President's
WELCOME

Barry Taugher
SBART President

It is my distinct pleasure to welcome you to the Thirty-Ninth Annual Santa Barbara Athletic Round Table Hall of Fame Banquet. We are here to celebrate athletics, academics, and ethics through a unique Santa Barbara institution.

This banquet and the attendant inductions into the Hall of Fame is the jewel in the crown of Santa Barbara that is the Athletic Round Table. It culminates nine months of activities, both large and small, that the Round Table sponsors and promotes.

The chief of these activities is the weekly press luncheons, held every Monday during the school year. The luncheons have become a venue for building the Santa Barbara athletic community. At the luncheons coaches

meet and recognize not only their own athletes but athletes in other schools, with whom they have competed last week or will do so next week. They acknowledge character, hard work, and achievement, recognizing each student athlete individually. We award athletes weekly, and we award scholar athletes monthly. We celebrate achievements in ethics through the Phil Womble Ethics award monthly.

Throughout the year we host events for our members who make this possible. Those events include the Fall Classic (John Robinson) and the Prelude to March Madness (Don Ford, Jerry Pimm, and Mark Patton). In February we produce a luncheon celebrating the local National Girls and Women in Sports Day, where achievements in women's athletics are present by outstanding women role models. And tonight we will induct six athletes to the Hall of Fame. We will present seven special awards; six scholarship awards; coaches of the year; the athletes of the week; scholar athletes of the year, and the Womble Ethics awards for the year.

We often hear from coaches and community members that this organization is unique for a town the size of Santa Barbara. The Round Table is indeed unique. We accomplish all of this with no paid staff and no place of business. We have an incredible board and committed members. Our Hall of Fame committee, led by Darcie McKnight, has years of experience with this amazing production. The Round Table is unique because it is derivative of the uniqueness of the Santa Barbara community, of which we are all a part.

In closing, it is fitting to acknowledge and thank our sponsors. Local athletes benefit from the support of the Santa Barbara News Press, through coverage of the press luncheons and sponsorship of the Athletes of the Week. Thank you, to the sports writers, editors, and publisher of the News Press.

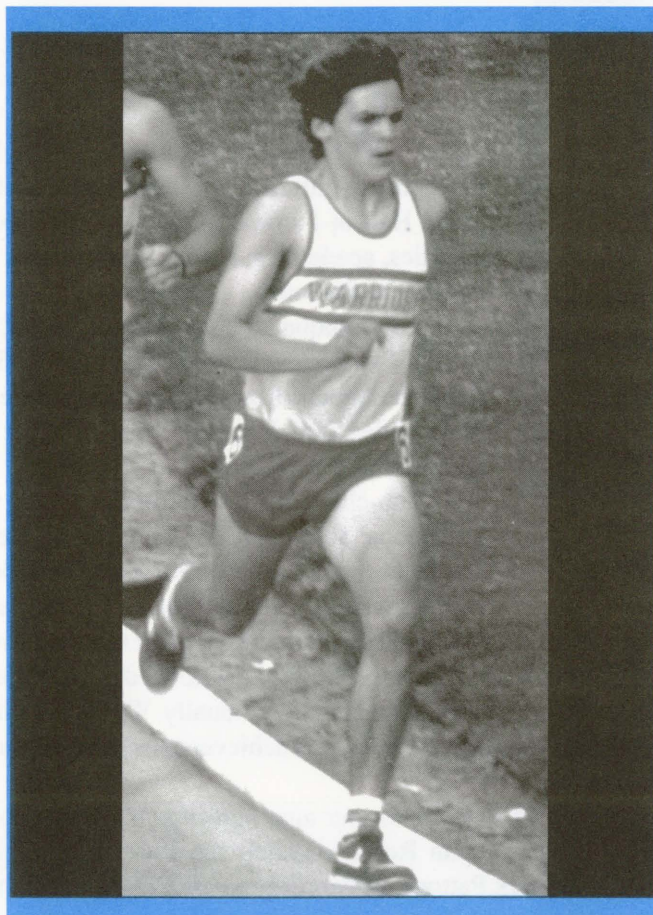

The following have contributed directly to this event: Title Sponsor - Montecito Bank & Trust; Table Sponsors - First American Title, Giffin & Crane-General Contractors, Coldwell Banker-Santa Barbara/Montecito, Land America Lawyers Title, Micheel-Gamberdella Group of Smith Barney; and Student Athlete Sponsors - Delmonte Management, First Capital Mortgage, Tim & Debbie Foley, Eugene & Darcie McKnight, Metrocities Mortgage, Mid State Bank, Santa Barbara Independent, Stewart Title, and Rick & Carol Wilson.

Thank you for attending this year's banquet. Each inductee and awardee deserves the recognition and credit.

JERRY PIMM

Coach

In 1956, at Montebello High School, Jerry Pimm led the nation in scoring by averaging 30 points per game. Pimm became an All-American for both Montebello High School and Fullerton Junior College. He earned his Bachelors and Masters Degrees, both in Physical Education, from USC. Upon graduation, Pimm became an assistant coach at USC during the 1960-61 season, after which he left for a career at the University of Utah. During his 22 years at Utah, Pimm coached in 7 NCAA Tournaments, the 1966 Final Four, and one Sweet Sixteen. Pimm also coached and trained the US Olympic teams from 1975-1986, during which time the USA won a gold medal at the 1986 World Championships.

Jerry left Utah for UCSB in 1983 and turned a program around within 4 years. In 1987-88, he guided the Gauchos to its best record ever, 22-8, and to its first NCAA Division I Tournament berth. In 1989-90, Pimm led UCSB to another NCAA tourney berth and a first round win over Houston. Additionally, Santa Barbara was invited to three National Invitation Tournaments during his tenure.

Jerry Pimm guided the UCSB men's basketball program for 15 seasons. His 222 wins are the most ever recorded by a Gaucho Head Basketball Coach. His coaching career at UCSB ended in 1998 after accumulating seven "Coach of the Year" awards and a career coaching record of 398-284. Pimm was inducted into UCSB's Hall of Fame, April 30th, 2005.

Many of Jerry's players and assistant coaches have continued professional basketball careers in the NBA and overseas, including basketball greats like Brian Shaw, Carrick DeHart, Del Harris and Ben Howland. Jim Eyen, Assistant Coach for the LA Clippers and a former Assistant Coach for Jerry at UCSB, says "When Coach Pimm arrived at UCSB he brought with him a wealth of basketball experience and a respected winning tradition. He orchestrated a resurgence of Gaucho basketball that I am proud to have been a part of, and still draw upon those experiences to this day."

History of the Athletic Round Table

Over thirty-eight years ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could help the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: The advancement and betterment of all sports and athletics in the greater Santa Barbara area.

The Round Table got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting and over 200 joined that evening as Charter Members.

The Round Table's first annual banquet was held at Santa Barbara City College on June 22, 1968. Through membership dues, contributions, fundraising events and local foundations, the Round Table has raised more than \$2 million.

Harry's Plaza Cafe was the site of the Round Table's first press luncheon held on September 14, 1970. The luncheons, initiated by the new president, Bill Bertka, were similar to a "Monday Morning Quarterback Club." All area schools were represented by the head coaches of the sports in season. For 33 years, the Round Table luncheons have been held at Harry's every Monday, attended by standing room only crowds.

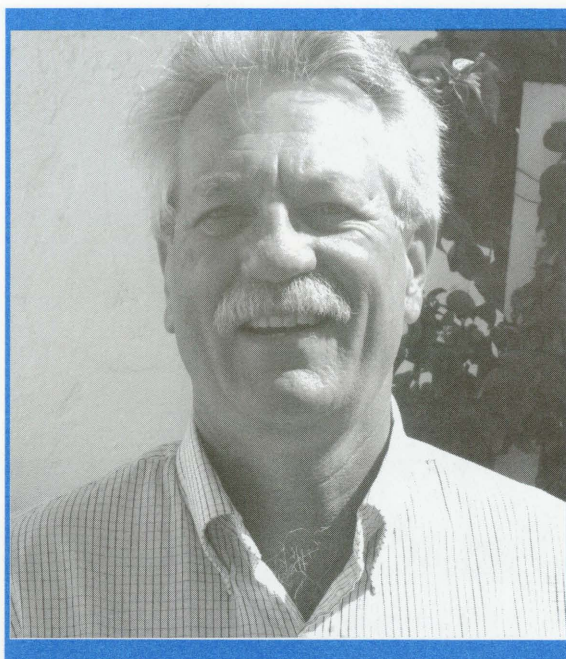

Since its first meeting back in 1968, the Santa Barbara Athletic Round Table has helped thousands of individuals and organizations by raising funds to support their athletic programs. Through membership dues, contributions, special events and foundation donations, the Round Table has raised more than \$2,000,000.

Funds are distributed according to need. The Round Table is proud to help student-athletes at all levels compete in events they would otherwise not have been able to attend. With continued community support, we at the Round Table are confident that Santa Barbara's sports opportunities will continue to grow with each new season.

TOM DOOLITTLE

Every nonprofit exists in part due to the commitment of their volunteers. This is particularly true for the Santa Barbara Ski and Sports Club. Tom Doolittle's involvement with the Club began in 1991 when he joined this fun organization. Since then, he has served on the Board of Directors for 12 years, and held the position of Weekend Trip Director for ten. Currently there are approximately 210 members of the ski club living from Los Angeles to Atascadero, drawn to the club because of a love of summer and winter activities and the great friendships that come with club membership. Donating his time, Tom organized seven weekend trips per year for 55-70 Club members including five outings to Mammoth, and one each to Tahoe and Salt Lake City annually.

An avid skier and snowboarder himself, Tom is a Co-founder of "Mad Dogs", a unique subset of the Ski Club that is an outlet for the more advanced daredevils and "steep skiers" of the group. However, this "frenzy" is not without risk as Tom suffered three broken ribs in Park City while in the "experts-only" area. Tom is currently the Summer Sports Director where he organizes one to two events per month that include golf, biking, hiking and beach volleyball. He recently completed his first Rosarito to Ensenada Bike Ride with ten Ski Club members. In addition to Tom's scheduling of Ski Club activities, he also organized two "Save the Trail Days" to perform maintenance on local trails with direction from the Forest Service.

Tom holds a BS in Computer Science from New Mexico Tech as well as a Masters in Project Management from USC. Tom works for the City of Santa Barbara as the Information Systems Manager, where he is responsible for providing computer support to eleven city departments. Tom and his wife Lorrie reside in Goleta and have two grown children, Chris and Wayne.

Russ Hargreaves Memorial Award

Russ Hargreaves was a dedicated member of the Santa Barbara Recreation Department. He spent a lifetime creating opportunities for others to enjoy the benefits of recreational activities. He loved jogging and was committed to total body fitness. He knew that a healthy mind and body were the first steps to a happy and productive life. This award is given to a person recognized by the Parks & Recreation Department as a leader in maintaining quality sports programs.

JUDITH DALE

As an athlete Judith Dale competed for Santa Ynez Track Club (AAU Club) from 1960-1964 where she qualified for the AAU National Women's Track and Field Championships from 1961-1963; participating in the events of the long jump, 80 meter hurdles and the 440 yard relay. In 1962, Judith placed 4th in the nation in the 440 yard relay. In 1963, Judith placed 6th in the 80 meter hurdles, 6th in the long jump and 3rd in the 400 yard relay. In 1964, she competed in the AAU Women's Pentathlon National Championships, placing 6th. Also that year, she competed in the first ever AAU National Women's Cross Country Championship, placing 8th. Judith missed the 1964 USA Olympic Team by one place in the 80-meter hurdles.

As a groundbreaker for women's sports, Judith Dale faced a number of challenges in the organization of the "unofficial" leagues for women. In 1965, Judith helped establish the Santa Barbara Sandpipers age-group AAU girls' track and field team which she coached a number of state and national age group champions. From 1968-1973, Judith taught PE and coached girls sports at San Marcos High School where she organized an "unofficial" girls league in swimming, track and basketball. Judith led San Marcos to numerous league championships in all three sports. Judith's determination provided many young women with athletic opportunities that they otherwise would not have had.

Judith is currently a faculty member and administrator in the UCSB Department of Exercise & Sport Studies and Recreation. She teaches both Sport Sociology and Sport Appreciation all while running the Community and Youth Programs. Judith developed a community-wide after school child care program at UCSB as well as an adaptive recreation program for physically and developmentally challenged child and adults.

BRUCE GIFFIN

The long magical journey that began as a youngster in Nashville that led to today and Bruce Giffin's humble acceptance of the prestigious R.F. MacFarland award has had many twists and turns. Over the years, Bruce has contributed back to his community on both local and national levels serving in a variety of leadership roles. He currently serves on the boards of the Santa Barbara Regional Chamber of Commerce, the Santa Barbara Polo & Racquet Club and his favorite non-profit, the Elings Park Foundation.

Twenty-five years ago, when the Elings Park Foundation was formed, the founders dreamed of transforming a city dump into a community treasure where friends and families could gather. As President of the Board of the Elings Park Foundation from 1999-2005, Bruce's work championed the notion that the park must become a center for youth sports and recreation activities. Today, the events and activities available to enjoy at Elings Park are amazing. Bicycle moto-cross, mountain biking, baseball, softball, soccer, rugby, lacrosse, RC cars, summer camps, movies, overnight camping, tournaments, birthday parties, graduations, celebrations and much, much more have all become everyday events. Over the years, many civic leaders have contributed to the "Elings Park dream." Our community is indeed grateful to them and to Bruce for their vision, tenacity and leadership.

Bruce resides in Santa Barbara along with his wife Kelly, his boys Riley and Teagan, two dogs, seven birds, two lizards and a commune of hamsters. Bruce has occasionally been accused of attempting to practice architecture, but those that know and love him, deny it. Looking back over the years, Bruce is convinced that the long, lonely, claustrophobic flight from Nashville to Santa Barbara was the inspiration for him to always work "out of the box." With so little funds and rent so high, the box became Bruce's first home in Santa Barbara. Ironically, that very same box is the most recent dramatic Giffin & Crane Montecito remodel and is now conservatively appraised at a \$5.2 million.

The 1989 women's team finished 17th at the NCAA Championship meet, scoring 50 points and producing five All-Americans. The seventh place finish in the 200 freestyle relay was the highest ever at the NCAA Championship by any UCSB team in school history. In 1990, four Gauchos earned All-American Honorable Mention honors, making Kim Bryson UCSB's first ever four-time All-American.

In his 29 seasons at the helm of UC Santa Barbara swimming, Gregg Wilson has posted a dual meet record of 281-198-1. Even more impressive, his squads have collected 34 Big West Conference Championships, 25 by his men's teams and nine by his women's teams. DWAYNE HAUSCHILD

Dos Pueblos High School

Dwayne Hauschild has been a Santa Barbara resident for more than 30 years now. His volleyball experience began in his sophomore year under the tutelage of Jon Lee at San Marcos High School. During his senior year he was selected to the All-Channel League Team, as well as All-CIF, and was invited to participate in the Junior Elite Camp, now known as the Junior National team. He played at SBCC during their trip to the state finals, and then transferred to Long Beach State where he was a red-shirt member of the 1991 National Championship Team. He has earned his AAA rating on the beach numerous times and is still playing when time permits down at East or Goleta Beach.

Dwayne coached his first team's right after graduating San Marcos in 1988 where he inherited the girls and then boys' freshman teams and began working for Jon Lee and the Royals. While in college Dwayne would consistently make appearances and assist in the developing players and teams at any opportunity. With Ed Holdren's help at the Page Center, Dwayne started up the Santa Barbara Boys Volleyball Club in the early 1990's and was acting coach and director for three years.

San Marcos again opened the opportunity to coach and Dwayne began to assist Jon's boys and girls teams in the late 1990's until 2002 when the Royals Boys went to the CIF Finals. It was that following summer that Coach O'Leary called with the opportunity to coach at Dos Pueblos with the girls' volleyball team. After much prodding from his Charger alumni wife, he accepted and took to the task of building Dos Pueblos into a fun, successful program. From 0-8 to 8-0 in 4 years and now carrying the much coveted Channel League Title for 2005, Dwayne was awarded the Channel League Coach of the Year as well as CIF Division 2 Coach of the year honors this season. He is thankful to all that have helped him learn and grow as a player and coach and hopes to continue the tradition of learning and winning for many years to come.

Scholar Athletes of the Year

*The 2005-2006 Scholar Athletes of the Year Awards
are generously sponsored by The Human Performance Center*

The Santa Barbara Athletic Round Table Scholar Athlete of the Year Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who also maintain strong academic and extracurricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extracurricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Athletic Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It also is a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present the 2005-2006 Scholar Athlete of the Year Awards to:
