Welcome

This is the Thirty-Fourth Annual Hall of Fame Banquet sponsored by the Santa Barbara Athletic Round Table. We are delighted to welcome each one of you. Your presence this evening is evidence that you share our commitment and dedication to the Round Table goal: *The advancement and betterment of all sports and athletics in the greater Santa Barbara area.*

Tonight the whole community joins in honoring student-athletes, community leaders, coaches and volunteers whose contributions deserve public recognition. Thanks to the foresight of founders Jerry Harwin and Caesar Uyesaka, we have designed this event to salute the positive accomplishments of some of Santa Barbara's best.

We greatly appreciate the wonderful support of all those who have unselfishly contributed their time and talents to this important endeavor: assisting young athletes become the best they can be.

Special Recognition

David Edelman, Director of Public Affairs for Cox Cable, deserves a standing ovation from this community and SBART. We can only imagine the thrill young people experience when viewing their moment of honor on local television. Without the help of David and his staff, we could not provide this level of acknowledgment.

Gerry Fall, Sports Director of KEYT-TV Channel 3, has earned our gratitude for all he does to honor athletes. His extra efforts in producing videos of the highlights of each year's sports events demonstrate his commitment to the young athlete. We are fortunate to have such an enthusiastic sports reporter keeping score.

Randy Lee, Sports Director of KEYT Radio, does a remarkable job of recognizing our area's student-athletes and teams on his radio sports reports. Randy also provides the introductions this evening for each of our high school and college athletes of the year.

Mike Moropoulos, writer of the of the News-Press column Outdoors, a former member of the Board of Directors of SBART, a former SBHS teacher and Athletic Director, and the former Dons' Head Football Coach is a man who has devoted his life to students and athletes. Mike has earned the special gratitude of SBART for his support of our goals, for his years of personal commitment to our youth and sharing of his talents. He has been the one we can count on each year to pen the biographies for our Hall of Fame program.

Santa Barbara Athletic Round Table*

History of the Athletic Round Table

Thirty four years ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could help the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: *The advancement and betterment of all sports and athletics in the greater Santa Barbara area.*

The Round Table got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting and over 200 joined that evening as Charter Members.

The Round Table's first annual banquet was held at Santa Barbara City College on June 22, 1968. A number of outstanding athletes in a variety of sports were honored; the evening's highlight was the induction of local athletes into the Round Table's Hall of Fame.

Harry's Plaza Cafe was the site of the Round Table's first press luncheon held on September 14, 1970. The luncheons, initiated by the new-president, Bill Bertka, were similar to a "Monday Morning Quarterback Club." All nine area schools were represented by the head coaches of the sport in season. For 31 years, the Round Table luncheons have been held at Harry's every Monday, attended by standing-room only crowds.

Since its first meeting back in 1968, the Santa Barbara Athletic Round Table has helped hundreds of individuals and organizations by raising funds to support their athletic programs. Through membership dues, contributions, fund-raisers, and grant applications, the Round Table has raised more than \$1,800,000!

Funds are distributed according to need. The Round Table is proud to help student-athletes at all levels compete in events they would otherwise not have been able to attend. With continued community support, we at the Round Table are confident that Santa Barbara's sports opportunities will continue to grow with each new season.

Russ Hargreaves Memorial Award

Russ Hargreaves was a dedicated member of the Santa Barbara Recreation Department. He spent a lifetime creating opportunities for others to enjoy the benefits of recreational activities. He loved jogging and was committed to total body fitness. He knew that a healthy mind and body was the first step to a happy and productive life. This award is given to a person recognized by the Parks & Recreation Department as a leader in maintaining quality sports programs.

THERESA FRAZIER BROWN

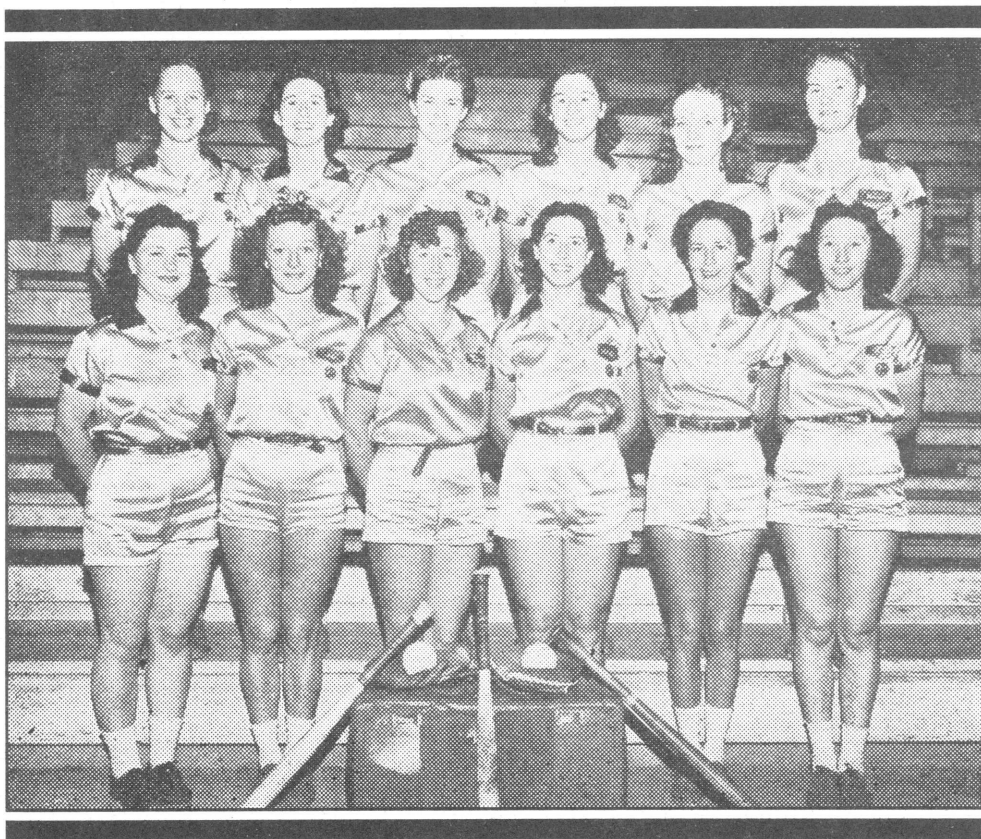

In Terry Brown's resume there are overwhelming indicators of her professional life: kids, youth, children and schools, fifteen years of devotion to and caring for the young of our community. She is proud to state that her supervisor, during her entire career, has been former Hargreaves Award recipient Cliff Lambert.

Of Brown Lambert says: "A true trailblazer forging ahead and making a difference in the lives of our community youth. Theresa Frazier Brown is a recreational professional whose time has come to be recognized for extraordinary leadership, service and broad based support ..." And tonight Terry is being recognized as the recipient of the prestigious Hargreaves Award, a very special award for those who serve our youngest.

In three short years, Terry's efforts have been rewarded by the tremendous enthusiasm for her work on the After-School Opportunities for Kids program. The A-OK! recreation program is found at all ten SB elementary school sites and serves over 800 children per day. Additionally she has introduced and maintained summer camps, a counseling program by teens, a girls fast-pitch program, the partnered Healthy Start Leadership Team and science camps; she has established excellent rapport with schools and agencies.

She says of her service: "Committed to collaborative efforts toward implementation of programs that enhance the opportunity for all youth in the Santa Barbara community to succeed." And she still has time for husband Peter, and children Kyle and Courtney.

Louise Lowry Davis Award

Louise Lowry Davis was Supervisor of the S.B. Recreation Dept. for over 30 years before retirement in 1966. As director of the Women's Sports League, she made women's sports activities one of the biggest draws in town in the 1930's and 1940's. Louise was a State Champion and nationally ranked in 1936 and 1939 in table tennis. Over the years, Louise has generously contributed to the youth of Santa Barbara. This award is given to a person recognized as a player, coach or sponsor who excels in leadership and sportsmanship.

7-UP BOTTLING COMPANY SOFTBALL TEAM OF 1940

News-Press sportswriter John Zant made one of the few errors in his career; he asked Louise Lowry Davis: "How old are you?"

She answered: "People can get shot for asking me that question. Age has nothing to do with anything. That's a negative thought that drags people down. I'll never tell my age. The hell with it. I don't know any old people. We're all alive and kicking."

See that table up in front with all the ladies? They're here every year. Banquet stars. Don't ask them how old they are, they are disciples of Louise Lowry Davis and members of the Santa Barbara 7-Up softball team. And if you tried to turn a double-play against them you'd better get out of the way. In 1938 they played in front of 4000-5000 people at Pershing Park – and won. In 1938!

OK - ask, how old are they? You figure it out. Slugger Angie Giovanacci Campitelli is the "kid" – she just turned 80. Why the kid? Because she fibbed about her age to be able to play before she graduated from SBHS. And what interviews. We called catcher Adeline Taverna Tomberg. OK if she called back in ten? Sure, you know, waning memories and all. Sure, waning memories.

When she did call back she had sister-in-law and team captain Ida Duncan Taverna on a three-way conference call. They spoke of batting averages, cities visited, positions, coaches, correct name spellings, visiting teams, coaches, like it was – well, 63 years ago! And be sure to spell Coach Timmy Badillo with an "o." Poor things.

But they're not being honored because they won. They're being honored because they are still winning. And so are the young women and girls who can look up to them as role models. They established and are epitomizing the standards and values which we are just now beginning to understand. Every year they attend the Round Table Luncheon on 'Women and Girls in Sports Day' and say: "Hey, look, come on, let's go!" What an appropriate award.

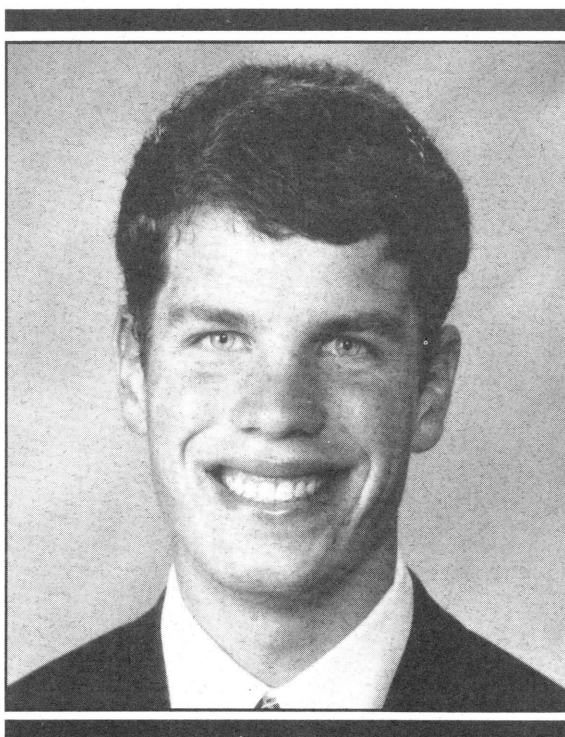

And if you want to know how old they are, don't ask John Zant!

Special Olympics Mayor's Trophy

This award was first established by Mayor David Shiffman. It is presented annually to a "Special Olympic Athlete."

KYLE PETERSILIA

There are two things so very special about the Special Olympics: the athletes and the people who work and volunteer on their behalf. Tonight is about the athletes and more significantly, the Special Olympics Athlete of the Year. Those who worked and volunteered in the program, who organized and officiated and who worked so closely with so many of their charges have selected Kyle Petersilia.

He is a highly motivated and intensely respected teammate in the program. One of his coaches said: "Kyle is an outstanding athlete who is always working hard and is a team player. I can think of no better person to receive this award." Another commented: "No one is more willing to work hard and listen than Kyle."

One of the qualities required for selection is that the person demonstrate a long history of competing in a variety of sports. How about track and field, floor hockey, softball, basketball, and soccer? In 1999 he was one of three Santa Barbara athletes selected to represent Southern California in the International Special Olympics Games.

He also participates each year in the Special Olympics Torch Run, a collaborative effort with law enforcement to raise funds for the program. In addition to being a true sports junkie, Kyle assists with San Marcos HS football and with SBCC athletics.

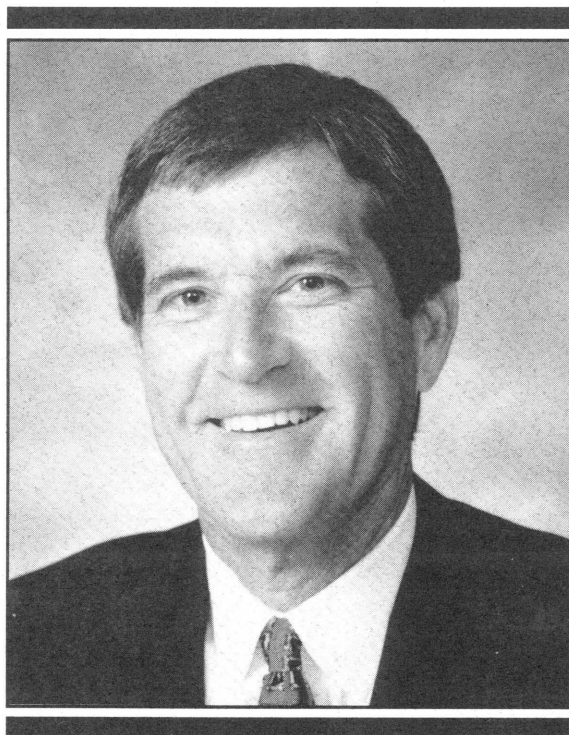

The community of Santa Barbara is very proud of you, Kyle, and thanks you for ten years of outstanding participation. How about ten more?

R.F. MacFarland Memorial Trophy

R.F. MacFarland was one of the founders of Semana Nautica in 1936. This award is given annually to the person or organization who best exemplifies community leadership in the area of sports and athletics. It is sponsored by the Elks Club, Recreation Dept., local media, & the Semana Nautica Association.

JOE HOWELL

Tonight is probably as slow as you will ever see Joe Howell moving. He started running in Santa Barbara in 1974 when he and his wife Barbara moved here and has never stopped. Running from the offices of Howell Moore and Gough LLP - where he practices law-is nothing. Because that's what Joe Howell does. He runs, he volunteers.

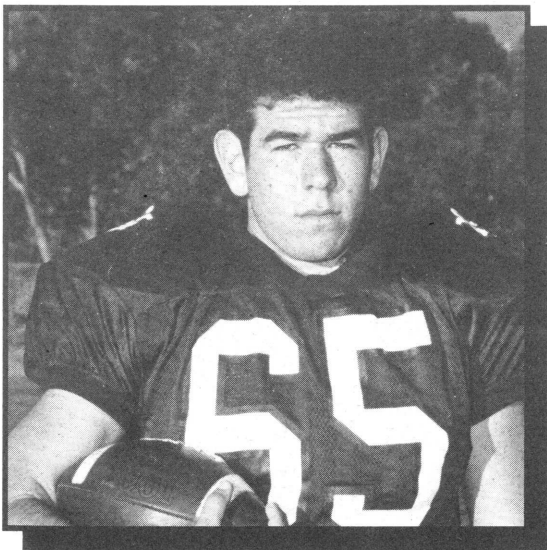

In 1988 he organized the Law Day 15K Run/Relay sponsored by the SB County Bar Association - for whom he has served as President - and was Race Director for many years, raising thousands of dollars for the Legal Aid Foundation. He was one of the founders of Run for Research, a local group that competed in the 1994 and 1996 Boston Marathons, raising over \$40,000 for cancer research. He presently serves on the Boards of the SB Athletic Association and the SB Triathlon Club and continues to be an active participant and volunteer in the endurance sports community.

Even his kids have been on the move - but in the water. He began his sports volunteerism when they captained their respective water polo and swim teams at SBHS. Son Ben, a Stanford grad, is an assistant editor for *California Lawyer* while Sarah competes for the Women's Water Polo team at U.C. Berkeley.

So what does Joe Howell do in his spare time? Spare time? Education oriented, he is President of the SB County Board of Education, a member of the Board of Directors of the SB Partners in Education, and longtime member of the Board of Directors and current President of the SBART.

Scholarships 2000–2001

Cox Communications & ESPN Scholarship

MICHAEL DEAN

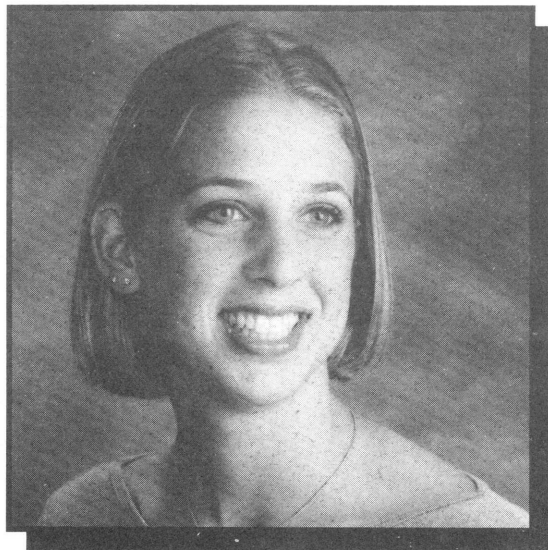

Michael Dean will graduate from San Marcos High School where he played on the Football team for four years and serves as team captain this year. A three-year member of the Baseball Team, he has also served as captain.

Michael has maintained a 4.27 GPA in a rigorous college preparatory curriculum and plans to major in history or business at UCLA, UC Davis or UCSB.

Outside the classroom, Michael has spent many hours in service to our community. He helps serve dinner to the homeless on Thanksgiving and he volunteers with Toys for Tots. He donates time to the 4th of July celebration events and to the Summer Solstice celebration parade. Michael has also worked for a local restaurant after school for four years.

His teachers recommend him very highly, stating: "He contributed daily to the intellectual atmosphere of the class, and his attitude challenged his peers." His teachers also praise his "quiet, yet powerful leadership," one describing him as "One of the finest I have had the honor of teaching."

Cox Communications & ESPN Scholarship

KRISTIN KIEFER

Kristin Kiefer will graduate from Santa Barbara High School where she played on the Volleyball team for four years, serving this year's as team captain. She also plays club volleyball and has served as captain of that team for two years.

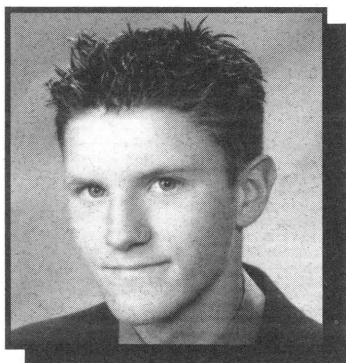

Kristin has maintained a 4.55 GPA in a strong college preparatory curriculum and will attend UCLA in the fall. Her career goal is to become a teacher.

In addition to her academic and athletic involvement, Kristin has generously volunteered her time with the National Charity League, Cottage Hospital, Valle Verde, The Council of Christmas Cheer and Friday Night Live's mentoring program.

Kristin has also received Golden State honors for Geometry, Written Composition and Reading–Literature. Her academic counselor recommends her highly, stating: "*Kristin has been able to balance a strong academic program with an intense athletic schedule. Many students would be overwhelmed, but Kristin always maintains a pleasant and even manner.*"

Scholarships & Awards 2000 –2001

*Russ Morrison
Memorial Scholarship*

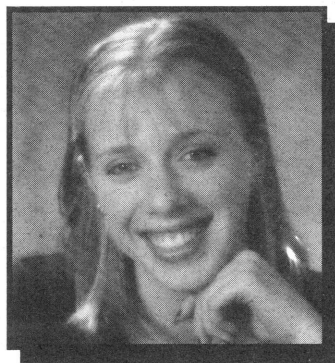

STUART CARLSON

Stuart Carlson will graduate from Bishop Diego High School where he has been a valuable member of the golf team. A three-year team member and currently the Team Captain, Kevin also works at the Santa Barbara Municipal golf club and is a member of the Santa Barbara Men's golf club. He writes in his application essay: *"For the last three years, I have dedicated every day to practicing and perfecting my swing. I have become good friends with all of the professionals at the golf course and, as a result of my employment there, I have decided to pursue a career as a teaching professional myself."*

Stuart will attend Santa Barbara City College to complete his General Ed. courses and then plans to transfer to UCSB to earn his degree in Business. He hopes to play on the Gaucho golf team at UCSB. The Dean of Students says: *"Stuart's improvement on the golf course is entirely a product of his own hard work and maturity. He was not raised on a golf course with lessons and help. He has sacrificed time and effort to become a better player. He has endured the frustrations of golf with determination of heart that I have seen in few other players. Stu has become an outstanding, respected citizen on campus..."*

*Gina Ruskauff
Memorial Scholarship*

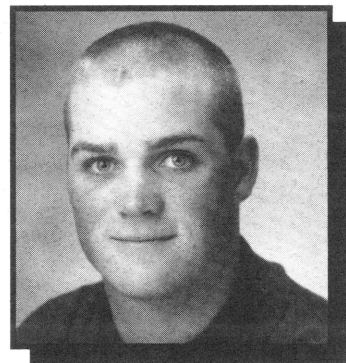

PAMELA "JILL" CLARK

Pamela "Jill" Clark will graduate from Dos Pueblos High School where she played for three years on the Basketball team and was elected team captain. Jill played on the Volleyball team for two years as well, also serving as team captain. Currently serving as Commissioner of Logistics for Dos Pueblos Leadership class, she is highly recommended by her teachers. The Basketball Coach writes: *"A team leader, she is as dedicated as any player that I have ever coached, and refuses to settle for anything but her very best effort. Jill has managed to balance leadership, basketball and her family and friends while maintaining high academic standards. I truly believe that Jill's dedication on the court is a reflection of the way she lives her life. Jill leads by example. The younger players on the team look up to her as a leader and role model. Jill leads not only with her words but with her actions as well. On an off the court, she is a responsible, caring and dedicated young lady."*

Graduating with a 3.68 GPA, Jill will major in Kinesiology next year plans a career in Athletic Training and Coaching. She plans to attend San Diego State or CSU Northridge.

*Santa Barbara Athletic
Roundtable Scholarship*

KEVIN SPEIER

Kevin Speier will graduate from Dos Pueblos High School where he has performed as the model Scholar-Athlete. On the Football team, he was captain of freshman, sophomore and varsity teams for 3 of the 4 years that he played. In the 2000 football season, he was the Head Captain and was awarded the *Coaches Award* and was selected for the second All-League team. Kevin also played on the Baseball team for four years and calls baseball his *true love*. He served as the Captain of the freshman team where he also received the *Coaches Award* for his efforts. As the only sophomore starting on the varsity squad, he was awarded as the best defensive player and was a member of the honorable mention All-League team. He will serve as Captain this year.

In addition to maintaining a 4.44 GPA, Kevin is active with his church and choir. He started working at the age of 15 and currently works 10 hours weekly as a leasing agent for a property management firm.

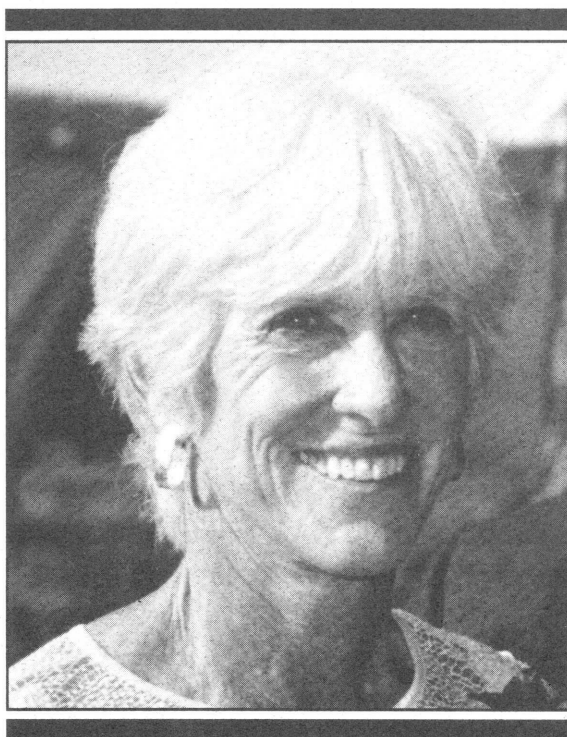

One of his teachers writes: *"Kevin is an outgoing, hard-working person of integrity and quality who is highly respected by his teachers and peers alike."*

SINCLAIR BILL

It started 46 years ago in Punahou, Oahu. So where is Sinclair Bill as we write this piece? Playing tennis in Australia – and as usual championship tennis.

In 1995, she was the first woman in her age group to ever win on grass, clay, hard court, and indoors play – the Grand Slam. In that same effort she was in the four doubles finals and won two of them. In 1996 she was ranked #1 in both singles and doubles in the USA and #2 singles in the world. In 1998, she was ranked #3 singles and #1 doubles, and in 1999, she was ranked #4 singles and #3 doubles. In 2001, it was #2 USA singles and #1 doubles and #4 singles in the world.

At the ITF World Championships, she won the doubles in 1995, 1996, 2000. Also in 2000 she won the National Hardcourts singles, was a finalist in doubles, won the Grass Courts Doubles, was a finalist in singles, won the indoors doubles, and was a finalist in the singles. She also played in the Mo Connolly Cup (55 and older) in France, Austria, and Florida, and the Alice Marble Cup in both South Africa and Australia.

As coach of the Girls Tennis Team at SBHS, she has won the Channel league every year (two ties) since 1987. In 1999, she coached the Boys Tennis Team to the Channel League Championship.

From a young girl in Hawaii; to a world champion; to becoming the Master Athlete of the Year. Nice going, Sinc (and family!)

GREGG WILSON

University of California at Santa Barbara

Gregg Wilson knows what it takes to win conference championships – his swim teams have won 31 (22 men's titles and 9 women's) over a period of 25 years. And he knows about conference Coach of the Year – he has been selected as such on 19 occasions. It takes good athletes, good students, lots of determination and a burning desire to succeed. That is what Gregg demands from his swimmers. And that's what he teaches.

It doesn't hurt to have a good alarm clock, either. Want to find Gregg and his team members? Drop by the UCSB pool before everyone else is up. Because that's what it takes: conscientiousness, dependability and plain old hard work. And a coach who, along with a keen knowledge of his sport, demands and maintains high values while remaining sensitive to the needs of his athletes. Gregg Wilson is very good at that; he is—first of all—a teacher.

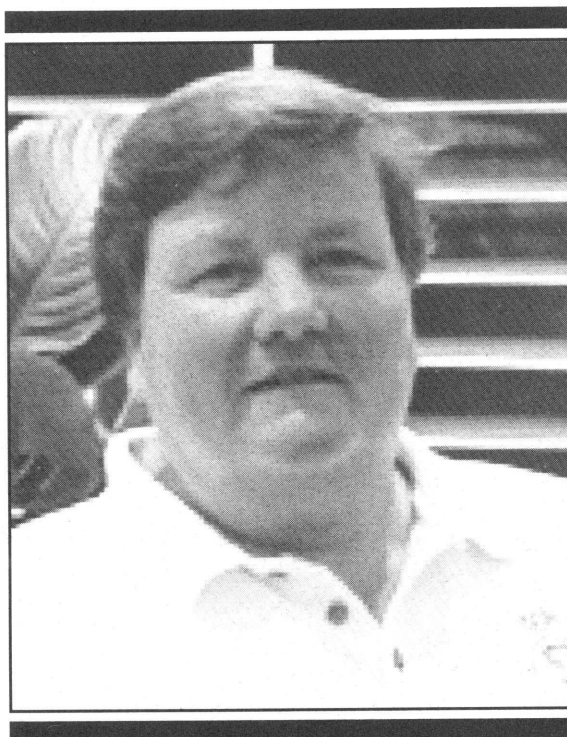

The combination of good teaching and coaching produces *Winning!* The Gaucho men have just won their 22nd Big West title under Wilson; he is the 2001 Coach of the Year in both men's and women's swimming; his dual meet record is 242-165; and he has coached 31 All-Americans, 3 Olympians and a Gold Medal winner in Richard Schroeder.

We're not sure how Gregg and his wife Carol have done it, but their kids seem to be following in their Dad's wake – Diana a Cal grad; Melissa on the Cal Women's Polo Team; and Paul is swimming and playing water polo at Dos Pueblos. Congratulations, Gregg - again!

NAN SEED VERKAIK
Santa Barbara High School

The 2000 Santa Barbara HS Girls Volleyball team won the CIF Championship. As the coach of that team, Nan Verkaik is being honored as "Coach of the Year," but it is impossible to limit the discussion to that accomplishment without addressing her character. Nan Verkaik graduated from SBHS with honors in both academics and athletics. At the U. of Puget Sound, she competed at the varsity level for four years in—get this—volleyball, basketball, softball, track & field and field hockey.

Nan came to SBHS in 1977. Twenty-four years and multiple swim Championships later, the school is still thankful. In addition to swimming, she coached J.V. volleyball even during the swim season. What's unusual about that? Swimming started at 6:00 a.m., then a full day of helping kids with special needs, swim practice after school, volleyball practice in the evening, and home by 8:00 p.m., except for game nights when it was 11:00 p.m. or midnight.

Currently, she is also the head Boys Volleyball coach, but for tonight she is the coach of very talented CIF Champions. How? Through the work ethic, scholarship demands, responsible citizenship, positive attitude, discipline and keen desire that Nan demanded and demonstrated in her own life. Because of her unselfishness, modesty, and humble demeanor, look and listen quickly—for she will not be in the spotlight very long. She'll slip silently back to the table with husband Wim, son Justin, her parents and extended family.

2001 HALL OF FAME

John Osborne
Coach

His family says: "Never a dull moment when he's around." "No grass grows under his feet" say his co-workers. And his players? "P.P.P.P.P.," (Prior Planning Prevents Poor Performance.)

And so does great coaching. It is for that quality that he is being inducted by the Round Table. In 31 years as baseball coach at Alan Hancock College, "Ozzie" led his team to a record of 698 wins and 409 losses. The 698 is the third highest total wins in California Community College history. During that period of time his Bulldogs also won eleven conference championships and won the state championship in 1972. Twenty-five times he coached his team to 20 wins or more.

While those are glowing and Hall of Fame level stats, say the name *John Osborne* in the Santa Maria area and in return you will hear respect, quality, class and caring – with a grin and a chuckle tossed in. Few

coaches can attain that level of success with such a great sense of humor, abounding enthusiasm and genuine caring for his players and staff - tempered by intense dedication, high-level expertise and a work ethic worthy of role-modeling.

Testimony to that positive philosophy of athletics is the number of former players and their families with whom he maintains a relationship.

One of the great athletes to have participated in the Santa Barbara community, John played at the highest level of basketball and baseball competition at SBHS, SBCC and UCSB. He followed that with a stint in the Los Angeles Dodgers organization.

But his real major league accomplishments were Elizabeth, Jennifer, Sarah, Jon, Jeff, Doug, Dave, five grandkids and wife Mardi who teaches at Hancock.

2001 HALL OF FAME

Jim Peterson *Outstanding Athlete*

Think about this. Just how high is 13 feet?

Of course that depends upon the context; if that's tonight then it is twice as high as any one here is tall (including the M.C.)

If you're talking about today's pole vaulting, with high tech flex-poles, composition runways, and large elevated landing pads of absorbent foam, it is a very modest height. But if you're asking about 13 feet in 1937, with dirt runways, bamboo poles, and a sawdust landing pit, that's pretty close to the moon.

But that is exactly what Jim Peterson of Carpinteria High School did, vaulting 13-1 5/8 inches for one of the nation's top marks, a mark he would have probably eclipsed in the CIF Finals except for a technical ruling: he had turned 19 just before the finals and couldn't compete.

There's more, like holding the school record in the

100 yard dash and finishing 2nd in the CIF pole vault as a junior.

Now, think about this: he won 18 varsity letters in 5 sports during his career at Carpinteria High: football, basketball, baseball, and track. Then toss in a couple of tennis letters, and it spells incredible athlete.

Not only did he letter, but became the MVP of the football team and captain of an undefeated basketball team and continued his track career at Pasadena Junior College.

Such an outstanding athlete was Peterson that he was elected to the Helm's Athletic Hall of Fame in 1958, one of the most prestigious awards in high school sports.

However, he was elected posthumously. On December 29, 1944, during WW II's "Battle of the Bulge," Jim Peterson was killed in action.

2001 HALL OF FAME

Kristin Knapp Cole *Outstanding Athlete*

Kristin Knapp was captain, all-league, all-CIF, all-county, all-state and All-American while playing Basketball at Santa Barbara High School. She was both Channel League and SB County MVP, SBART and News-Press Athlete of the Year, all-time leading rebounder and second leading all-time scorer.

As a scholarship power forward on the NIT and NCAA-bound Notre Dame University, she was named to the MCC all-freshman squad and played in the NCAA three of her four years at ND.

That says a lot about Kristin the basketball player, but not much about the person, the character or her athleticism. She graduated with high honors and remains one of the most dedicated, tenacious, physically and mentally toughest, determined and competitive female athletes SBHS has enjoyed watching. And while playing at an All-American level it was

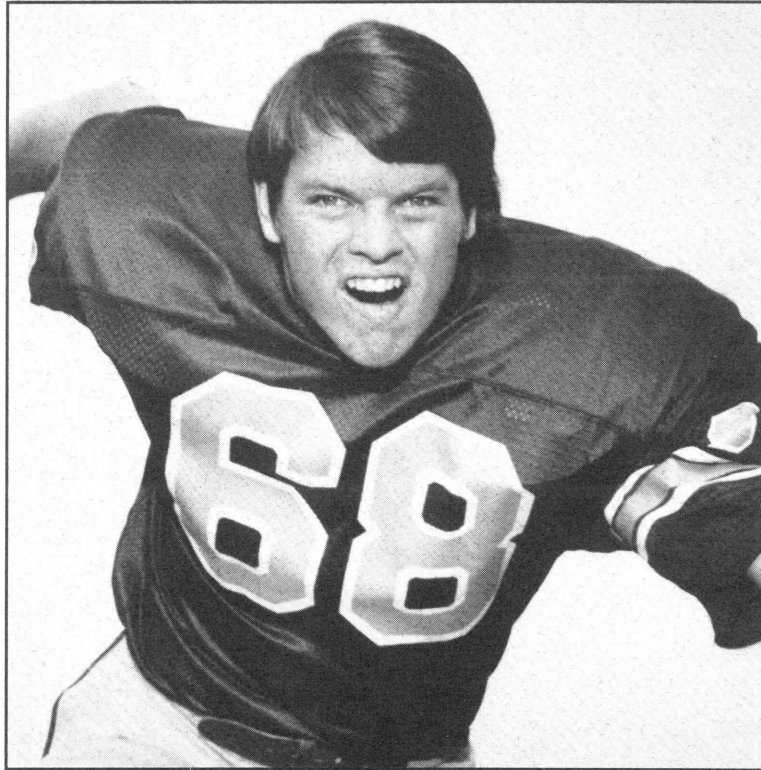

her team that was all-important, not her personal stats (although they were awesome.) Her work ethic and spirit motivated her teammates.

All of that and Kris still had time to be a bright, pleasant, smiling, engaging and charismatic young lady.

Maybe it was the one-on-one with her dad Larry, former Dons Coach, or all-league brother Jon. Or maybe it was just the tall young girl at Peabody School dribbling, head faking and driving on all-comers. So much so that her 4th grade teacher asked the Kindergarten teacher if she would take Kristin on as an aide. Heck, she was coaching when she was nine.

Whatever the reason – it worked. Kristin is happily married to Trevor Cole. She is presently coaching at UNLV and enjoys reading, traveling and music.

2001 HALL OF FAME

Chris Haake *Outstanding Athlete*

Chris Haake is an endangered species. He deserves protection. Like an old comedian - George Gobel - said: "You can't hardly get them kind no more."

During his four years at Bishop Garcia Diego High School, Chris played on 12 teams. Do the math, that's three teams per year for four years, all but one at the varsity level. That in itself is enough.

But for four years Chris played football, basketball, and ran track. He didn't just play, he won a wall full of plaques for team MVP, all-league, league MVP, all-CIF, and a passel of track records.

In his freshman year of basketball, Chris was their big man at 6 feet 2 inches. News-Press sportswriter John Zant nicknamed the team the "red ants."

As a soph he was: the second leading receiver; the only sophomore named to the all-league basketball team;

and broke the 880 record. Junior year?: all-league in football; all-league in basketball; and became league 880 champion.

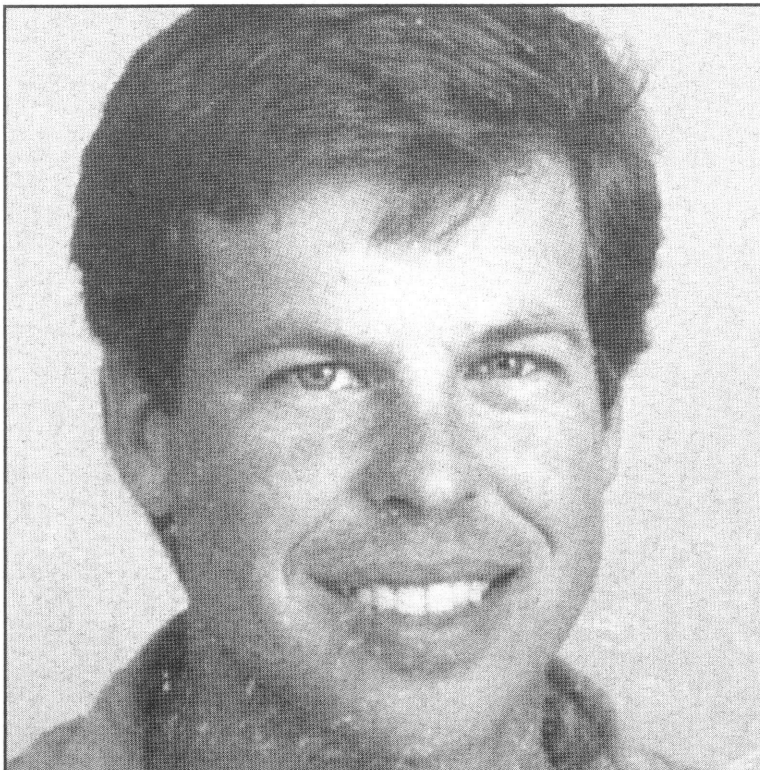

No senioritis here. Chris added all-league in football; league MVP and all-CIF in basketball; and another league track record.

A run with the Oregon Ducks found him stepping with future NFL people like Dan Fouts, Norv Turner, Russ Francis, and June Jones while playing against USC, Nebraska, Notre Dame and Oklahoma.

His future really began with a three year coaching stint with Bishop – until wife Rita, kids Jennifer, Christina and Joseph won him over. He has even had time to serve as an Access Design Engineer for Verizon.

Congratulations Chris. And thanks!

2001 HALL OF FAME

Sam Randolph Jr. Outstanding Athlete

Is there any title in athletics that elicits more instant respect than "professional golfer?" Here's a person who can do those things that scare most of us into apoplexy.

Buried in the sand? No problem, just take a lot of that sand and knock it up there stiff. Little uphill pitch to the green with the pin up close and a downhill slope? Relax, cut it sharp and get it stopped.

Sam Randolph Jr. is one of those guys, a professional golfer of fourteen years, a number that should be higher - he was playing at that level in high school.

While at San Marcos High School, Sam was the State CIF Champion; won the Southern California Jr. Match Play title; was low amateur at the L.A. Open and made the cut; was runner-up at the Jr. PGA Championship; won the Jr. World; and won the Jr.

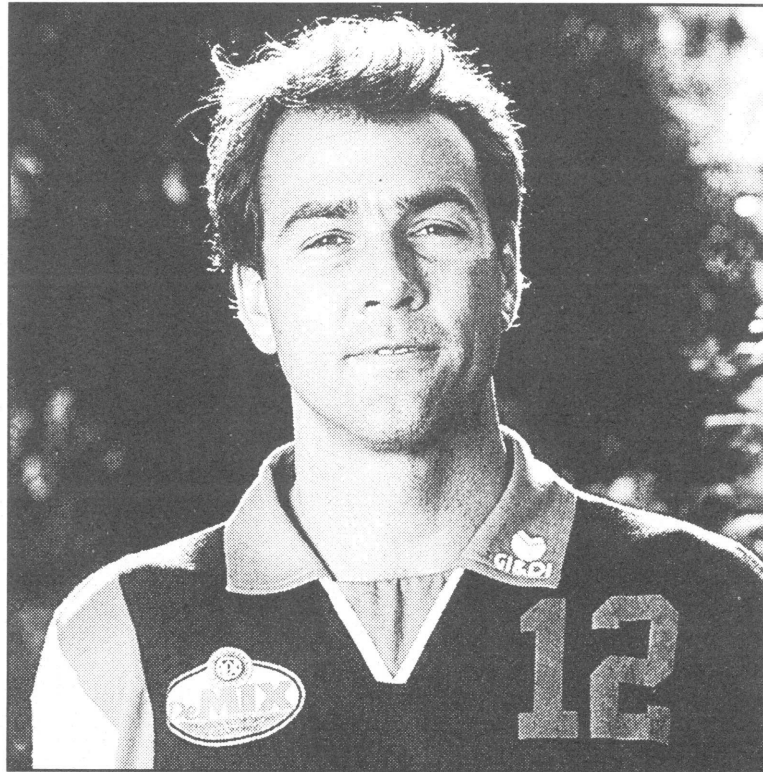

World Matches (pro/am) with Billy Andrade.

USC liked young Sam, son of longtime La Cumbre Country Club professional, Sam Randolph Sr. They were right. He was a second-team All-American as a freshman and 1st team the next three years. He was runner-up U.S. Amateur in '84 and won 13 tournaments while at USC. He won the US Amateur 1985; was the low amateur at both the 1985 and 1986 Master's and the 1986 US Open.

The success of Sam Randolph Jr. stands as a beacon for young golfers, especially those Royals of SMHS who have long had young Sam to look up to.

Sam and wife Julie now live in Ft. Worth, Texas and when he isn't pitching a golf ball, he's pitching his favorite lures.

2001 HALL OF FAME

Tom Duke
Outstanding Athlete

Professional athlete. One who participates in a sport for money, an expert, plays against and is one of the best in the world. Loves the game.

We should have been suspicious of Tom Duke from the beginning. Any tall, lithe young kid who plays basketball, can jump, likes the beach, is competitive and is willing to play volleyball at home, on the beach, and at school has got to be watched.

We shouldn't be surprised (his coach wasn't.) At Dos Pueblo HS he was an all-league basketball player; in volleyball he was all-league and all CIF, right at the top. Something was up with this kid.

Then it started: while at USC he was a three-time all-American and was the National Player of the Year on a National Championship team in his junior year, 1988. During that period he began seriously playing on the beach and became a AAA doubles player. Next

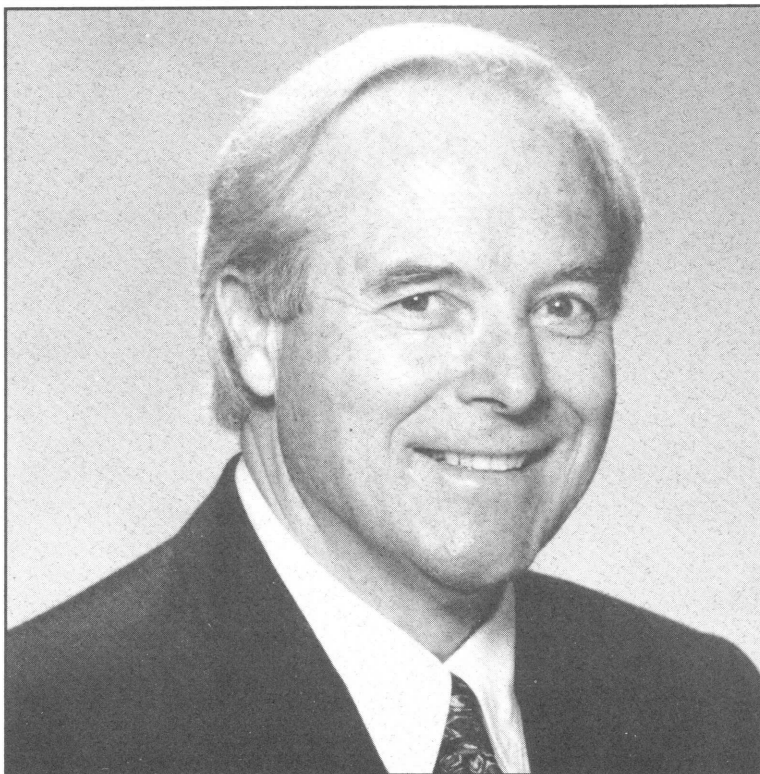

up for the young Duke was twice being named to the USA National Team – in 1990 and 1994.

He had become an accomplished professional. He played for eleven years in 20 different countries, the Spanish Professional League, the Dutch League, French League, the German League, and with the USA in the Asian International 4-man Beach Tour. He became one of those guys who plays games for money, is most expert, competes against the best in the world and loves the game

In the early 90's he played on the prestigious Bud Light professional 4-Man Beach Tour and became the Rookie of the Year and 1992 Tour MVP, winning 13 championship titles.

Those of us involved in athletics appreciate those three letters - *pro*; we save those for the best. That's the ultimate compliment: "He's a real pro!"

2001 HALL OF FAME

Dick Mires *Community Leader*

Dick Mires is a really sneaky guy. But we'll get back to that. From Tacoma, Washington, to Stanford, then to UCSB where he earned his degree and teaching credential. He has taught at each SBHSD high school and served as P.E. Department Chair, AD, and Head Football Coach at Dos Pueblos – and all with great success.

When he left DP is when he got sneaky. He's been on the Board of Directors for 26 years, served as President and has operated behind the scenes of every Round Table effort-the *go-to guy* you never see. He epitomizes the old adage that says: "It's amazing how much can be accomplished if no one cares who gets the credit."

One of his many contributions, alongside Pat McPhee, has been working with the Hall of Fame. He has served on selection committees, contacted inductees, set up arrangements at the facility, organized speakers and ensured that details were attended to, all without being noticed. Behind the scenes.

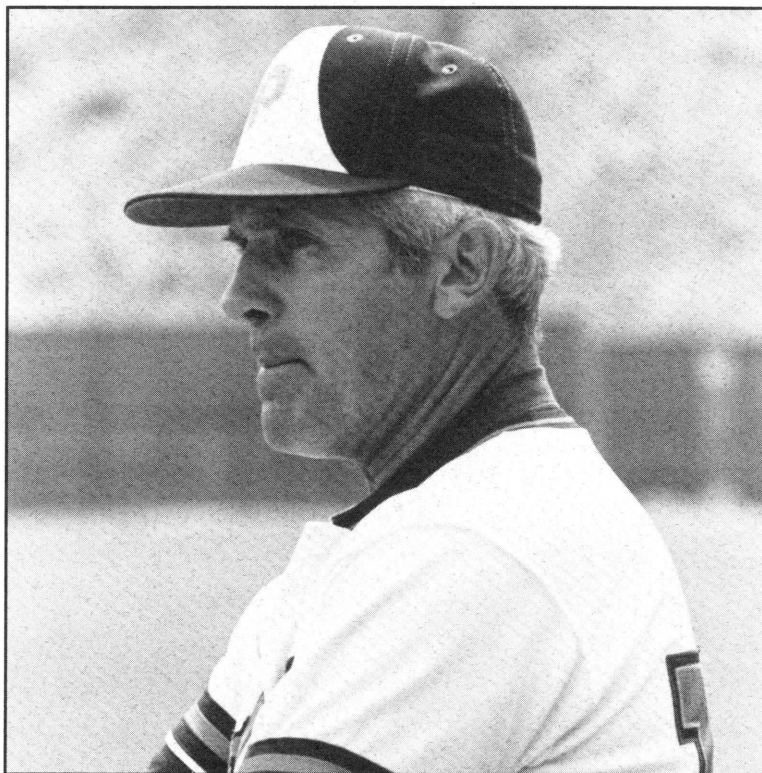

See? Kind of sneaky. Things just kind of get done.

But not tonight. He is being inducted as a Community Leader, right up front. If any person has ever served the community of Santa Barbara, it is the highly respected Dick Mires. So, it's time for us to say thanks. You have been an example and a role model, and those who have been associated with you are indeed very fortunate. The Round Table is extremely proud to induct one of their own.

In addition, he also served as the Venue Director for the rowing and canoeing events of the 1984 Olympic Games and has served as the president of the Santa Barbara Rowing Association.

He is presently associated with Pitts and Bachmann and is most prideful about his 36-year marriage to Nancy, their two children Julie and David, and David's wife and their daughter Katelyn.

2001 HALL OF FAME

Dave Gorrie
Coach

Dave Gorrie is perhaps the greatest of two sport athletes in the history of UCSB. Playing fullback and outfield, he has been inducted into the UCSB Hall of Fame in both football and baseball and played professional baseball with the Kansas City organization.

He went on to become Head Baseball Coach at his alma mater and later at Pepperdine University. It is for his accomplishments in those endeavors that he is tonight being inducted into the SBART Hall of Fame. He'll hang that plaque on the wall along with the others: UCSB Football and Baseball; Pepperdine University as a coach; and the American Baseball Coaches Association.

But first, learn a little about the character of Dave Gorrie. His greatest athletic joy? Not being an All-American or a hall of famer, but starting in the same 1950 Gaucho backfield with brothers Dick (QB) and Doug (RB.)

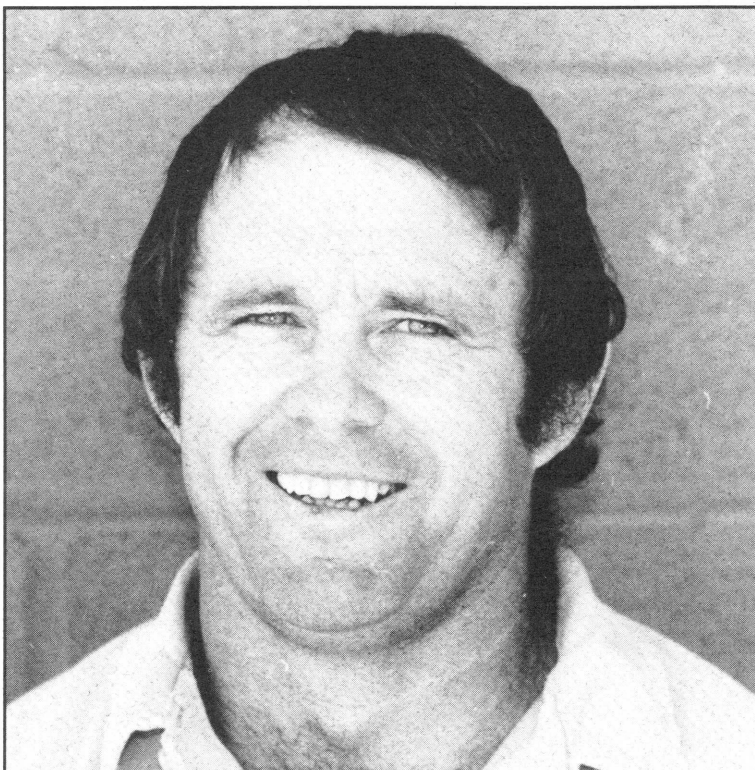

There are few coaches who championed integrity,

moral values, loyalty, and respect for others, more than Dave Gorrie. But that was easy, for those were the same qualities and standards by which he lived and coached.

His proudest achievement? Bringing both UCSB and Pepperdine baseball to a degree of national prominence. Nineteen years at UCSB (including 8 in football,) and 10 years at Pepperdine. In 1972 his conference champion Gauchos lost to USC in the regional finals, and while at Pepperdine his teams went 409-205 in regular season games and 19-13 in regional and World Series games. He won five conference championships and played in five regional finals. While producing many all-Americans and major leaguers, it was the citizenship and moral fiber of his players that mattered most.

Congratulations Dave, wife Linda, son Bryan, daughter LuAnne, and little Cody and Zach. The Gorries now reside in Carthage, Texas.

2001 HALL OF FAME

Mike Hart
Coach

Dual meet record from 1972 thru 1992: 268-21. Channel League record: 141-9. In the big world those numbers will get you an agent and big numbers with a \$ sign in front of them.

In the world of high school wrestling, numbers like that will get you the real prizes: a lot of gratification, respect and "Coach of the Year" awards from the Pacific Wrestling Association. They'll bring you three CIF-SS Championships, two seconds, 41 team tournament wins and a California Invitational Tournament championship.

But legendary numbers are not the only measure of success for Mike Hart. His conscientiousness, determination, enthusiasm and exacting nature brought out the best in his young competitors. In perhaps the most demanding of all high school sports, Mike led 90 pounders to super heavyweights to the top of the mountain, reflecting the tenacity and

aggressiveness of their coach. And the caring.

He was a PTSA "Teacher of the Year." He was invited to lead the 1977 SPAAU Cultural Exchange Team to Japan and was appointed to the prestigious CIF-SS Professional Rights and Responsibilities Committee. Not only does his won/loss record stand alone, he was the real motivating force in inaugurating the wrestling program in Santa Barbara. In that effort he credits parents Audrey Welby and Georgiana King for their commitment.

His true-love and support staff? His wife Kathryn, daughters Susan, UCSB '89, and twins Jennifer and Jeanine, who like their father graduated from BYU.

When not teaching history or coaching football and wrestling, Mike will be fishing, mountain biking, trap shooting or taking photos.

2001 HALL OF FAME

Joel Silverman *Special Achievement*

His biographical sketch says that he is a self-employed real estate investor - Private Equity Group. Sure. C'mon, Joel, you're busted, we know better. You're a pick and shovel guy. You're a gardener, you drive a tractor and you plant sod. Then you irrigate it, fertilize it and mow it.

But before that you had to put on your tie, gather volunteers, raise the necessary funds, run through all the permitting and make deals with the neighbors. Gather up materials for sprinklers, fencing and backstops - then take off your tie, put on your work clothes and get dirty.

I guess in a way that's real estate development, just a different kind.

The kind of development that provides acres of beautiful softball fields for beautiful young girls, especially those playing softball for Dos Pueblos HS (and the community of Goleta.)

So after struggling for two years in the mid-90's the DPHS athletic staff shook the extended hand of Joel Silverman and let him have his rein. In less than two years the Charger girls were playing softball on their own fields at their own school, the Goleta Community Softball Fields at DPHS.

Joel says: "It was pure luck that placed me in a position to head up the effort to build these fields. I seized the opportunity as my chance to repay so many parent volunteers in our community who give of their time so that my kids and others have a chance to participate in sports. It is to these volunteers and their efforts that these fields should be dedicated."

Thank you, Marty, Mika, Piper, and Jackie for loaning us your husband and dad for awhile. And by the way, thanks Joel for treasuring the PTA and the bond issue campaign.

Scholar-Athlete of the Month

*Sponsored by the
Human Performance Center*

The Santa Barbara Athletic Round Table Scholar Athlete of the Month Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who also maintain strong academic and extracurricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extracurricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Athletic Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It also is a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present the 1999-2000 Scholar Athlete Awards to:
