Welcome

Marc Gamberdella, President
Santa Barbara Athletic
Round Table

elcome to the Thirty-Seventh Annual Santa Barbara Athletic Round Table Hall of Fame Banquet.

Tonight is the culminating event, the exclamation point, to yet another tremendous year for this storied organization. As we honor our outstanding local athletes, coaches, and community leaders, past and present, it is important to recognize all that has been accomplished over the 2003 – 2004 Round Table “season.”

I am proud to report we hosted thirty-two weekly press luncheons this year, where we honored and acknowledged: more than one thousand student athletes; sixty-eight Athletes of the Week; ten Special Olympic Athletes; ten Scholar Athletes of the Year (one from each high school and college); and numerous Sports Persons of the Month. The Round Table underwrites the cost for these lunches and well-deserved awards.

In addition to our weekly efforts, we held a number of very special events and fundraisers: our first annual *Fall Classic*, with baseball coaching legend, Sparky Anderson; our annual *Girls and Women in Sports Luncheon*, with nearly five hundred attendees; our immensely popular *March Madness* event, this year honoring Gaucho and Laker great, Brian Shaw; and the *High Five Golf Tournament*. The proceeds generated from these events flow directly back to our local schools, student athletes, and deserving individuals and organizations. The Round Table operates on a purely volunteer basis and has no paid staff.

None of the above would have been possible without the generosity of our Round Table Members and Sponsors, the tireless efforts of our Board of Directors and volunteers, and the invaluable support of our local media, particularly the *Santa Barbara News-Press*. This wonderful Banquet is the direct result of our Director/Committee Chair, Helen Jepsen’s exceptional leadership, talent, and hard work. Thank you all!

This evening we celebrate the achievements of many, over a period of decades. In doing so, one sees the crucial role athletic participation can play in the making of truly exceptional people. This connection between sport and success is at the heart of the Santa Barbara Athletic Round Table’s mission. I am honored and thankful for the opportunity to be part of such a great organization.

2004 HALL OF FAME

Denise Yamada Axelson
Outstanding Athlete

Denise Yamada Axelson's proudest moments in her athletic career span her success as a two-sport standout at both Dos Pueblos High School and Duke University. She cites notching a 5'-10½" high jump in 1983 as one of her athletic pinnacles. That mark garnered her a first place CIF Southern Section finish, a meet and a Dos Pueblos school record and the 9th top performance in the nation.

A first-team, All-ACC selection from Duke in volleyball in 1986 capped Axelson's collegiate career in which she saw three consecutive ACC Tournament Championships and three straight appearances in the NCAA Women's Volleyball Tournament in the middle hitter and off-setter position. With a full, 4-year athletic scholarship at Duke, Axelson set three volleyball records: a match-record 31 kills against Purdue in 1986 (currently ranked 5th in the Duke record books), a season-record 67 service aces in 1984 (currently ranked 3rd) and a career-record 140 service aces from 1983-86 (currently 4th).

On the track at Duke in 1985, Axelson placed 2nd in the ACC in the high jump and topped two school records with a 5'-8" high jump (currently 2nd) and a 15'-11" long jump (not currently ranked).

Axelson's illustrious college career followed an impressive stint as a two-sport athlete at Dos Pueblos High. A varsity track standout, she participated in the high jump, long jump, triple jump and 110-meter low hurdles from 1981-83. She set school records with her CIF-winning high jump as well as a 36'-11¾" triple jump in 1982 and a 14.57-second 100-meter low hurdles in 1983. Axelrod also flourished as a varsity middle hitter for Chargers' volleyball from 1981-82.

Axelson's high school athletic awards are numerous, with the Santa Barbara Athletic Round Table Athlete of the Year for track in 1982 and 1983, along with Dos Pueblos Most Valuable Varsity Athlete both years.

Academically, Axelson was a member of the National Honor Society and California Scholarship Federation through all four years of high school. She graduated Duke University in 1987 with a B.S. in biology and psychology and the Presidential Leadership Award.

Currently a research coordinator with Beneficial Designs, Inc. in Minden, Nev., Axelson resides in Nevada with her husband Peter and their four-month-old daughter, Ria Maye. Her high school track coach, Gordon McClenathen, will present Axelrod with tonight's award.

2004 HALL OF FAME

Ed Bowman
Outstanding Athlete

Edwin James Bowman's baseball career began at Santa Barbara High School as a three-year varsity standout. Leading the team in hitting and winning the Eddie Mathews Batting Award for three consecutive years, Bowman also garnered a second-team All-Channel League honor in his sophomore year and first-team honors in his junior and senior seasons. His senior year also saw him named to the first-team All-CIF roster as a third baseman.

The summer after his senior year, Bowman, drafted by the Baltimore Orioles, chose to sign on for a full-ride baseball scholarship to the University of Southern California. Playing on the Trojan varsity squad in his sophomore and junior seasons, Bowman was a member of USC's 1972 and 1973 National Championship teams.

He was named the team's Most Valuable Player in 1973. Drafted after college by the St. Louis Cardinals, Bowman played two and a half years in the Cards' A and AA programs. He was named the Most Inspirational and awarded the team sportsmanship crown in AA ball.

Graduating from Santa Barbara High in 1970, USC in 1973 and playing pro ball until 1975, Bowman cites his proudest achievement as being able to compete and play at USC with a team that sent eight players to start in the big leagues.

Bowman lives in Los Olivos, California, with Barbara, his wife of 28 years. They have five children, Sarah (26), Rachel (23), Eric (20), Courtney (17) and Aaron (9). Gene "Punky" Bowman will present his son with tonight's award.

2004 HALL OF FAME

James Cappon
Outstanding Athlete

James Cappon, a triple-threat athlete at San Marcos High School and standout quarterback at both Santa Barbara City College and the University of New Mexico, maintains that being a part of high-quality playoff teams at San Marcos and SBCC taught rich life lessons regarding the nature of teamwork and competition.

Cappon excelled in football, basketball and baseball at San Marcos from 1973-76. He saw Channel League championships and CIF playoffs in all three sports. In his senior year, Cappon was named both an All-Channel League quarterback and defensive back and set the CIF record for the most interceptions in a single game with 4.

An All-League pitcher, Cappon notched San Marcos' first no-hitter in 1976. Cappon earned the San Marcos Male Athlete of the Year as well as the Outstanding Male Student awards in 1976, and the Santa Barbara News-Press tapped him as the

Outstanding Santa Barbara Scholar Athlete in 1975.

As a quarterback at SBCC, Cappon led the Vaqueros to the Citrus Bowl in 1976 and a Western State Conference Championship in 1977. An all-league quarterback in 1978, Cappon was nationally ranked as a top-ten signal caller. Playing for the University of New Mexico from 1979-80, Cappon cites the UNM victory over Brigham Young in 1980 as one of his proudest moments. BYU had All-American quarterback Jim McMahon and ended with an 11-1 record and a top-ten national ranking that year.

Cappon is now a pediatric critical care physician at Children's Hospital of Orange County and a professor of pediatrics at the UCLA School of Medicine. He resides in La Habra Heights, Calif., with his wife Beth and children Alexandra (14), Austin (12), Kevin (11) and Tyler (4). His presenter this evening will be Bob Dinaberg.

2004 HALL OF FAME

Karen Griffith
Outstanding Athlete

Karen Griffith graduated with high honors from UC Santa Barbara in 1983 after earning the Joseph E. Lantagne Award for Athletic and Academic Excellence. After a year as an honors student and walk-on basketball and volleyball player at the University of Southern California, Griffith transferred to UCSB and flourished.

Griffith played on the 1987 UCSB softball team that placed ninth in the Women's College World Series in Omaha, Neb., and on the basketball team that placed fourth in the regional tournament in that same year. Griffith earned the softball team's Golden Glove award in both 1980 and 1982 for her play in left field and at first base. She was also tapped with the Coaches' Award in basketball in 1982.

Griffith's athletic career began in Santa Barbara as a three-sport standout at San Marcos High School. In 1977 she earned All-CIF second team honors as a

middle blocker for the team that went to the CIF quarterfinals. She was basketball's top rebounder and an All-Channel League second team selection as well as the softball Most Valuable Player and a first-team All-Channel League selection in that same year.

In 1978 Griffith was named to the All-Channel League first team in basketball as well as tapped for the San Marcos Outstanding Girl Athlete award. Also an accomplished student, she was a California Scholarship Federation sealbearer at graduation.

Griffith currently lives in Clovis, Calif., where she is a fire captain for the California Department of Forestry and Fire Protection in Monterey County. Her proudest achievement is graduating first in her class from the CDF Fire Academy in 1989. San Marcos High School Athletics Director, Bob Archer, will present Griffith with her award this evening.

2004 HALL OF FAME

Jerry Hughes
Outstanding Athlete

A 1969 All-Channel League running back at Santa Barbara High, a 1970 junior college second-team All-American back and Most Valuable Player at Santa Barbara City College, and the 1970 conference MVP at Utah State University mark some of the highlights of Jerry Hughes' football career.

As a running back at Utah State, Hughes was ranked eighth in the nation in 1970 for combined yardage. At SBCC he rushed for over 1,000 yards in the 1969 season and over 1,200 yards in 1970. In the championship game against Ventura City College he notched his single-best rushing game of his career with 279 yards. Hughes' teams saw three Channel League championships at Santa Barbara and two Western Athletic Conference championships at SBCC.

Ironically, Hughes does not cite any of his football accomplishments as his proudest athletic moment. That honor is reserved for when his under-16 girls' soccer team won the state championships in 1999. He was

named the California Youth Soccer Association Coach of the Year in that season.

Today Hughes dedicates endless hours to coaching and training with high school soccer programs and competitive leagues in Northern California. He says, "The greatest joy of all has been the respect and admiration that I have earned through committing myself to teenage boys and girls and knowing that I can make a difference in a child's life by not only teaching them soccer skills, but by being there for them as a friend and a mentor." Hughes is also a state level six soccer referee.

Hughes currently lives in Anderson, Calif., where he is the head business manager of operations for a national company, Waste Connections, based out of Redding, Calif. He and Terry, his wife of 26 years have three children. His presenter this evening will be Bob Dinaberg.

women's volleyball squad. However, she ended her career in 1993 as a starting scholarship player.

2004 HALL OF FAME

Scott O'Leary
Coach

Scott O'Leary dedicated his teaching career to Dos Pueblos for 34 years as a P.E. teacher, department chair, baseball coach and athletics director. He also coached at all levels of football, and, prior to becoming athletics director, he officiated basketball. The Santa Barbara and Goleta communities lost a pillar with his death last year after a battle with cancer.

O'Leary began teaching and coaching at Dos Pueblos in the fall of 1969 and was named athletics director in 1980. He served as head baseball coach, head football coach and A.D. from 1985-89.

O'Leary prided himself not on statistics and records, but on his ability and dedication to encourage every student to participate in multiple teams and clubs – whether they were athletic, academic or performance groups. O'Leary wanted every student to have a positive

experience at Dos Pueblos and in their high school careers.

While O'Leary did not focus on his records, they were impressive. He had over 350 career wins as a baseball coach and led 14 CIF playoff teams, 4 Channel League Champion teams and one CIF Finalist team. O'Leary's commitment to student athletes extended beyond Dos Pueblos High School as he served on numerous boards and committees.

A 1961 graduate of UCLA, O'Leary was a catcher for the Bruin baseball team and served as UCLA Freshman Baseball team coach.

O'Leary is survived by his wife, Kathy, and two children, Roarke and Kieran. His presenter this evening will be Dick Mires.

History of the Athletic Round Table

Thirty-seven years ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could help the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: The advancement and betterment of all sports and athletics in the greater Santa Barbara area.

The Round Table got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting and over 200 joined that evening as Charter Members.

The Round Table's first annual banquet was held at Santa Barbara City College on June 22, 1968. A number of outstanding athletes in a variety of sports were honored; the evening's highlight was the induction of local athletes into the Round Table's Hall of Fame.

Harry's Plaza Cafe was the site of the Round Table's first press luncheon held on September 14, 1970. The luncheons, initiated by the new president, Bill Bertka, were similar to a "Monday Morning Quarterback Club." All nine area schools were represented by the head coaches of the sports in season. For 33 years, the Round Table luncheons have been held at Harry's every Monday, attended by standing room only crowds.

Since its first meeting back in 1968, the Santa Barbara Athletic Round Table has helped hundreds of individuals and organizations by raising funds to support their athletic programs. Through membership dues, contributions, fund-raisers and grant applications, the Round Table has raised more than \$1,800,000!

Funds are distributed according to need. The Round Table is proud to help student-athletes at all levels compete in events they would otherwise not have been able to attend. With continued community support, we at the Round Table are confident that Santa Barbara's sports opportunities will continue to grow with each new season.

Visit our website at www.sbart.org to find out all about this year's Athletes of the Week, the Hall of Fame inductees and learn more about the Santa Barbara Athletic Round Table.

Ada Conner

Behind every thriving non-profit organization, success can be traced back to an individual with dedication and leadership. Ada Conner became the Special Olympics Area Director in November 2000, during a time of significant transition for the organization. Her many years of community service and extensive recreation background were instrumental in rebuilding the Santa Barbara Special Olympics to provide quality sports competition and training programs for developmentally disabled athletes. In three short years, the sports programming increased from six to 12 Olympic sports, athlete participation doubled and quality coaches trainings were introduced.

Conner takes pride in knowing that, besides providing quality sports training, Special Olympics instills self-esteem, creates community pride, and fosters social interaction for its participants.

Conner currently serves on numerous boards and foundations which enrich the community through benefits to education, recreation and philanthropy. The Park and Recreation Commission, Santa Barbara Public Education Foundation Executive Board, United Way Grant Panel Committee, and Parks and Recreation Community Foundation are a few of the organizations that receive the benefit of Conner's interest and compassion.

Conner embodies the motto of Special Olympics, which is "Inspire greatness," through her charisma, motivation and enthusiasm in leading Special Olympics.

UCSB Women's Center

Due to the vision of Judy Guillermo-Newton, the UCSB Women's Center has made "The Distinguished Women in Sports" Lecture Series a successful reality for the UCSB campus and the surrounding Santa Barbara-Goleta community. Conceived to highlight "National Girls and Women in Sports Day," which occurs annually in early February, the Lecture Series has brought Mariah Burton Nelson (basketball), Dyana Nyad (swimming), Donna Lopiano (softball), Saskia Weber (soccer), Liz Masakayan (volleyball) and most recently Maureen O'Toole (water polo) to Santa Barbara to speak on the challenges and rewards of their athletic careers, and on Title IX and the historical progress of gender equity for women in sports.

Primarily, these women have been brought to town to inspire young female athletes to have dreams, to work hard to achieve them, and to persevere despite whatever obstacles are thrown in their way. Co-sponsored by the Santa Barbara Athletic Round Table and various administrative offices on the UCSB campus, this Lecture Series has become a hallmark of the Santa Barbara community's celebration, through a variety of activities, of National Girls and Women in Sports "Week".

The UCSB Women's Center is honored for its relentless commitment and countless hours of work put in during the past six years to keep this Lecture Series alive, and for the other events related to girls and women in sports that it sponsors during early February. As a Center for highlighting women's issues on the UCSB campus, it has been instrumental in raising local awareness about the relationship of athletic participation of girls and women to their physical and emotional health and well-being, and in celebrating the athletic accomplishments of girls and women in a variety of sports.

Daniel Winslow

Daniel Winslow, a Special Olympics gold medalist in long distance running, participated in the Special Olympics World Games in Dublin, Ireland, in June 2003. Not only did Winslow take the bronze medal in the half marathon, but he was also chosen out of the 1,000 athletes for Team USA to carry the Special Olympic Torch into the stadium for opening ceremonies. Upon his return, Mayor Marty Blum issued a proclamation honoring Winslow and the Special Olympics.

A groundskeeper at the Camino Real Marketplace, where a banner waves in his support, Winslow keeps up his speed at work and his supervisor says, "When he is away from work it takes three men to take his place."

The Special Olympics of Santa Barbara notes that Winslow is a young man that has shown he is a winner through training, hard work and determination.

That summer Schmidt endured a 4:30 a.m. wake-up call for 6 a.m. workouts and then a full workday from Monday through Friday. He placed in the top five in all five events for his 50-54 age group at his first National meet in August 1973.

In his 31st year in Masters swimming, Schmidt has competed in local, national and world meets. In 2003 in the 80-84 age group, he has had 25 top-10 first place finishes in the short course yards and long and short course meters. He set a national record in the 1650-yard freestyle and the 3000-yard Postal swim.

Mark French
UC Santa Barbara

Since returning to his alma mater for the 1987-88 season, head coach Mark French has built UC Santa Barbara women’s basketball into one of the premier programs on the West Coast and in the nation. For French’s Gauchos, playing in the NCAA Tournament is not an aspiration, it’s an expectation.

In 1990-91, French guided UCSB to its first winning record as an NCAA Div. I program. Prior to his takeover of the women’s hoops program, the Gauchos had experienced only three winning seasons in their 14-year history. In 1992, UCSB won its first Big West Conference Championship and advanced to the Big Dance for the first time ever. Fast-forward more than a decade later, and the Gauchos are a fixture in the national rankings, currently riding a streak of eight consecutive Big West titles and seven straight appearances in the NCAA Tournament.

After knocking at the door of the Sweet 16 in both 2002 and 2003, UCSB reached that elusive goal last season, narrowly losing to eventual National Champion Connecticut in the East Regional Semifinals after pulling off two thrilling upsets as a No. 11 seed. In 10 trips to the NCAA Tournament, French has guided his Gauchos past the first round six times, including each of the past three years.

French’s affiliation with UCSB began when he was a student-athlete in the early 1970s. A two-sport letterwinner, French played two seasons for the Gaucho basketball team and four as a pitcher for the baseball team. He graduated in 1973 with a degree in Political Science.

With all of the on-court achievements French has enjoyed, his off-the-court history has been just as successful. Three of his players have been NCAA Woman of the Year Award candidates, including Christa Gannon, who was one of 10 finalists for the honor in 1994. Gannon has since graduated from Stanford Law School and is now practicing in the Bay Area. Former Gaucho guard Cori Close currently serves as his associate head coach, while 2000 alum Stephanie Shadwell spent two years as an assistant coach at Cal State Fullerton. French has also seen more than 27 players recognized as Big West scholar athletes, three of whom have earned Verizon Academic All-District acclaim within the past four years. An outstanding 97% of student-athletes playing under French during his 24-year career have graduated.

Mark Walsh
Santa Barbara High School

The 2003-04 season was a year of domination for aquatics coach Mark Walsh’s Santa Barbara High School boys’ and girls’ water polo teams. Both teams capped undefeated Channel League records with league and CIF championships. With his girls ranked No. 1 in the nation, Walsh rightfully earned CIF and Channel League Coach of the Year accolades. Walsh’s girls’ swim team, the undefeated Channel League champs, finished 8th in CIF.

Walsh has enjoyed consistent success since the 1997-98 season, his first at the helm of the Dons’ aquatics program. Walsh has lead the boys’ water polo team to four CIF and six league championships and the girls’ water polo squad to six CIF and seven league titles. His girls’ swimming teams have notched five league championships during his tenure.

Walsh, an economics teacher, was tapped by Santa Barbara High as the Coach of the Year for 1998-99. In the 2000-01 season, he served as the assistant coach for the Women’s National Junior Water Polo Team.

Scholar Athlete of the Year

*Sponsored by the
Human Performance Center*

The Santa Barbara Athletic Round Table Scholar Athlete of the Year Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who also maintain strong academic and extracurricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extracurricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Athletic Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It also is a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present the 2003-2004 Scholar Athlete of the Year Awards to:

Nancy Ward	Bishop High School
Lucas Allen-Williams	Carpinteria High School
Cameron Maloney	Cate School
Michael Bowen	Dos Pueblos High School
