President's Message

SBART President Rich Hanna is serving his first year of a two-year term.

Welcome to our 45th annual Santa Barbara Athletic Round Table Hall of Fame Banquet, the greatest local sporting event of the year that doesn't take place in a pool, on a court or the field of play. Tonight we honor past, present and future outstanding athletic performances.

Through participation in sports, athletes learn teamwork, self-respect, personal responsibility, discipline and how to win and lose graciously, while pushing their bodies and minds to unbelievable limits. The Santa Barbara Athletic Round Table is an all-volunteer board with a specific focus on supporting these positive elements of athletic participation at the local high school and collegiate level in our community.

An all-volunteer board would not be possible without the financial and community support provided by our membership and event sponsors.

During the current school year we have hosted over 1,000 student athletes at our Monday Press Luncheons, 400 athletes at our Women and Girls in Sports Luncheon and raised thousands of dollars for our local high school athletic departments at a time when a lack of school funding dominates the media. As the President of this organization, it is the Monday Press Luncheons that remind me, on a weekly basis, how our local sport programs, rivalries, athletes and coaches are so great. I constantly find myself being more of a fan than a facilitator as we acknowledge Special Olympic athletes and dozens of special achievement athletes for their ethics, sportsmanship and scholastic achievements.

Highlights for this year include the appearance of Dr. Terry Schroeder, USA Men's Water Polo coach and four-time Olympian, at our Fall Classic event. Surrounding Coach Schroeder were two-time Olympian and current UCSB Men's Water Polo coach Wolf Wigo and current Olympian and SBHS Alumni Cami Craig. Both Wigo and Craig talked about their playing and coaching experiences locally and internationally which inspired a room filled with local high school water polo players.

Every February we host our Women and Girls in Sports Luncheon that recognizes the adoption of Title-IX which provides women the same opportunities as men in high school and collegiate athletics. This year we featured LPGA golfer Pearl Sinn-Bonanni who shared her "Pearls of Wisdom" with over 400 young female athletes. Her message of "follow your dreams" and "do your best" resonated with all in attendance.

In my first year as President of this great organization, I cannot be more thankful to live in a community that celebrates local high school and collegiate athletics. Tonight I applaud our membership, sponsors and the local media for their great coverage, because without this support we could not successfully accomplish all that we do.

2011-12 Athletic Highlights

BARRY PUNZAL ~ PRESIDIO SPORTS

For the fifth consecutive school year, local high school teams and individuals reached the top of the mountain in their respective sports and celebrated CIF championships.

Going into the spring season, the area produced CIF-Southern Section champions in girls tennis (Santa Barbara High) and boys soccer (Cate). Providence Hall, in only its second year of CIF competition, finished as a division runner-up in girls basketball. The Santa Barbara boys golf team recently captured the Central Coast Team Divisional title and qualified for the CIF-SCGA Tournament,

There also were great successes at the end of the 2010-11 season. Dos Pueblos, behind the pitching of Player of the Year Hannah Harris, won the CIF Division 4 softball championship. San Marcos and Dos Pueblos track and field athletes garnered CIF-SS division titles — Shane Rowan (triple jump) and Hannah McDaniel (high jump) for the Royals and Nick Scarvelis (shot put) for the Chargers.

Scarvelis went on to win the CIF State shot put title, becoming the area's first state champion since 2002. Also at the 2011 State Meet, the San Marcos girls 4x400 relay team of Kaylin Koopmans, McDaniel, Marie Brashears and Elysia Hodges earned a bronze medal.

The Santa Barbara Foresters made it a sweet summer by capturing their third National Baseball Congress World Series championship.

Bishop Diego enjoyed one of its best football seasons in school history. The Cardinals reeled off 11 straight wins, won the Frontier League championship and advanced to the CIF East Valley Division semifinals.

DP cross country runners Bryan Fernandez and Addi Zerrenner had a big season. Both won Channel League titles and advanced to the CIF finals. Zerrenner took fifth at CIF and became the first Charger girl to qualify for the State Meet in over 15 years. She finished 10th at the meet in Fresno.

Santa Barbara's girls tennis team, battered tested by playing all the top teams in CIF Division 1, romped to the CIF Division 2 championship. It was the program's first title since 2003 and sixth overall.

Carpinteria had a magical tennis season, winning its first league title since 1977 and reaching the CIF Division 5 final.

History was made on the tennis court as DP's Lauren Stratman won her fourth Channel League singles title, matching a feat that was last accomplished by Amelia White in 1992. Stratman advanced to the CIF individual semifinals.

On the volleyball court, All-CIF player Taylor Racich led Dos Pueblos to an undefeated Channel League title, a championship in the Tournament of Champions and a semifinal berth in the CIF Division 1 playoffs.

Luis Silva finished a brilliant career at UCSB by becoming the program's first National Soccer Coaches Association first-team All-American. He was the fourth overall pick in the Major League Soccer SuperDraft, taken by Toronto FC.

SBCC had a banner season in soccer with the men and women's teams both winning Western State Conference titles. The men advanced to the State Final Four.

In golf, SBCC's Nicole Bullemer finished third in the state, while at the high school level, Santa Barbara High sophomore Isabelle Doub won the Channel League and advanced to CIF.

The winter season saw Cate repeat as CIF Division 7 boys soccer champion and UCSB-bound playmaking midfielder Ema Boateng earn Player of the Year honors for the second straight year.

In girls water polo, Dos Pueblos and Santa Barbara shared the Channel League title and both advanced to the CIF quarterfinals.

Carpinteria won its first girls water polo league title in school history.

DP's Yaskin Solano, in only his second year of wrestling, won a league title, finished third at the CIF Division 1 finals and just missed qualifying for the state meet. Chad Lampe of the Chargers and Santa Barbara's Bryce Vinion repeated as Channel League champions.

It was an exciting season of college basketball. Westmont's women, led by NAIA Player of the Year Tugce Canitez, rewrote the program's record book, posting a program-best 31-4 record, winning its first GSAC regular season and tournament titles and advancing to the NAIA national quarterfinals.

The UCSB women's basketball team won the Big West Tournament title and returned to the NCAA Tournament under first-year coach Carlene Mitchell. The Gauchos played top-seeded and eventual national champion Baylor.

The UCSB men advanced to the Big West Tournament championship game for the third straight year, but it couldn't overcome Long Beach State. Gaucho star Orlando Johnson became UCSB's all-time leading scorer in just three seasons.

In the spring, Dos Pueblos captured Channel League titles in track, softball, baseball and swimming, while Santa Barbara won in boys volleyball, boys tennis and boys golf.

Bishop Diego ran away with the Frontier League baseball title and is having one of its best seasons in program history.

Carpinteria's softball team captured the outright Frontier League championship.

SBCC enjoyed a successful spring season: Tennis player Miles Seemann won the Southern California Regional singles title; the baseball team, under first-year coach Jeff Walker, won the Western State Conference title and a first-round playoff game; the softball team advanced to the playoffs.

At UCSB, Barbara Nwaba set a Big West meet record in winning the heptathlon. Westmont's Kate Stuart captured GSAC titles in the 800 and 1500.

The beat goes on during the final weeks of the school year as several athletes and teams will be battling for more postseason honors.

SBART Founders

Over four decades ago, Jerry Harwin and Caesar Uyesaka sipped coffee at Caesar's Restaurant, talking about the need for a sports group in Santa Barbara that could help the local athletic community in times of need. After Jerry and Caesar shared a couple more coffee breaks together, the Santa Barbara Athletic Round Table was born. Its motto: The advancement and betterment of all sports and athletics in the greater Santa Barbara area.

The SBART got off to a fast start. Its first organizational meeting was held at Santa Barbara's East Beach on January 25, 1968. Hundreds of people attended this meeting, and over 200 joined that evening as Charter Members.

The SBART's first annual banquet was held at Santa Barbara City College on June 22, 1968. Through membership dues, contributions, fundraising events and local foundations, the Round Table has raised more than \$2 million for local athletics.

Harry's Plaza Café was the site of the SBART's first press luncheon held on September 14, 1970. The luncheons, initiated by the new president, Bill Bertka, were similar to a "Monday Morning Quarterback Club." All area schools were represented by the head coaches of the sports in season. For over four decades the SBART luncheons have been held at Harry's every Monday, attended by standing-room-only crowds.

Since its first meeting back in 1968, the Santa Barbara Athletic Round Table has helped thousands of individuals and organizations by raising funds to support their athletic programs. The Round Table is proud to help student-athletes at all levels compete in events they would otherwise not have been able to attend.

It is with our deepest regards and warmest thanks that we acknowledge and celebrate the vision and hard work of our founders, Caesar Uyesaka, Jerry Harwin and Bill Bertka.

Mission Statement

The mission of the Santa Barbara Athletic Round Table is to recognize and support athletic participation as an important means of fostering discipline, teamwork, self-respect, personal responsibility, and camaraderie.

The SBART provides a public forum for area athletic coaches and athletes; grants financial support to organizations, teams, and individuals to further their participation in sports; and publicly honors athletic performance, scholastic achievement and exemplary ethical behavior.

Russ Hargreaves Memorial Award

JAMES CORONADO

Originally from Fresno, Coach James Coronado attended the University of California at Santa Barbara and never left. He began working with youth in 1996, first as a baseball umpire for the City of Santa Barbara Parks and Recreation Department. Later James was assigned as the coach of the Parks and Recreation After School sports teams at Franklin Elementary School. While coaching after school sports for the past 15 years, James was also earning his teaching credential from Antioch University and teaching physical education at Franklin Elementary School. James was recently hired as the basketball coach of the 2011-12 Santa Barbara High School Dons frosh/soph team where he led the team to the Channel League Title.

James and his wife Patty run a local non-profit organization called TGOP. Now in its fourth year, TGOP's club basketball and handball teams are led and coached by James. Their non-profit organization is structured to help and inspire Santa Barbara at-risk youth to be the best they can be in both life and sports. The TGOP handball team recently won the Gold Cup of Junior Handball held at the Santa Barbara YMCA. The Gold Cup was given out to the team that faired the best in all junior divisions ranging from ages 21 and under down to 9 and under.

Russ Hargreaves was a dedicated member of the Santa Barbara Recreation Department. He spent a lifetime creating opportunities for others to enjoy the benefits of recreational activities. He loved jogging and was committed to total body fitness. He knew that a healthy mind and body were the first steps to a happy and productive life. This award is given to a person recognized by the Parks & Recreation Department as a leader in maintaining quality sports programs

R.F. MacFarland Memorial Trophy

JOE COITO

Joe Coito was a lifelong athlete, looking for an inroad into the local sports community when he volunteered his services at the 1991 Santa Barbara Triathlon. He bought it four years later and became its race director, and he has since developed the Triathlon into one of the most successful and philanthropic events in the area.

The Triathlon now draws more than 2,000 participants, hundreds of volunteers and countless spectators per year over an entire weekend, offering a traditional long course race as well as separate coed and women-only sprint options. The event now even features popular parent-child and aquabike divisions.

Coito also is the co-founder of Travel Sport Camp, a series of international programs that offer students ages 11 to 23 professional sports training combined with foreign language instruction and cultural immersion.

For more than a decade, Coito and his team have managed the logistics for the local Summit for Danny event, proceeds of which directly benefit the Daniel Bryant Youth and Family Treatment Center. He also spent nearly 10 years assisting the Cancer Center of Santa Barbara in producing the Cancer Center Walk/Run 5K and 10K which raises funds to support local cancer research.

He added a fundraising component to the Triathlon in 2002, and it has raised nearly a half million dollars for local charities and non-profit organizations. In his sporting event consultant capacity, Coito focuses on developing partnerships with organizations that share his passion for giving back to the community while highlighting the importance of fitness and fun.

R.F. MacFarland was one of the founders of Semana Nautica in 1936. This award is given annually to the person or organization who best exemplifies community leadership in the area of sports and athletics. It is sponsored by The City of Santa Barbara Parks and Recreation Department, local media and the Semana Nautica Association.

Master Athlete Award

TERRY THOMAS

Terry Thomas started racing Triathlons in 1982 and was the Santa Barbara Triathlon overall women's winner in 1984 and 1985 and placed 6th in her age group at the Ironman World Championships in Kona in 1985.

Since becoming a "Masters" athlete, Thomas has won her age group at Santa Barbara Triathlon, in either long course or sprint, 10 times. She has been on the podium in numerous triathlons and running events throughout the country, and despite hating cold water, she has placed in her age group at the 3-mile ocean swim.

She has now reached "Masters" athlete status in her marriage, recently celebrating her 40th wedding anniversary.

Thomas recently retired from UCSB where she was a dietitian employed in Housing and Residential Services. After a promising career in "kids triathlons," her daughter Devin retired from competitive racing at age 12. She recently graduated Summa Cum Laude from UC Berkeley and has embarked on a low-paying career in travel and writing.

This award was established and endowed by Louise Lowry Davis to encourage the continued participation in competitive sports, regardless of age. It is given for achievement by an athlete over the age of 40 years.

Special Olympics Mayor's Trophy

TED RUDOLPH

Ted Rudolph has been an Athlete in Special Olympics for 24 years and has participated in aquatics, athletics, bowling, basketball, cycling, softball and tennis, which is his favorite. He grew up in a family where fitness was an important part of life, and as a result, they would often go to the gym, play tennis and golf together.

In high school, Rudolph played football for the Santa Barbara Dons. After he graduated, he had several friends who played basketball for Special Olympics, and they encouraged him to join the organization. Anxious to be part of a team again, he decided to join, and has been an athlete ever since.

Currently, Rudolph is competing in aquatics and cross-training in athletics (track & field). The head coach for aquatics, Leah Simpson, says that he is the most improved athlete on this year's team and attributes his success to the fact that he has not missed a single practice or swim meet. His overall positive attitude and willingness to help has made him a natural team leader. "He does not let any mental or physical hurdles get in his way, but is always willing to communicate and talk things out. He works well with other athletes, gets along with everyone and one of our fastest swimmers!"

Head coach for the 2012 athletics team, and assistant tennis coach, Matt Schnieder, has had the pleasure of working with Rudolph for the last year and also appreciates that for both sports, Rudolph is always on time, and always one of the last athletes to leave. "He goes above the tasks asked of him, if I ask him to run 2 laps he will run 3. He is considerate to the other athletes and is always available to help in any capacity. He is a great competitor. Plus he is just a really nice guy."

Rudolph is an employee at UCSB as a night time janitor. He loves music of all kinds and enjoys attending concerts, going to the movies and working out at the YMCA.

As a result of his hard work and dedication, Ted Rudolph is this year's Special Olympics Athlete of the Year!

This award was first established by mayor David Shiffman. It is presented annually to a Special Olympics Athlete.

VANESA VILLA

Vanesa Villa is a graduating senior at Dos Pueblos High School who will begin her freshman year at SBCC in the fall. She is proud to be a first generation college student, and with a documented learning disability works hard every day to ensure that she accomplishes her educational goals. Villa enjoys helping others and has volunteered her time to a local pre-school, Santa's Workshop and to the Teddy Bear Cancer Foundation. Her true love, however, is golf, which she has played for 11 years and has competed in for six. Villa is presently a member of her high school CIF golf team and has also participated in the Santa Barbara Junior Golf Tour, AJGA, Ventura County Junior Golf, Russ Morrison Junior Golf and Southern California Junior Golf.

She has volunteered her time as an assistant instructor for the First Tee golf program and dreams of someday playing on the LGPA tour. Villa credits her grandfather for introducing her to golf and shares, "He is my biggest inspiration and believes in me even when I don't believe in myself."

Gina Ruskauff Memorial Scholarship

JEFFREY MOORHOUSE

Jeffrey Moorhouse is currently a senior at Carpinteria High School. A true scholar athlete, he has received numerous awards for his achievements and was recently named Masonic Student of the Month. He is a member of the Spanish Club, serves as a Junior Statesmen and participated in the 2011 Relay for Life. In addition to his busy academic and extracurricular activities Moorhouse works part time at a local finance company. He is actively involved with the Carpinteria Boys and Girls Club and enjoys helping others through tutoring and leadership. Moorhouse will embark on his freshman year at UCSB in the fall where he will be enrolled in the School of Letters

and Science. He dreams of becoming a naval officer, has applied to the NROTC program and plans to continue to participate in sports as a college student.

SBART Founders Scholarship

KAYLA CONBOY

Kayla Conboy is described by her high school basketball coach and Guidance Counselor as "a reliable, responsible, motivated, competitive and extremely kind young woman." A senior at San Marcos High School, Conboy has earned an impressive 4.30 weighted GPA while working 20 hours per week and participating in team sports. Conboy participated in her freshman and sophomore years of high school on the junior varsity volleyball team, but has opted to focus all four years of high school on basketball as her primary sport. Selected to serve as Captain of the Royals girls' junior varsity and varsity teams, her coach describes Conboy as "able to lead, able to follow, and able to contribute exactly what is needed at just the right time." In addition to sports and work, Conboy is active

in her church community; has wrapped gifts for Life Chronicles; and has volunteered her time to tutor first graders in an after-school program. Conboy has applied to Pepperdine University and is interested in a career in Crime History.

KIRSTEN MOORE Westmont Women's Basketball

In her seventh year as women's basketball coach at Westmont College, she took the program into new territory. The Warriors ...

--Won a school-record 31 games

--Went undefeated at home

--Claimed their first GSAC regular season and tournament titles

--Earned a No. 1 seed in the NAIA National Tournament

--Reached the quarterfinals at the nationals

--Finished the season ranked fourth in the country, the highest ranking in program history.

For all she accomplished this season, the Santa Barbara Athletic Round Table is honoring Moore as its College Coach of the Year.

Moore and the Warriors had high expectations heading into the season.

"During our team retreat at the beginning of the year, we made a poster board with all the goals we had for this year," she said after winning the GSAC Tournament title. "It is a pretty satisfying feeling to see all the checkmarks on the poster board – not just big goals, but goals for all the little steps it takes to get there. From the extra workouts to the bigger goals that we accomplished. The little things make the big things happen. We stuck to being committed to the little things. It is fun when the big things do happen. It is a great life lesson for all of us to remember and learn from."

Finishing with a 31-4 record, Moore tied legendary men's coach Chet Kammerer for the best basketball season in school history.

When the Warriors won their first GSAC regular season title, Moore acknowledged all the former players who helped build the program.

"This is something that a lot of generations of Warriors have been working toward," she said. "As I celebrated with this group, I thought about how many alumni have put in the work each and every year to build to this point. This year we had a group that was willing to take the torch that was passed to them and realize that goal that we have had in this program for a long time."

Leading that solid group of players was 6-2 junior Tugce Canitez, a native of Izmir, Turkey. She averaged a double-double of 19 points and 10.5 rebounds, and was named the NAIA Player of the Year.

"It is great for her to be honored individually while at the same time representing Westmont, her teammates and the success that we had this year," Moore said when Canitez received the award.

Adding to Moore's joy in the history-making season at Westmont, she's expecting her first child.

"I'm also thankful (the team) taught 'Baby Moore' how to win a championship before it's even born," she said after winning the GSAC regular season title. "I'm extra thankful to the team for that."

High School Coach of the Year

DAVE MOCHEL Cate Boys' Soccer

Dave Mochel has been fortunate to have some incredibly gifted soccer players on his boys teams at Cate School. But it's what he's done to bring all the players together and mold them into a finely tuned, organized team that's been most impressive.

Mochel's coaching has been rewarded with back-to-back CIF Division 7 boys soccer championships and Cate's first appearance in the CIF State Regional Championships.

The Santa Barbara Athletic Round Table is recognizing Mochel as the 2011-12 High School Coach of the Year.

Mochel completed his 11th season at the helm. In the last two seasons, the Rams have gone 42-2-1. The 2011-12 squad went 20-2-1 and defeated two Division 1 teams.

"While a bystander might be initially drawn to the high level of talent on the field, what they are missing has been the gradual evolution of a particular brand of soccer that preaches teamwork, crisp passing and patience," said Cate Athletic Director Wade Ransom of Mochel's coaching. "He's gotten a small school team to think big."

Ransom added that Mochel continually stresses to his players the importance of perspective and looking at the big picture.

"All of this success has happened without losing focus on each student's larger and more significant role in the classroom and within the community at Cate," he said.

Scholar Athletes of the Year

Generously Sponsored by The Human Performance Center

2012

The Santa Barbara Athletic Round Table Scholar Athlete of the Year Award was initiated in September 1986 after the Round Table's Board of Directors recognized the need to honor those students who are not only successful athletes, but who also maintain strong academic and extra-curricular credentials.

Qualifications for nomination include participation in varsity athletics at the high school level and in designated athletic programs at the college level. Academic qualifications include outstanding grade point averages, usually greater than 3.5, in conjunction with other scholarly activities such as honor societies, scientific societies, extra-curricular activities and outstanding aptitude test scores for high school. Students have been selected by principals, senior counselors, athletic directors and coaches at the various high schools and colleges in the Santa Barbara area, in association with the Athletic Round Table.

The Round Table feels that the significance of this award goes beyond recognizing individual students who have outstanding academic and athletic records. It is also a reminder to the community that it is possible for a student to participate in athletics and still maintain outstanding academic achievement. We are proud to present this year's recipients.

At American Riviera Bank, we don't have the layers, the automated voice menus, or the call centers off in distant places like other banks. Here, you deal directly with bankers who know you personally, and have the expertise and authority to make things happen - quickly. Whether you need a line of credit, a construction loan, or just a safe place to keep your money, stop by and see us. You'll feel appreciated the minute you walk through the door.
