Welcome

This is the Thirty-Second annual Hall of Fame Banquet sponsored by the Santa Barbara Athletic Round Table. I am delighted to welcome each one of you. Your presence here this evening is evidence that you share our commitment and dedication to the Round Table goal: *The advancement and betterment of all sports and athletics in the greater Santa Barbara area.* I want to thank you for your continued support.

Tonight the whole community joins in honoring those students, athletes, community leaders, coaches and volunteers whose contributions deserve public recognition. Thanks to the foresight of founders Jerry Harwin and Caesar Uyesaka, we have designed this event to salute the positive accomplishments of some of Santa Barbara's best. While we are pleased to recognize some remarkable athletic accomplishments, we just may be honoring a future Mark McGwire.

It has been my good fortune to have served as President of this fine organization these past two years. I greatly appreciate the wonderful support of all those who have unselfishly contributed their time and talents to this important endeavor: assisting young athletes to become the best they can be.

*Special Recognition*

*David Edelman, Director of Public Affairs for Cox Cable, deserves a standing ovation from this community and SBART. David's continuing support of and commitment to the accomplishments of local students and athletes insures that their efforts receive proper recognition. We can only imagine the thrill young people experience when viewing their moment of honor on local television. Without the help of David and his staff, we could not provide this level of acknowledgment.*

*Gerry Fall, Sports Director of KEYT-TV Channel 3, has earned our gratitude for all he does to honor athletes. His extra efforts in producing videos of the highlights of each year's sports events as well as his unwavering assistance at our weekly press luncheons demonstrate his commitment to the young athlete. We are fortunate to have such an enthusiastic sports reporter keeping score.*

*Mike Moropoulos, writer of the News-Press column Outdoors, a former member of the Board of Directors of SBART, a former SBHS teacher and Athletic Director, and the former Dons Head Football Coach, is a man who has devoted his life to students and athletes. Mike has earned the special gratitude of SBART for his support of our goals, for his years of personal commitment to our youth and sharing of his talents. He has been the one we could count on each year to pen the biographies for our Hall of Fame program.*

*Tim Tremblay, President  
Santa Barbara Athletic Round Table*

## History of the Athletic Round Table

Thirty two years ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could pitch in and help out the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: *The advancement and betterment of all sports and athletics in the greater Santa Barbara area.*

The Round Table got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting, and over 200 joined that evening as Charter Members.

The Round Table's first annual banquet was held at Santa Barbara City College on June 22, 1968. A number of outstanding athletes in a variety of sports were honored and the evening's highlight was the induction of local athletes into the Round Table's Hall of Fame.

Harry's Plaza Cafe was the site of the Round Table's first press luncheon held on September 14, 1970. This program was initiated by the new-president, Bill Bertka. These weekly luncheons were similar to a "Monday Morning Quarterback Club." All nine area schools were represented by the head coaches of the sport in season. For 28 years, the Round Table luncheons have continued to be held at Harry's every Monday, attended by standing-room only crowds.

Since their first meeting back in 1968, the Santa Barbara Athletic Round Table has helped hundreds of individuals and organizations by raising funds to support their athletic programs. Through membership dues, contributions, fund-raisers, and grant applications, the Round Table has raised more than \$1,750,000!

Funds are distributed according to need. The Round Table is proud that it has been able to help athletes at all levels compete in events they would otherwise not have been able to attend. With continued community support, the Round Table is confident Santa Barbara's sports opportunities will continue to grow with each new season.

## Russ Hargreaves Memorial Award

*Russ Hargreaves was a dedicated member of the Santa Barbara Recreation Department. He loved jogging and was committed to total body fitness. This award is given to a person recognized by the Parks & Recreation Department as a leader in maintaining quality sports programs.*

JOE COITO

Russ Hargreaves spent a lifetime providing recreation for others. He was one of this community's good guys, so much so that one of our most prestigious awards is in honor of his contributions. It is fitting that a person of like qualities should be the recipient of this award: Joe Coito.

Joe came to Santa Barbara in 1991 to work at Santa Barbara Bank and Trust, and while doing so volunteered to assist in running the SB County Triathlon, eventually becoming the co-director. As a result of that dedication, he founded Adventours Outdoors Excursions, Inc., a full-time venture offering recreational team-building and incentive programs for corporate groups as well as other sporting events. They currently manage the SB Triathlon, the SB Winery 10 Mile, and the Adventours Run Series.

He commits personal time to managing and consulting for runs such as the Terry Fox/Fay Hobbs, Mito What?, See Us Run, Orchard to Ocean, Law Day 15K, Jingle Bell Run, and the SB Half Marathon. Additionally, Adventours allocates a portion of the monies from public events to charitable and non-profit organizations. In the past six years, over \$20,000 has been contributed to groups by Adventours.

Joe served for two years with Semana Nautica and is on the Board for Tri4Life CC Triathlon and First Night SB. When he does have a couple of hours for himself he plays basketball, hikes, bikes and kayaks.

You'd like this recipient, Russ!

## Special Olympics Mayor's Trophy

*This award was first established by Mayor David Shiffman. It is presented annually to a "Special Olympic Athlete."*

### TRINITY FIDUCCIA

Santa Barbara Special Olympics is proud to introduce Trinity Fiduccia, 1999 Athlete of the Year. Trinity was born in Santa Ana, California, and raised in Vista where she lived with her mother, father and younger brother. It was in Vista that she first participated in Special Olympics at the age of ten. Her sport of choice was Equestrian. Trinity moved to Devereux in Santa Barbara in 1993, where she became very active in many Special Olympics sports. She has participated in every Special Olympic sport imaginable, but currently focuses on the sports beginning with "S" – soccer, softball, skiing and swimming.

While a student at San Marcos, Trinity swam for the SMHS Swim Team. Now supported by the Work Training Program, Trinity lives in an apartment and attends Santa Barbara City College where she is taking general education courses. She plans to continue her education and someday become a veterinary assistant.

Trinity recently returned from her third consecutive year at the Special Olympics Winter Games at Big Bear. She competed in Alpine Downhill, Alpine Slalom and Giant Slalom events, adding 3 more medals to her already impressive collection.

Her powerful combination of talent, hard work and dedication has earned her the privilege of representing Santa Barbara Special Olympics at this summer's International Games in North Carolina where she will, once again, swim for the gold.

## Louise Lowry Davis Award

*Louise Lowry Davis was Supervisor of the S.B. Recreation Dept. for over 30 years before retirement in 1966. As director of the Women's Sports League, she made women's sports activities one of the biggest draws in town in the 1930's and 1940's. Louise was a State Champion and nationally ranked in 1936 and 1939 in table tennis. Over the years, Louise has generously contributed to the youth of Santa Barbara. This award is given to a person recognized as a player, coach or sponsor who excels in leadership and sportsmanship.*

### STEVE KOZAKI

Steve Kozaki is a teacher, a director, a president, a promoter, a coach, a national figure, a fund raiser, and a volunteer of great proportion. Maybe this will help explain. Since 1997, he has directed the Santa Barbara Tournament of Champions, and in two years transformed the annual girl's basketball event into the most competitive high school tournament in the world. Writers from the USA Today, Los Angeles Times, and Sports Illustrated unanimously praised his efforts in raising the standard for high school girls competition. USA Today's Carolyn White measured his success as having "staggering proportions." That tournament, involving 64 teams from 16 states, was hailed by some as the greatest H.S. basketball tourney in sports history. As testimony, memorabilia from the tournament will be permanently displayed in the Women's Basketball Hall of Fame. He also founded the California Storm, a very successful high school aged all-star team of national prominence.

He is one of ten coaches to be invited to the Nike Elite All-America Camp, sits on the CIF-SS girls seeding and awards committee, and is the director of a Nike clinic aimed at developing youth player's fundamentals and educating their coaches.

He is currently the president of a reference and education related publishing company, and director of National Prep Basketball. Steve is also a trustee for the Cold Spring School Foundation. No surprise here, he spent 7 years as a member of that school's teaching staff. We haven't run out of accolades for Steve Kozaki, just room to list them all. From every girls basketball player & her parents — thank you Steve Kozaki.

## R.F. MacFarland Memorial Trophy

R.F. MacFarland was one of the founders of Semana Nautica in 1936. This award is given annually to the person or organization who best exemplifies community leadership in the area of sports and athletics. It is sponsored by the Elks Club, Recreation Dept., local media, & the Semana Nautica Association.

## SANTA BARBARA BANK & TRUST

*SBBT salutes the Hall of Fame winners with a high five!*  
Pictured: Tom Thomas, President; Jay Smith, Senior Vice President;  
Joanne Funari, Vice President.

Prior to the bank's opening in 1960, the Board of Directors established several objectives that would assure a successful future. One of those objectives was to *financially support worthy organizations and the persons we serve*. For nearly forty years of adhering to this legacy, the bank's commitment to the community has been exemplary. Financial contributions in support of sports and recreation needs, particularly targeting youth organizations, have been extraordinary. While financial support has touched hundreds of organizations over the years, it is also important to recognize the commitment of employees in all levels of the bank who contribute volunteer services to community organizations...again, many of which support sports and recreation opportunities for youth.

One of the most notable achievements of the bank has been its leadership and commitment in support of the High Five Golf Tournament for fourteen years. This highly successful event provides funding to five area high school athletic departments. Over \$400,000 has been raised, due in large part to the bank's commitment to the tournament since conception.

The R. F. MacFarland Award is given each year to a person or organization that best exemplifies community leadership in the area of sports and athletics. Thank you, Santa Barbara Bank and Trust, for all you do in supporting athletic and recreation endeavors which benefit so many of us, particularly our youth.

## Scholarships & Awards 1998-1999

### Russ Morrison Memorial Scholarship

NICHOLAS HEWES

Nicholas Hewes will graduate from San Marcos High School where he played 4 years on the golf team, three of them Varsity. He will attend Santa Barbara City College next year and then plans to transfer to a university to pursue a career in engineering. Nicholas comes by his love for the game of golf naturally—his father was on the PGA Tour when he was born and has been his only instructor, hitting balls with him when he was two years old. He worked at the SB Community Golf Course, picking the range and parking carts, and has worked at Rancho San Marcos Golf Course for the past year as a caddie. Nicholas has played in the SB Junior Golf program since the age of 10 and helps to teach in the Russ Morrison Junior Golf program. He played soccer for one year in high school and provides back stage help for the West Coast Ballet Company. Nick's golf coach, Cliff Purcell, describes him as *"a young man of high integrity and excellent values,"* adding: *"As a member of our team, Nick has made valuable contributions to our success. He is loyal, dependable, and supportive of his teammates."* Nick's employer writes: *"Nick has the ability to become an outstanding student and golfer. He is reliable and always does his best."*

### Gina Ruskauff Memorial Scholarship

LAUREN TANAKA

Lauren Tanaka will graduate in from Dos Pueblos High School where she was on the Cross Country and Track teams for four years, serving as the captain for both teams. She hopes to attend UCLA next year. Sports have always played a big part in her life, but running is, by far, her favorite, and she is looking forward to running in college. She is considering a major in sports medicine as a way to utilize her commitment to academics (she has a 3.93 GPA) and her love of running. Lauren has taken Advanced Placement Classes in preparation for her education and career and is currently taking an introductory sports medicine course at SBCC to learn more about the field prior to entering college. In the area of community service, Lauren is treasurer of Interact, a service club, and volunteers at the Goleta Railroad Museum and at local running events. She has also received academic honors in the fields of Written Composition, US History, Chemistry, and Geometry. Her counselor describes her as *"one of the most well-rounded, enthusiastic, energetic young people at our school."* Her social studies teacher writes *"I have continually been impressed with Lauren's abilities and insights into life. She is mature beyond her years..."*

### Jerry & Jerry Scholarship

DANIEL GRACE

Daniel Grace will graduate from San Marcos High in June where he has earned an outstanding 4.25 GPA. At this time, his college choices include UC San Diego, UCSB, and UC Davis. Daniel has played four years for the JV and Varsity Basketball teams, and he was honored to be selected as captain. His basketball coach writes: *"I have had the pleasure of working with Danny on the basketball team and I found him to be exceptionally hard-working, bright and enthusiastic. He has distinguished himself as a respected citizen and a model for all student athletes on campus."* In addition to his sports team commitments, Daniel keeps very busy at school as the Student Body President. He enjoys participating with the JSA Debate club and volunteering at school for the Penny Drive and at Adams School as a tutor. Daniel is a member of CSF in recognition of his academic achievements. One teacher writes: *"Danny is energetic and full of optimism that he can achieve any goal before him. Confidence is the trait he reflects constantly, even when rival forwards are quicker and taller than he on the basketball court. He has learned that brains and effort can make the difference in any situation, athletic or otherwise."*

# Scholarships 1998-1999

## Cox Communications & ESPN Scholarship

**DANA WEYMOUTH**

*Dana Weymouth* will graduate from Santa Barbara High School, where he played varsity soccer and volleyball for four years, serving as team captain for both. Dana maintained a 3.5 GPA at Santa Barbara High and will major in History next year at Westmont College.

He has worked with children both at soccer camps and at church camps. Dana admires the innocence that the children bring to the world. It is these experiences that led him to his career goal of teaching.

The Cox Scholarship interviewer noted of Dana: *"He is self-assured without being cocky and shows admirable respect for his athletic coaches and teachers. He has a wonderful attitude."*

Dana's personality is that of a scholar-athlete. His World Literature teacher describes him as *"Classic, in the Greek sense of excellence,"* adding: *"He combines good grades and hard work with a sound body. He is well-rounded, exceptionally mature, completely honest, and relates well to adults. A leader who is able to listen."*

Dana has worked in food service and in construction during the summers and his employer rated him highly as a hard worker who was able to motivate those around him.

## Cox Communications & ESPN Scholarship

**JENNIFER REHAGE**

*Jennifer Rehage* will graduate from Dos Pueblos High School in June and has maintained a 3.83 GPA.

She has been on the basketball and volleyball teams for all four years of high school, serving as co-captain of both. She started playing softball when she was 7 years old and played on the school team for all four years.

Jennifer is a member of Interact, a community service club, and worked as a volunteer at the Michael Jordan Flight School Basketball Camp. Jennifer is investigating the career fields of history, psychology, and because of her athletic involvement, athletic training and physical therapy.

Her English teacher recommends her highly, stating: *"I am very impressed with Jennifer's seriousness, maturity and reliability. She always seems involved in the challenges of the course and sets a positive tone for the other students. Jennifer is aware of the life lessons and teamwork aspects of her many athletic experiences. Her understanding of the importance of full, dedicated effort and her willingness to learn from setbacks serves her well in the academic realm as well."*

JOHN MOORE  
*Westmont*

The 1998-99 Westmont College Basketball team ranked third in the NAIA on defense (63.5 ppg.) and first in their National Tournament (57.8 ppg.) So what was the defensive strategy that brought so much success? The half-court zone press? No, it was coach John Moore's triangle offense. Not the kind with two forwards and a center, but rather with words – PIE – preparation, inspiration and execution. Give some thought to those words and the philosophy they imply, and you begin to realize that the success of John Moore is very understandable.

And what were those successes? Beating UCSB for the first time in 40 years; the highest NAIA Tourney finish in the history of Westmont: a third in Tulsa, a 20-6 win-loss record on the year, the Tom Byron Classic Championship for the first time in eight years, and an easy win over defending national champion Georgetown of Kentucky at Tulsa. Moore has become the second winningest coach in Westmont history (124-69), with only his friend, coach, and mentor, Chet Krammerer in front of him. Like being conference champion, the tag of Coach of the Year seems to follow him, from Fresno, Pacific, to Westmont, to the SBART.

While a player at Westmont, Moore was credited with 422 assists in two years, ranking him third on Westmont's all-time list. Maybe that attitude – dishing it off to others – has a lot to do with the unselfishness that his teams demonstrate. While accomplishing that record, he was named to the All-District and All-Far West teams.

MARK WALSH  
*Santa Barbara High School*

Three years is a long time if you're thirteen years old and waiting for your sixteenth birthday – driver's license time, right?

But that's not a very long time for a coach to take a new team, in a new sport, to the top. That's what Santa Barbara High School's Mark Walsh has done. The new sport? Girls' Water Polo. In 1997, the first year for varsity competition, SBHS was ranked 5th in CIF-SS with a 21-4 record. In 1998, at 29-1, they won the inaugural CIF Championship, ranked 3rd nationally, and Mark was named Division II Coach of the Year.

This year it was the 2nd CIF crown in a row, a 26-4 record, a national rank in the top two, the Southern California Championship, and a second Coach of the Year award. Have you done that math? In three short years, 76 wins and 9 losses, two CIF Champs and two coaching awards.

So how did Mark do it? One parent put it best: "...Mark has taught full time, gone from boys polo to girls polo, to the swim team, and then a full summer program virtually nonstop. But most importantly, he is an incredibly positive influence on his kids; he listens, he counsels, he coaches and listens some more."

And he wins. His kids win, their team wins, their parents win and their school wins. As you learn more about Mark Walsh, you get the idea that within his philosophy, winning transcends numbers.

## Master Athlete

*This award was established and endowed by Louise Lowry Davis to encourage the continued participation in competitive sports, regardless of age. It is given for achievement by an athlete over the age of 40 years.*

### JOHN WHITTEMORE

*John is a State, National, Olympic, and World Champion in five events.*

He puts the shot, throws the discus and javelin, and only recently gave up the hammer throw and swimming the 50 yard freestyle. Heck a lot of people can do that! But none of them are going to be 100 years old in November. John Whittemore is. He is an incredible man. At 99 years of age, he holds masters world track records in the shot, discus and javelin, one world swim record, a U.S. national record in the hammer throw. He has won seven gold medals in the Senior Olympics.

He is the oldest registered athlete with USA Track and Field in California, the second oldest in the nation, and one of a very few in the world. Whittemore is a true Master Athlete. Doesn't look all that tough, does he? At 95 he fell and broke his hip. Time to give it up, right? At 96 he was back into full competition, and in October of this year, one month prior to his 100th, he will be competing at the Club West meet.

He began his track career at SBHS in the early 1900's, attended Stanford, coached and taught, served in a student military group at Stanford during World War I, and was a naval commander during World War II.

And he is no stranger to awards. He has been the SB Senior Tennis Player of the year, SB Senior Athlete of the Year, is in the SBART Hall of Fame, and was SB Athlete of the Year in Open Division for Masters Track and Field in 1993. Let's see if we have this right. John is a State, National, Olympic, and World Champion in five events and was born in 1899. That means that in 2000 he will have lived in three centuries.

## 1999 HALL OF FAME

### Cindy Battistone Hill Outstanding Athlete

Is that fair? A high school girl playing two-on-two against members of the Utah Jazz?

It is if your dad is part owner of that club. And most importantly, if you have the great athletic ability of Cindy Battistone.

Swimming, tennis, and softball were abandoned by Cindy in order to concentrate on the sport she truly loved — basketball.

Cindy says: "The things that stand out the most to me as I reflect on my career are not the achievements, awards, etc., but the people I met along the way... . "I was fortunate to have coaches who were not only good coaches, but good teachers as well."

One of those to whom she directs such gratitude is Tony Vigna, her coach at San Marcos High School where she started and was team MVP all three of her years. Strange. Tony sees it the other way around,

that her unselfishness carried the Royals to their greatest seasons.

And while she was not overly impressed with the awards and honors, they were sneaking up on her. Team MVP all three years, All-League 3 years; All-CIF 2 years; and Parade All-American.

Always a tough, physical, and yet sophisticated player, she enjoyed the same degree of success at Brigham Young University where she started for four years. Demonstrating that combination of ability and character, she had 23 rebounds in one game as a freshman, won conference championships and NCAA berths, led BYU in scoring while they led the nation in that category, and remains BYU's 3rd all-time scorer and 2nd rebounder.

Hey, Cindy, you can still take them one-on-one while husband William and daughters Sami and Kodi cheer you on!

## 1999 HALL OF FAME

*Alfonso "Poncho" Renteria*  
*Outstanding Athlete*

Modesty is a medium-sized word, but in athletics it is monumental. And hard to find. When "Poncho" Renteria was asked to submit a brief bio of his personal and athletic background, he wrote: "... playing sports was for the love of the game and not for the limelight. After my junior year of football, I vowed never to read the clippings of myself in the newspaper."

Had "Poncho" read those clippings when he was a junior, he would have seen this: "1st Team All-Channel League Football and Soccer; 1st Team All-CIF Soccer; 2nd Team All-League Baseball."

If he had been more in to "Poncho" as a senior he would have read: "Channel League Football MVP; All-CIF Division II Football; 1st-Team All-League Soccer; 1st-Team All-CIF Soccer; 1st-Team All-League Baseball."

Can an athlete of that caliber, with a CIF football

championship in his resume, be humble, modest, and unselfish? Ask Fred Warrecker and Lito Garcia, his high school coaches, that question. They'll smile and tell you that he epitomizes those qualities.

That sense of modesty and team-oriented attitude masked the tremendous athleticism of a young man who was one of the best to have ever participated at his school.

What he considers a mediocre performance led to a 2nd Team All-Conference berth at SBCC as a junior. As a senior, an improved team (10-2) and a Potato Bowl bid brought "Poncho" a conference offensive MVP. He finished his career at Cal Poly, returned to SB, married Leticia, is a member of the Dons football staff, loves working with kids, and plans to complete his educational and career goal of teaching and coaching.

May athletes all be like you, "Ponch!"

## 1999 HALL OF FAME

*Gary Fischer*  
*Outstanding Athlete*

Wrestling is one of the great sports. It is one in which a 98 pounder isn't some kid who gets sand kicked in his face. It is a sport where he can be a state champ, a team captain, MVP, and an All-American.

A sport where a kid like Gary Fischer can win 225 times while losing only 33. However, he did have a lot of luck on the way: he wrestled for Dos Pueblos High School coach Mike Hart.

But that used up all his luck. Dedication, superb physical conditioning, a fierce competitive drive, character, athleticism, and a champion's work ethic took over. If you do not possess those qualities, you don't win 225 matches while weighing from 98 to 118 pounds. There is no luck on a wrestling mat.

Want to know what a real wrestler looks like? Take a good look when Gary Fischer is standing on the stage tonight. This is a wrestler.

While a Charger he was a three-time Channel League Champ at 98 and 105; a member of the CIF Champs in 1975; placed 6th, 5th, and 1st in the CIF; was the State Champion in 1976; a member of the CIF-SS All-Star cultural exchange team to Japan; and earned a full scholarship to Cal Poly.

That's where he once again got lucky — this time in hooking up with coach Vaughn Hitchcock. He was a four-year starter, two-time Division I All-American at 118 pounds and only a serious knee injury kept him from a third honor. He became a candidate for our Olympic team, but that was the year it was cancelled.

Gary now lives in Modesto, is a construction consultant, has four kids 12 to 17, and is still active in wrestling as a coach at Modesto JC and Beyer HS. He intends to complete his teaching credential and, guess what? He wants to coach high school wrestling!

## 1999 HALL OF FAME

*Dennis Savage*  
*Outstanding Athlete*

Do any of you remember Jules Lindner? Most likely you saw him running our streets as a very senior citizen who ran, and ran, and ran. Why do people who can run—like Dennis Savage—command our deep respect?

What made him such a great runner at San Marcos High School and Westmont College? Why did he run a mile in 4 minutes while we puff going around the block?

Genes? Physiological and anatomical factors? Desire to excel? Superior lung and heart functions? What about determination, work ethic, and character?

For Dennis Savage, it is all of these. Look at his accomplishments: at SMHS he was All-CIF twice in Cross Country (5th and 2nd); Channel League mile champ every year (3); All-CIF miler (3rd); 1965 Outstanding Athlete and SMHS Hall of Fame member.

At Westmont College he was NAIA District CC

champ for 2 years; finished 8th, 11th, and 5th in CC Nationals; and is in the NAIA National Hall of Fame for CC and Track. He was District III champ in the 880 and mile for 3 years; was NAIA National mile champ for two years; was 4th in the NCAA University Division; 5th in the AAU mile; holds the school records in 880, mile, and two mile; and was an AAU mile finalist in 69-70-71.

He has won 10 All-American awards in both NAIA and NCAA CC and Track. He was invited to attend two summer Olympic training camps and was inducted into the Westmont Hall of Fame in 1995.

Of all these honors, he is proudest of his finish in the 1970 AAU Mile run. As an underdog he led for 3 3/4 laps only to finish fifth by .7 of a second and only .1 of a second to Marty Liquori.

Hey Dennis, got your Adidas on?

## 1999 HALL OF FAME

*Paul Menzel*  
*Community Leader*

Community leader is a bit of an understatement. You will read here about ten or so volunteer organizations that Paul Menzel serves. But first, let's try to reason this out. What makes people like Paul (there aren't that many) tick? What's inside that makes him give so much for so long? A gift?

We all know about payback, you helped me then, I help you now. But Paul's deep sense of volunteerism transcends that simple explanation. Some have a business gift. Paul is a Senior Vice-President at Santa Barbara Bank and Trust. Others are gifted athletes. Menzel, as a basketball player and track and field athlete, has an elite place on the wall along with other great San Marcos High School Hall of Famers. He continued at SBCC and UC Berkeley.

But maybe the most unusual gift is that of giving, not money, not things, but time and caring. It is for this gift, and his exercising of it on behalf of our kids that he is being inducted into another Hall of Fame.

Paul has served or is serving on the following: Organizing Committee of the Easter Relays; founding President of the La Playa Community Sports Association (which raised \$750,000 to create a state-of-the-art track facility); Goleta Boys and Girls Club, past-President (he spent a lot of time there as a kid); United Boys and Girls Clubs; the non-profit Balance Bar (SB Volleyball Club), past-President; Parks and Recreation Community Foundation; Public Education Foundation; and the SB Athletic Round Table, past-President 1993-95.

In case the name Menzel is familiar, it might be because he and wife Karen (De La Torre) Menzel are raising their own Hall of Fame in Marisa, Erica, and Jeffrey.

Thanks, Paul, now we owe you! And don't try to compete with those kids.

## 1999 HALL OF FAME

*Jack Trigueiro*  
*Coach*

Show us a great coach and we'll show you a great teacher. Ask us for a great teacher and we'll show you Jack Trigueiro. That he is a great coach is a given, and it is for that reason we are here tonight, to welcome him into the SBART Hall of Fame.

From 1965 to 1992 his Santa Barbara High School tennis team won 31 Channel League Championships (30 in a row); were CIF-SS semi-finalists 6 times, finalists 13 times, and CIF Champions 10 times (8 in a row.) His W/L record is staggering and reflects his great coaching. They won the prestigious Ojai "Griggs Championship" 9 times (6 in a row), and he had many super players, including two Junior U.S. Open Champions, Mike Falberg and Tim Trigueiro.

What this unprecedented success in tennis has done is to somewhat veil the impact he has had on local basketball. From 1965 to 1978 he was one of the finest technicians in high school basketball. In 14

years of tough competition his teams were 240-90, with five Channel League league titles. He developed three NBA players in Jamaal (Keith) Wilkes, Don Ford, and Vic Bartolome.

His knowledge of the game was best demonstrated by his ability to control the tempo of a game, be it with ball control or running the court. Through his strong sense of discipline, fierce competitive spirit, intensity, belief in sound fundamentals, tenacious defense, and an uncanny ability to take control of the clock, his teams reflected great organization and teaching. Isn't that where we started? Whether it was badminton, flag football, or swimming — great teaching.

Jack is now sharing his retirement with family: wife Sharon, sons Tim and Rick, and daughter-in-law Linda.

Oh, by-the-way, don't make any bets with him on the golf course!

## 1999 HALL OF FAME

*Pat Moorhouse MacPhee*  
*Coach*

Pat Moorhouse MacPhee is a proud person. She should be. For 28 years she has influenced the lives of young people. She has taught, coached, administered, and most significantly, cared for them.

Along the way she has modestly posted some staggering numbers. In six years as volleyball coach and with a 128-16 record, she won 5 WSC championships, ranked in the top three in the state four years, and was WSC Coach of the Year four times.

From 1977 to 1991 her tennis teams went 250 and 28. Of the 15 years she coached, they won 14 WSC titles and one State championship. She was voted Coach of the Year 10 times in WSC, and the State in 1991. She has won the admiration and respect of her peers and unselfishly shares her successes with the local high school programs.

Pat also served as an Associate Athletic Director for 18

years, teaches fitness and health, and has been the P.E. Department Chair since 1985. She has won the Louise Lowry Davis Award and is a board member of SBART and the California Commission on Athletics.

In knowing Pat, it is obvious that she deeply cared about her players as athletes, students, and individuals, encouraging them to become productive citizens. She cares about people — at a Hall of Fame level. And she might have the biggest rooting section here tonight. She reserves her greatest sense of pride for daughter Pam, son Jeff, and their families.

While she may not look the part, Pat is the grandmother of six and says: "I'm proud of the accomplishments of my children and am delighted that my grandchildren are old enough to share this evening with me."

We are proud that we can share this honor with you.

## 1999 HALL OF FAME

### *Anita Ho* *Special Achievement*

Let's see if we have these numbers right. As a Recreation Supervisor for the Santa Barbara Parks and Recreation Department, Anita Ho recruited 600 volunteers each year. Six hundred, most of whom were new to the program each year.

What program? The Special Olympics. Thirty years ago a friend advised Anita Ho to move to Santa Barbara where the people were good and where she would be cared for. After 24 years of moving, she was home and she had herself turned into one of those good people who cared for others.

After attending SBCC and UCSB, Anita began a 20 year "hitch" with Recreation. And just how did she start that career? How else, as a volunteer.

Her career was on the way, and for twenty years Anita provided special recreational, educational, and cultural

services to individuals with disabilities. Her dedication and commitment to the Special Olympics touched over 2,000 athletes and their families, vastly improving the quality of their lives.

She has been honored for meritorious service by the ARC, an association of the disabled, and the Special Olympics Statewide Office. Anita has also been honored by the Parks and Recreation Commission for her service as Recreation Leader, a Senior Leader, Assistant Supervisor, and finally a Supervisor in charge of the Adapted Recreation Program for the City.

While caring for these "Special People" she also raised thousands upon thousands in grant money for their welfare. Her marathon years now in the past, Anita enjoys biking with her family, workouts, and e-mailing her brother in Panama.

Anita, you are the "Special" one.

Scholar-Athlete  
of the Month

Sponsored by the  
Human Performance Center

The Santa Barbara Athletic Round Table Scholar Athlete of the Month Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who maintain strong academic and extracurricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extracurricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Athletic Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It also is a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present the 1998-99 Scholar Athlete Awards to:

Daniel Wallace	Bishop Diego High School
Ryan Gocong	Carpinteria High School
Adam Horowitz	Cate School
Tyler Fredrickson	Dos Pueblos High School
Garrett Wilson	Laguna Blanca School
Solona Lee	San Marcos High School
Laura Sickafoose	Santa Barbara High School
Jeff Restivo	Santa Barbara City College
Katie Gardinier	Westmont College
Bryan LaCour	UC Santa Barbara

Sportsperson  
of the Month

Sponsored by  
Santa Barbara Bank & Trust

Criteria for selection of the person or organization honored in this category include the characteristics of good sportsmanship and demonstrated leadership abilities in the area of sports or athletics. The honoree must be a layperson to the activity, with service to others as a visible priority in his or her lifestyle or the structure of the organization. Awards will be made for accumulated demonstration of service and or for specific projects.

Art Flores	Tom Caesar
Chris Kittredge	Ethel Byers
