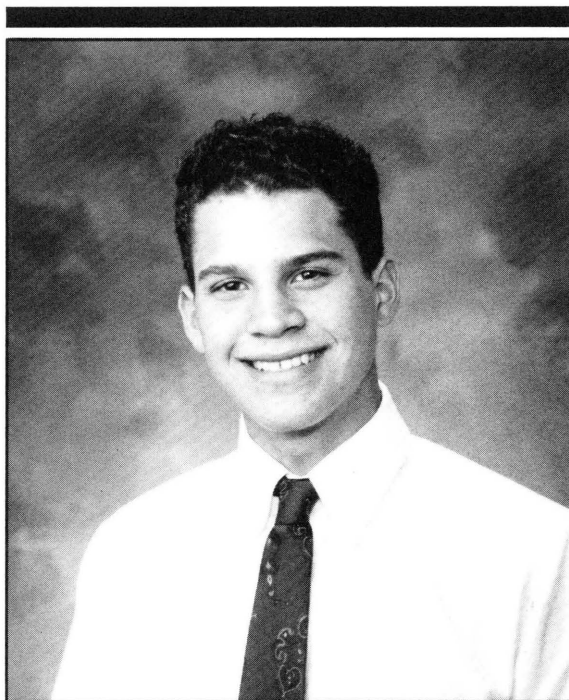

## ***Jerry & Jerry Scholarship***

*This scholarship was established in 1991 to honor Jerry Pimm, the UCSB basketball coach, and his arch-rival and friend, Jerry Tarkanian, basketball coach of UNLV. It is awarded in their names by the Round Table for their fundraising efforts. The recipient must excel in both athletics and academics.*

### *Past Recipients*

1991 Philip Staten SMHS

1992 Jose Hernandez DPHS

### ***Sundance “Sunny” Feniger***

Sunny, a senior at San Marcos High School, has lived in Santa Barbara for only two years since moving from Hawaii at the conclusion of his Sophomore year. Upon his arrival, Sunny wasted no time getting involved in school and the community. Sunny was elected to the position of ASB President at San Marcos after just 7 months at the school, and competed at the varsity level in three sports: basketball, baseball and track. Sunny also immersed himself in the community, volunteering as a basketball coach for the Santa Barbara Special Olympics and the Goleta Boys and Girls Club.

Academically, Sunny has maintained a 4.2 GPA in advanced classes while at San Marcos, and scored a combined best of 1340 on his SAT. His efforts in and out of the classroom have earned him recognition by Santa Barbara’s Rotary and Exchange Clubs.

This year, playing at the forward spot for the San Marcos basketball team, Sunny received team MVP honors, was selected as a First Team All-Channel League and All-County player. He was also named to the McDonalds All-American Team.

In the fall, Sunny will be attending Cornell University where he plans on continuing his basketball career.

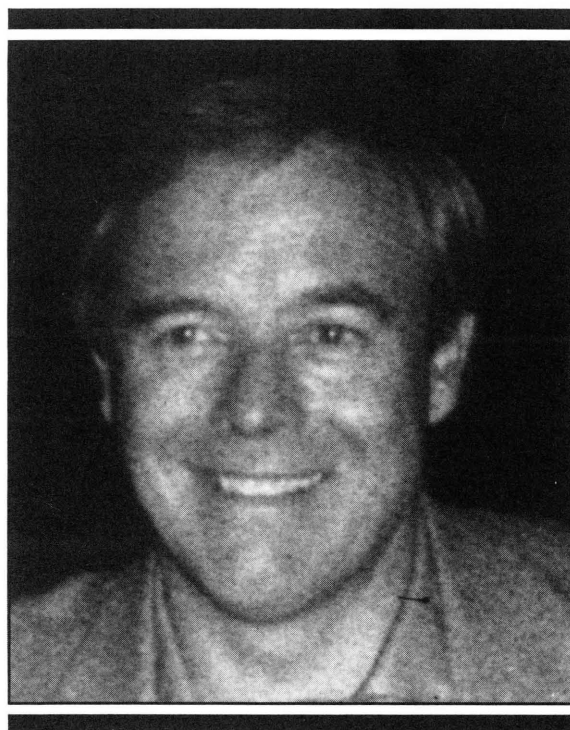

Congratulations, Sunny!

## **Dick Mires**

Dick Mires is not unfamiliar with the Santa Barbara Athletic Round Table Hall of Fame Banquet. He has planned it, organized it, and as President, has presented it. Standing at the podium, summoning award presentors, and congratulating winners has been part of that responsibility. And he did it so well.

Even receiving an award is not foreign to the personable Mires. In 1972 he was honored by the Round Table as the High School Coach of the Year, having led Dos Pueblos High School to one of their most successful football years.

But the R.F. MacFarland Memorial Trophy is an honor of great significance, for it acknowledges his years of service to the community and his caring and continued concern for the youth of the greater Santa Barbara area. He spent 15 years coaching at Dos Pueblos H.S. eight of which were spent as Head Football Coach and Athletic Director. Mires unselfishly served as President of the Round Table for two years and is currently a member of the Board of Directors. He was a member of the 1984 Los Angeles Olympic Committee as Venue Director of the Rowing and Canoeing event at Casitas Lake and is a Board Member and Past President of the S. B. Rowing Foundation.

It is for tremendous service and to recall the lives he has touched, that Dick Mires is honored with this most prestigious award. We salute the Mires family, wife-Nancy, son-David and daughter-Julie, and thank them for sharing their husband and father with us.

## Gregg Wilson

### University of California at Santa Barbara

In his fifteen seasons at the helm of UCSB swimming, Gregg Wilson has posted a dual meet record of 122-72. Even more impressively, his squads have collected 18 Big West Conference Championships, a record-setting 13 by his men's team and 5 by his women's teams. Wilson has been named Men's Coach of the Year 8 times and Women's Coach of the Year 5 times during his tenure in the Big West Conference.

Among the All-Americans he has coached is Olympic Gold Medalist, Richard Schroeder, who has been elected as a member of the Hall of Fame by the Athletic Round Table.

A native of Walnut Creek, California, Wilson attended Diablo Valley Junior College before he went to UC Berkeley. While at Cal, he participated in both water polo and swimming. At Diablo Valley he did the same and was an All-American.

Wilson led the men's swim and dive team to its 15th consecutive and 16th overall Big West Championship. He led the women's team to its 6th Big West Championship in 10 years.

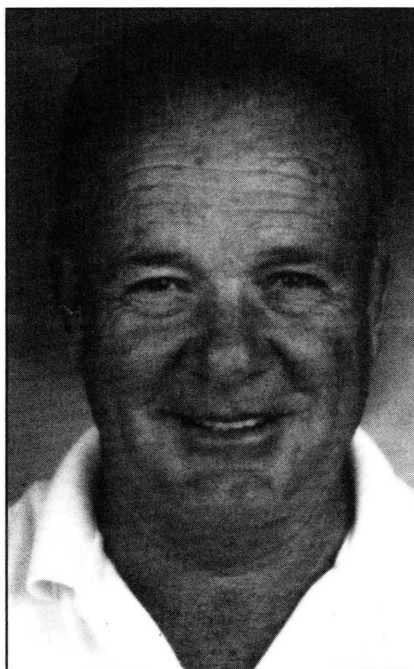

The Gauchos men's and women's programs were one of only eleven Division I schools in the country to be honored as All-Academic teams by the College Swimming Coaches Association of America.

**Norris Fletcher**  
**Bishop Diego High School**

Norris Fletcher thought he could. He thought the Bishop Cardinals football team could. And before the 1992 season was over, he had the young kids thinking that they could. Perhaps they realized that "Coach" might be on to something when they tied league rival Carpinteria 6-6. They won their next 5 games which included wins in the prelims, quarters and semis of the CIF SS Championships. As their opponents realized: "It's not the size of the dog in the fight, its the size of the fight in the dog."

His unbelievable winning season may have seemed like a miracle, but truly it was the result of dedication, hard work, perseverance and great teaching. Norris teaches confidence, self esteem, and the belief that you can. His wife Barbara taught him that if you really believe you can, you can because even breast and lymph cancer can't stop you. She would know.

**Satini Puailoa**  
**San Marcos High School**

In 1986 Satini Puailoa realized one of his ambitions: he was selected as the head Football Coach at SMHS, following in the footsteps of his famous father, Sut, a highly respected Football Coach. Puailoa assumed a senior class that had won only 3 games in 3 years. His first year, the Royals went 3-7! In the next 6 years, Puailoa led the Royals to 5 CIF SS playoff berths, and ultimately to the finest season in SMHS Football history: 1992! Dominating as City and Channel League Champs, the Royals 10-2, went into the semi-finals against Hawthorne and were only a bounce of the ball away from CIF SS Championship game.

His success was no accident or surprise. The intensity, the discipline, the preparedness, the execution and influence of Satini III carried through. He is a superb football coach, master teacher, innovator and a motivator. A pro! 13

## 1993 HALL OF FAME

**TOM BYRON JR.**  
*Coach*

Tom Byron's first college job was coaching soccer, basketball, and baseball. It didn't get any easier.

He came to Westmont College in 1965 as Basketball Coach and Athletic Director, and within a short period of time added a third major responsibility, that of Dean of Students.

When you peer into the personal background of this man you immediately focus upon *key* words.

Ron Mulder, present Athletic Director at Westmont says: "Tom was a great *leader*, he got the most out of people. He was also a *spiritual* leader on campus and in the community. Although small in stature he was *competitive* and *fiery* – very *determined*. Tom was also instrumental in the planning of our athletic buildings and Murchison Gymnasium. Tom Byron was just a super person."

Byron won highest athletic and academic honors in football and baseball at Wheaton College where he majored in Philosophy and Theology. He also earned his Master's Degree at Temple University and was a USC Doctoral Candidate.

But the only thing he was unable to tackle, throw out, or trap was the melanoma that benched him during the '71-'72 season. He was 10 - 1 when the illness forced him to step aside. He died in February of 1972.

The spirit of Tom Byron lives in our community and in the hearts of his family, wife, Dorothy Byron-Hanna; USMC Reserve Major, Tom Jr., and high school biology teacher, Annie.

And in the Santa Barbara Athletic Round Table Hall of Fame.

## 1993 HALL OF FAME

### **Diane Sebastian Pestolesi** *Outstanding Athlete*

How's your math? Add this list of numbers:

$$8+8+5+6+3+3+3+2=?$$

If your answer was 38 (or even close) you were wrong. The correct answer is Diane Sebastian, superb athlete, Bishop Garcia Diego High School, class of 1978.

Those significant numbers represent 8 varsity letters in volleyball, basketball, and track, 8 All-League honors, 5 League MVP's, 3 CIF Team Championships, and 2 times Santa Barbara Athletic Round Table Athlete of the Year.

She remains the only female athlete to have been named CIFSS MVP in two sports in the same year. Now Diane Pestolesi of Huntington Beach, she and husband – Tom (wouldn't you guess – he's a coach) are the proud parents of Tommy, age 5 ½, Kari, age 4, and by this evening, baby Danny. Diane is a

Critical Care nurse at Orange County's Hoag Memorial Hospital.

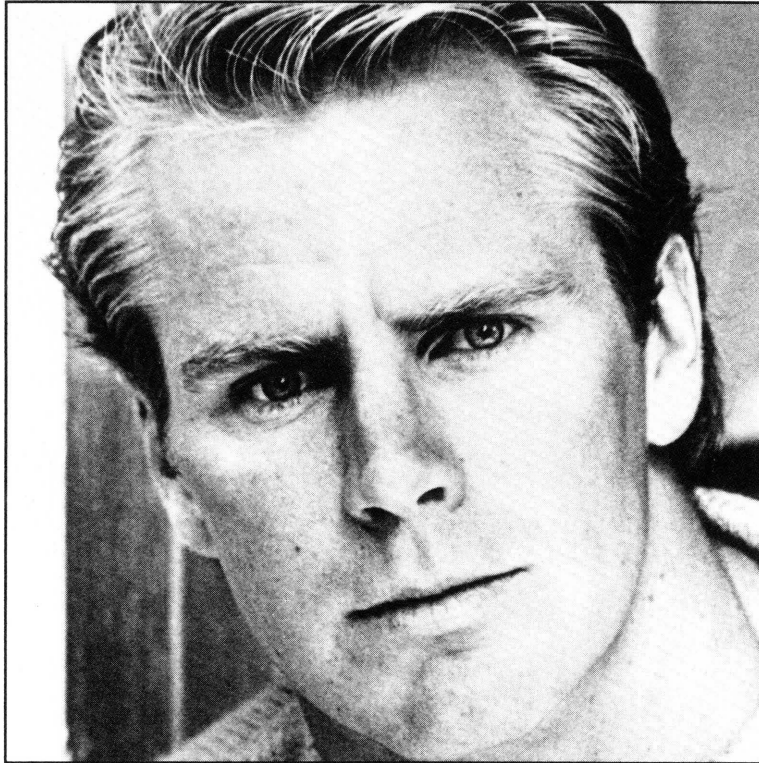

And the numbers don't stop. A three-time Volleyball All-American at the University of Hawaii, a National Championship, the Nation's Best in 1980, and State of Hawaii's Female Athlete of the Year in 1981.

She hadn't quite gotten enough so in 1982 and 1983 she became a graduate assistant at the University of Hawaii. You guessed it, two more national championships.

Add a few years of Olympic and professional competition, then ask her what her hobbies and interests are – being a wife and Mom – and sports.

Good luck, Di, and congratulations!

## 1993 HALL OF FAME

**TERRY SCHROEDER**  
*Outstanding Athlete*

Where do we start?

Four-time Olympian, world's best water polo player, captain of our national and Olympic teams, Doctor of Chiropractic, three-time university All-American, NCAA Scholar-Athlete, male model for the Coliseum's Olympic Gateway, or second in the Jeep Superstars Competition?

So where *do* we start?

How about starting at San Marcos High School? Class of 1976, student leader, outstanding scholar, outstanding citizen, great family, Captain, All-Channel League Player of the Year, All-CIF, All-American, and a full ride scholarship to Pepperdine University where he graduated Magna Cum Laude.

Terry Schroeder is probably best recognized for his inspirational leadership of our National Water Polo Team in 1980, 1984, 1988, and 1992.

Schroeder and his wife Lori – we should say Dr. Lori – live in Agoura Hills where they both practice Chiropractic medicine. What else would we expect? There are fifty-nine chiropractors in the Schroeder family, two of whom practice locally, his father, Robert, and his brother, Lance.

He is also the Water Polo Coach at Pepperdine University where in 1989 where he was named Coach of the Year in the Big West Conference.

So where do we end? How about with the big San Marcos Royal carrying the American Flag during the closing ceremonies at Seoul, Korea in 1988.

## 1993 HALL OF FAME

### **RINO FILIPPIN** *Outstanding Athlete*

The winningest pitcher in the history of Santa Barbara High school baseball. That's a lot of territory.

But that what the record book says: Rino Filippin, Pitcher, 8–4 as a Sophomore, 9–3 as a Junior, and 12–2 as a Senior for a composite record of 29–9. Like we said, the winningest pitcher in the history of SBHS baseball.

Filippin lettered two years each in football, basketball, and baseball, was All-CIF as a football tailback in the single-wing, and was All-CIF in baseball during both his Junior and Senior year.

But it was baseball that was Filippin's sport. After graduating from SBHS in 1955, he attended SBCC where he led the Vaqueros to a State Championship as a Junior College All-American pitcher.

Following his career at SBCC he signed with the

Cleveland Indians and played five years of professional ball.

When asked about Filippin, Chuck Sylvester, his coach at SBHS, said of the right hander: "Rino was a very smart and intelligent pitcher who had great control and won games with his head as well as with his arm, and he did have a great arm."

Sylvester added: "Rino was a natural baseball player and probably could have been All-CIF at any position.

Filippin, who is with the U.S. Postal service, lives in Goleta with his wife, Julie. They have a son Bill and a daughter Traci.

Rino Filippin – one of our greatest!

## 1993 HALL OF FAME

**JAY SMITH**  
*Community Leader*

Since 1972, when Jay Smith became a member of the Goleta Union School District Board of Trustees (and President,) he has volunteered his services to 24 organizations.

During that same period of time, he has served on 12 executive boards, and been named Chairman or President on 10 occasions.

As a point of reference, some of those 24 groups he has served are the SB Athletic Round Table, Goleta Valley Hospital, Goleta Valley Youth Sports Association, AYSO, Dos Pueblos High School Site Council, Santa Barbara School District Educational Foundation, Santa Barbara Foundation and La Cumbre Golf and Country Club (that tells you about his hobby.)

In his spare moments he works more than full time as the Senior Vice-President, General Counsel, and

Secretary of Santa Barbara Bank and Trust.

The rest of his time is spent with his wife Sally, an Administrative Assistant at UCSB, daughter Julie, and son Taylor.

Modesty is one of Jay's virtues, it is not easy to glean information about his volunteerism. Like the easy and anonymity with which he has administered the High Five Golf Tournament for the last nine years. At the end of this year that event will have earned over a quarter million dollars for local high school athletics. That is not modest!

UC Berkeley and their Boalt Hall School of Law should be proud of this grad. The community of Santa Barbara is.

Somehow Community Leader seems too modest.

## ***Scholar-Athlete of the Month***

*Sponsored by the Human  
Performance Center*

The Santa Barbara Athletic Round Table Scholar Athlete of the Month Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who maintain strong academic and extracurricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extracurricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Athletic Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It also is a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present the 1992-93 Scholar Athlete Awards to:
